GIVE IT THE CHOP

President's Blurb

Welcome to round 9 of the 2013 season - Peninsula Strikers Vs Warragul Utd

We welcome all players, members, friends and families including those visiting players committee and spectators of Warragul United FC. I sincerely hope you all have an enjoyable afternoon with us.

After going back to 1974 in the club's history it would appear that the two clubs have never been in the same league or may not have played each other at all. So today, history is made for both clubs having our first encounter at Centenary Park. While Warragul, current hold 4th position on the table I'm sure our players will show our visiting team that our current position isn't conducive or a reflection of our team spirit and endeavours to improve on current position on the table.

Improvements:- As I have indicated in previous match day books, there's a lot happening around the club and planned for the future. Machinery currently seen around the training ground is to correct the (Batters) slops / run offs, from the training ground. These areas are / were dangerous and would have seen our future training park disappearing down Peninsula Link as a result of rain runoff, not to mention placing our player's safety in jeopardy. Council have agreed to correct this potential problem which is currently being undertaken and should be completed by the end of the month.

On completion of the work being undertaken above, council will then undertake irrigation of the training park extension. This can now be undertaken after the club was successful with council, arguing that a new main water pump was required after many years of problems with grounds not being regular watered during the summer months. This was also highlighted at the end of Dec12 when we saw both the main and training grounds dye due to the lack of water.

Last week I was also informed that during the off season council will soil, fertilise and seed the training ground extension being ready for season 2014, once completed we have asked council to provide another set of goals for this ground also. Our vision once completed is to have another set of goals positioned north /south (freeway end/ grandstand) and create another competition ground. This will enable the club to increase its team capacity in the future.

Training Lights:- I'm happy to inform you, that last week, both our clubs special projects officer and I had a meeting with council to submit the clubs application for new training lights in 2014. These lights once approved with Sport Victoria will cover both training grounds current and proposed. This project is expected to cost approximately 200K. Our club is expected to contribute around 30/40K. If you know of anyone who could assist the club with sponsorship / funding please let me know. We expect to know if we are successful with our application around Sep13.

NPL - National Premier League:- As you would be aware FFV(Football Federation Victoria) will introduce a new league in 2014, that being NPL. Your clubs committee have been working towards possibly entering this competition. Last Monday night 10June, I called a meeting of all clubs within our area to openly discuss the matter. At this meeting, held at Langwarrin FC various points were discussed. Some of were the concept, structure finances etc. It was decided that at the present time all clubs whilst in agreeance with the new concepts of NPL that the structure measures including time restraints as to the roll out that financially this wasn't the right time to undertake it in its current form.

At this meeting all clubs agreed that it would be beneficial for our area to be involved in a league of this status though not at this time. On the 25Jun13 all clubs will present to the Soccer Liaison Committee suggestions and possible infrastructure over the coming years to once again look at NPL in 3 years' time. This has possible come at a good time for future planning with the recent release of the Sport Development plan released by council last week.

Sports Development Plan:- This document was released last week as a result of a study undertaken by Frankston City Council of all sports grounds pavilions and infrastructure. This document is available for all to read on the (FCC) website at http://www.frankston.vic.gov.au/About_the_Council/Have_Your_Say_Community_Consultation/index.aspx This has highlighted many things one being our pavilion, change rooms, being substandard. This report grades our facility as high priority and places these to be ungraded in 2-3 years, a pleasing outcome! After vigorously lobbying council some two(2) years ago to have the shower facilities upgraded at that time. I have to say that there are many projects in the future that will require the club to financially contribute to have these projects come to fruition.

Game Day:- To all our players and coaching staff, good luck today, let's turn the tables and make a loud clear statement, no better way to do it than, with a win. "Go Strikers"

To our junior players of the club and their parents we hope you enjoy your day also. Remember your child should now have a junior pass, if not see your coach or a member of the junior committee as our club has allocated one for each junior player. This pass entitles your son / daughter to receive, a free drink, bag of lollies when you attend any of our home games this season. (Pass must be produced).

If you could help or assist with anything at all it would be appreciated, we don't need you to be a committee member, we would just appreciate your help, lend a hand, even for just an hour. "You can make a difference" don't forget it's your club too!!

