A Message From The President

Today I'd like to welcome Heatherton Football Club to Centenary Park and wish them an enjoyable day. Once again it will be tough opposition for us but I am sure the boys will be up to the challenge.

After a few great results, last week was very disappointing to watch. Having 4 of your starting 11 out through either suspension or leaving the club, we were utterly disappointing for the 90 minutes. It's now time to get back to winning ways and start getting some consistent points on the board.

Once again we could always do with a little bit of help around the traps. We are always looking for help with the following:

- Ground staff/marshalling
- Admission staff
- Bar staff
- And general all-round help

It was good to see all Sunday teams have wins on the weekend. Our women's team had a great win, knocking off one of the ladder leaders East Bentleigh 2-0. Our Celebrities over 35's beating local rivals Seaford 5-3 with a senior import scoring a cracking free kick. Our final game for the day was our Metro 5 boys beating Middle Park 4-2. Thanks to all those who stayed back and helped with the pack up. It was much appreciated.

Off field, things are running along well except for our English import who now has some big decisions to make over the coming weeks. Go on Soft Lad!!

Social Members are still available and can be sorted at the bar on game days or see either myself or Bianca throughout game days or Tuesday, Thursday night training sessions

Another reminder about our upcoming Hypnotist night with The Bizarre Gazzard on August 26th. This will be an amazing night and hope to see all members there experiencing the amazing live show of Hypnosis. It will be something special. Tickets are available at the club and are selling fast.

Good luck to all the Strikers over the weekend and let's pick up maximum points today. Let's have a win today lads

The club would like to congratulate Alex Hopson on reaching 50 senior appearances and Jack Carter on reaching 50 reserve appearances

LADIES ROUNDUP

So everyone's heard the old sporting cliches - get back to basics, do the simple things, never give up and the results will come - well the girls have turned those cliches into reality. With dedication and hard work on the training ground they have produced two of the best performances I have ever seen from them. Our squad has been bolstered by the return of Jess Tyler from an ankle injury, Sam Wells from a quad tear and the introduction of new signing mid field powerhouse Kayla Hicks.

Since my last report we have defeated Dandenong city 4-1 and we have topped East Bentleigh off the top of the ladder 2-0.

Dandenong V Strikers (4-1 win) We went into this game on the back of two heavy defeats not knowing what to expect, but within 30 seconds we went 1-0 up with Kayla Hicks taking advantage of a wayward clearance from the Dandy keeper. This was Kayla's first touch for the club in 3 years and it was a pretty sweet way to introduce herself to her new teammates. We dominated the first half and had numerous chances to score but it took right up to the end of the half for 16 year old Abby O'Brien to round the keeper and slot a well deserved second goal. Second half was pretty much the same as the first, Dandy were trying to intimidate some of our young guns but our experienced girls let them know we were not there to be messed with. Sam Wells scored the third with a typical skillful run into the box and a clinical, slotted finish past the keeper. The fourth was an unstoppable Kayla Hicks header from a pinpoint corner delivered by our specialist set piece Maestro Keely Moore.

Strikers V East Bentleigh (2-0 win) Once again an unknown entity before the game, but with Bentleigh being top with some massive wins we knew we were in for a tough day at the office. The girls started the game really well and didn't let the opposition have any meaningful possession while once again creating many chances that we just couldn't convert. The first goal was just before half time with a stunning free kick from the Maestro Keely Moore who snuck the ball in at the near post with a low, hard shot from just outside the box. The second half was another dominant display from the guys and the pressure finally paid off with 10 minutes to go as Sarah Hutcherson smashing the ball into the top corner with an unstoppable left foot volley from just inside the box.

This week we are at home at 11am playing Knox City. Another tough game for us, come down and cheer the team on GO STRIKERS.

Marty Moore

CELEBRITIES ROUND UP

After 5 rounds the Celebrities currently sitting 4th on the table with a game in hand.

Well done to the lads when played Seaford Legends with only 11 players winning 3-1. Martin Sutherland ripped his tights and first gamer Derek (Jimmy McCarron's cousin) scored a goal on the ground crying in pain with cramp!!!!

Game against Doveton seen the return of the great Russell Black only to be sent off once again for letting the ref know he was..... Not that good! We drew 2-2 after we went down to 9 men with 10 mins to go.

Last week we introduced an old favourite of the Strikers who told me he would always end up back here. Matt Pearce scored 2 goals on debut and fits in well with the lads.. Just hope he gets permission from the wife to play every week. We also let Ryan Lee play out and he went straight up front to the amazement of Marsel and Fikret, only to miss 4 sitters and a header on the line that we Rhyder would have scored with his eyes closed.. Never again. We beat boronia 8-0.

Last week we played Seaford Vets with the bare 11 men once again, Russell Black was still partying in Dromana and there is a milk carton out with Eddie Bells face on it as he has gone missing. Thanks to club president TJ for helping out and scoring a well missed timed free kick in to the pigeon hole (all class really) . Ryza was in fine form pushing one into the net, letting one go through his legs from 18 yards out, and the other letting Wison score a free kick from 39 yards out.. Only to put him upfront once again and he need touched the ball. Eventually winners 5-3.

Massive game tomorrow V Mornington who are sitting comfortably on top of the league

A Word From The Coach

We must take our chances

Today we welcome Heatherton United to Centenary Park in what is a must win fixture for us. The past two weeks we have only managed to collect 1 point out of 6, which is disappointing after collecting 6 points for the two local derby's against Seaford and Pines the previous weeks.

Although we have only collected 1 point from the past two matches, we have showed that we can control the games where we apply ourselves as a collective unit. Our last home game against Old Scotch, we played some really good football, however a series of missed chances ensured we did not take the 3 points in which we had worked so hard for.

Last week away against Beaumaris, we also controlled the majority of the game with some strong possession, however once again we missed a host of chances to easily have won the game comfortably. Unfortunately our own defensive errors continually hurt us. These individual errors are something we must remove from our games if we are to give ourselves any chance of collecting maximum points each week.

Overall the past 4 weeks as a team we have created at least 25 to 30 opportunities, however we have only managed to take 4 of those chances. We must be more clinical in the attacking third of the pitch and show the sharpness and ruthlessness required in front of goal when the opportunities arise.

In the past week, Leandro Parrella our Italian Import has decided to seek pastures new and has officially signed for NPL2 side Werribee. This came as a surprise to the president and coaching staff as discussions were held without our knowledge nor permission. Although we are disappointed losing Leandro, we shall move forward regardless and continue to strengthen the playing group when the right players present themselves.

One final point I would like to address is discipline. Particularly to the match officials during games. I am the first to admit my frustrations have got the better of me at times and I take full accountability for my indiscretions, however, the playing group has also been addressed over the past week with regards to the lack of discipline shown during games. Not only to match officials, but also to our opponents, back chatting the coaching staff and our own team mates. This must stop immediately as we seen last week against Beaumaris, we were without 3 players because of suspension. As a small playing roster, we cannot afford to have players missing games due to disciplinary issues.

Let's take our chances today and claim the 3 points at home. Our supporters deserve to see their team win 3 points at home

Craig Lewis
