President's Message

Welcome today to all at the Strikers and our visitors Beaumaris to the first round of the 2015 season.

I am sure all the Strikers supporters will join the Committee in wishing the strikers boys all the best for the season'. This will be a milestone year for the club with a number of exciting projects underway both off and on the field. From a football viewpoint we welcome back a couple of old favorites to the club with former player Craig Lewis returning as Head of Football.

Andy Mason and Jimmy Stewart will support Craig; with all three gentlemen being former professional footballers in the UK the boys will not be short of great advice and guidance. Craig and his team have brought in a lot of new faces over the summer and we look forward to an exciting year ahead. Off the Field: A big welcome back to Sophie Buchanan who is helping us run the kitchen we appreciate her assistance greatly. We have a number of club improvements either underway or completed. New dugouts were built last week a special thanks to John Hargreaves and Bulls eye Bricklayers for donating their time to build them, ably assisted by Chopper, Wayne Brown and Clayton who did the concreting.

A big thanks to Burdett's who continue to support us in a huge way and provided the materials in addition the generous donation they make every year. We ask you consider supporting our sponsors whenever you have the opportunity without their support it would be extremely difficult to survive as a club. By years end we will have two fully functional training grounds with brand new lights, which will provide a great new training facility for the players.

We will receive first draft plans on the new change rooms and kitchen upgrade in the coming weeks. A million dollars will spent improving facilities this year; it has been a long journey over several years to get to this point. A big thank you goes to everyone who has assisted in achieving this. Lastly and certainly not least a personal thanks to all of the committee who have put in hundreds of hours to get us to this point in the season

Cheers guys and best of luck to all of the Strikers teams for the 2015 season

All the Best

Dave Reid

Senior Coach Report

Welcome to the 2015 season.

Andy Mason, Jimmy Stewart and myself would like to take this opportunity to thank the Peninsula Strikers President, Committee and supporters for the opportunity of coaching this proud Football club in 2015.

The 2015 pre-season did not get off to a great start with low numbers turning up to pre season training in late 2014. The task of rebuilding the playing roster and recruitment of new players for the 2015 season was clearly evident which was a significant challenge. I can happily say that we now have a playing roster of 28 players registered and raring to go after a long pre season of training.

We have played a series of pre season games throughout January, February and March and as is normal when rebuilding, results and performances have been mixed. We have seen some strong, disciplined attacking football at times, which indicates we are heading in the right direction, along with some inconsistent performances which is to be expected when players are playing with each other for the first time.

This season there will be a large number of players playing for Peninsula Strikers for the first time. We have recruited into the club, a mixture of experienced players along with some very promising young talent from the Frankston and surrounding areas.

The playing group will commit to play each game with the core principles of a strong work ethic, disciplined approach, commitment to each other and individual responsibility both on and off the pitch.

The Peninsula Strikers are a club with a proud history and promising future and I encourage both players and supporters to rally together to build the strong foundations and positive culture which will help the club return to the glory days of winning championships and in front of big crowds.

Thank you for your support

Craig Lewis
