A Message From The President

Today we welcome Berwick City Soccer Club to McClelland Reserve and wish them an enjoyable day.

After a disappointing result last week for both reserves and seniors, I know the boys will be up for it today. I am sure the response will be of the highest quality and the results will come. I can first hand tell you that the training intensity has been immense so let's hope we see a reaction today.

Off the park, things are running along great. I would like to make a special mention to Jimmy McCarron. Since coming to the club this year with his son James, he has been a great addition to the club. Not only has he sponsored the club, he has put his hand up to run the raffle throughout the day. These small things really assist the club and we appreciate all the help we can get. So thank you Jimmy. It's much appreciated.

Anyone else who thinks they can assist in some way, please let me know as there is plenty of things need doing on a daily basis.

We are also looking for some further volunteer assistance to come on board and help with various jobs:

Ground staff/marshalling

Admission staff

Bar staff

And general all-round help

Once again, to those who wish to become a social member, please see either myself, Bianca Rich or Chopper our Vice President for a Membership form. This membership will entitle you free entry into all home games and a members discount off all drinks at the bar whilst supporting your club financially along the way. Please also remember, if you are not a member, you will have to pay to get in. Gone are the days of "I've been coming here for years".

Our first function will be a themed players night on April 22nd after the Doveton game and would hope to see all players both men and women supporting the club. This will be a great night for all players, partners and friends.

Let's have a win today lads

Simply not at the level required

Round one has come and gone and a few harsh lessons were dealt by a determined, organised and direct Eltham Redbacks.

Our game plan was not executed as we expected and the disappointing aspect was the real lack of determination to compete for the full 90 minutes. Although this was the team's first official game together, we must galvanise very quickly and show the character and leadership to bounce back immediately.

Today we welcome Berwick City, who is led by a good friend of mine Gerry McDonagh. Gerry will have Berwick well organised, strong and determined and we must match every aspect of these characteristics if we are to get a positive result. Berwick started their campaign off well with a 2-0 victory against Doveton which shows that they will be very competitive this season.

It's the coaching staff and players responsibility to respond from last week's disappointing performance and show our supporters we are and can perform much better than what we showed. I have full confidence in the playing group and once again we will ensure that there is a positive response.

CLUB ROUND UP

Celebrities - League Champions 2016

After winning our 6th League Title last year, we have decided to go around again in 2017.

We played in the Bayside Charity Shield 2 weeks ago beating Montrose 4-2 who now really do not like us, but did let me know they were a lot of players missing!!!! This year so far we welcome Jimmy McCarron, Dion, and Raji (Fikrets pal so could be dodgy) to the team as we have lost a few players due to other commitments and retirements.

Still hoping to gain the services of The President, The Captain and The General to help win our 7th Title!!

Tomorrow kicks of our League against Croydon at home – 1.00pm Kick off. We are undermanned so hopefully we start off season with a win. Get down and support the old guys who support you and have a drink with them afterwards.

Keeno

Senior Women

With three week's left until the league kicks off on the 23rd of April, the Strikers Girls are in full swing preparing for the step up to state league 3 this season.

Congratulations to Anabelle Finch (Finchy) who has taken the position of assistant coach this year, her positivity around the club will be a huge asset for us throughout the season.

We have a full squad of twenty which is testament to what the club and its people can offer Women's football in the area. With the new purpose built facilities and a real club focus on developing the Women's game, things are looking very exciting.

Another very pleasing aspect of the squad this year is the progression of girls through the Strikers Junior into the senior squad. Six girls have made the step up this year and have already proven themselves in a number of practice matches. We are continuing our very good relationship with the junior club and have a bonding day and practice match with the U16's at 11am tomorrow just before the Vet's kick off. Come down and check us out if you can.