**Mark Brandon CSM.
President**

The Peninsula Strikers Football Club would like to thank Burdett's for their continued sponsorship and support.

In particular Andrew Burdett's recent contribution to the club being our new exposed aggregate concrete area directly outside the clubrooms, including Burdett's supply of gravel to ensure the area is level for our safety.

***So when you need your next lot of garden supplies / concrete / gravel or pavers please use the sponsors who support our club, think BURDETT'S

THE COACHES CALL

Coaches Blurb

Reserves

Peninsula Strikers Reserves come into the Heatherton United Fixture in confident mood after three consecutive wins.

Upon arrival to the ground the mood quickly changed to uncertainty over the doubt of the game being played.

With some pitch maintenance, a revised kick off time and a new 32.5 minute each way - the game was on however the lads quickly found themselves 2-0 behind.

With character and endeavour the lads pulled it back to 2-2 at half time and it was game on.

Unfortunately, the second half game was turned on a knife edge after a spectacular pile driver for Heatherton United from 25 yards.

The lads continued to battle to the final whistle but eventually paid the price for lapses of concentration at the back and lack of composure in front of goal.

4-2 the final score with Alex "Calder" and Cameron Teiermanis on the scoresheet.

It's all about learning and development and I'm sure the lads will be focused on bouncing back this week.

Paul Williams.

WHAT'S THE GOSS LADIES?

Round 6 at Home v Seaford Utd - Sunday 26 May - KO 11am

Despite a previous 'thumping', we were bound and determined to make it as difficult as possible for Seaford this time around!

We came out hard and kept possession, moving the ball well. Defenders had their work cut out and Darcy was tested in goals in the first half. Miki was in goal for the remaining 45mins and managed to make some excellent saves. Again the score does not reflect the excellent level of team work and the marked improvement overall.

Well Done to Chantelle, who scored a cracker of a goal (and special mention to Jazmin and Ally, both scoring o/goals - pity it wasn't up our end girls!!)

Strikers 1 - Seaford 16

***Feedback from the Seaford Coach who personally spoke to the girls post game and commented how much they had improved. Congratulations Girls**

Round 7 Away to Albert Park - Sunday 2 June - KO 11am

A wet soggy pitch and only ten players, but the girls managed to play an excellent game, one of our best this season.

Forward movement was excellent and the mid field and strikers had plenty of shots on goal, testing Albert Park's keeper over and over.

Unfortunately they snuck one goal through - the result Albert Park 1 - Strikers 0.

Next Game Round 8, Sun 16 June - Away to Skye Utd KO 1.15pm

Please come and support the girls - Go Strikers!

THE COACHES CALL

Coaches Blurb

Men's Metro League 6 South

Coach: Dave McKinney

Manager: Cheryl Miscamble

9 June 2013

1.00 pm - Skye Recreational Reserve

Peninsula Strikers versus Skye

Result: 4:1 loss to Peninsula Strikers

Goal scorer - George Katergaris

This round was played as a catch up round after the introduction of Baxter to the league and was played on a pitch which was substantially shorter than those of our home ground and most other clubs. As a result, the formation of the team needed to change which tested some players outside their comfort zones.

Skye played two forwards who were rarely challenged, leading to a half time score of 3:0. This included an off side goal which was awarded despite Skye's linesman flagging the offense and another from an error. The Skye keeper played as a sweeper and came out a long way to cut out our through passes. When Anders realised what was consistently happening, he started to shoot from a distance which did not yield a score, but had Skye reeling from the change of pace.

Not to be deterred by the half time score, an inspirational talk from coach, Dave McKinney ignited our team for the second half which was clearly an improvement on the first half as the goal proliferation was reduced to one and George Katergaris scored the away team goal at the 60 minute mark. The second half was a clear victory for Peninsula Strikers.

Whether or not there were mitigating circumstances surrounding the loss remains irrelevant given the fragmented play by our team against Skye last Sunday. Some goal shooting practice and greater commitment to marking opposition players should see a revitalised Strikers team hit the pitch this week against Bunyip.

Cheryl Miscamble.
