A Message From The President

Today I'd like to welcome Old Scotch Football Club to Centenary Park and wish them an enjoyable day. I know they will be tough opposition once again after 2 very tight and close encounters last year.

After a great result and our local rivals The Pines, we now have back to back wins and looking to extend that to 3 after today. I know personally the boys are up for it and want nothing more than to go on a run of wins to get us quickly back up the table. Off the park, things are running along smoothly but once again we could always do with a little bit of help around the traps. We are always looking for help with the following:

Ground staff/marshalling

Admission staff

Bar staff

And general all-round help

It is also great to see young James McCarron break into the first team squad recently. His consistency at reserve level and of course recent goals has got him a deserved opportunity and no doubt will be knocking on the door for a first team start.

I would also like to mention how lucky our new signing Emmanuel Brima and his family is. Whilst pulling out their driveway last Saturday heading to the game, their car driven by his mum was t-boned by another car. Luckily all were ok with a few minor scratches and bruises.

Our players function was a success and great to see the women's team and men's team interacting with each other and getting to know one another better. Some people just have to remember to not share their messenger passwords. Isn't that right Danny!!

Social Members are still available and can be sorted at the bar on game days or see either myself or Bianca. A special mention to Bianca, if it wasn't for her and the help she gives me. I would be lost so a big thank you for your help not only as treasurer but also everything else you do.

We have also booked our Hypnotist night with The Bizarre Gazzard on August 26th. This will be an amazing night and hope to see all members there experiencing the amazing live show of Hypnosis. It will be something special. Tickets are available at the club.

Good luck to all the Strikers over the weekend and lets pick up maximum points today Let's have a win today lads

LADIES ROUNDUP

The girls have had an eye opening introduction to the 3rd Division, losing both games so far this season. We have regrouped and I have no doubt the guys will adjust to the change in pace and intensity and will be super competitive very soon.

The squad has settled with 18 players in the group and a great mix of experience and youth, four of the squad are still eligible to play U16's.

We have struggled between the stick's with regular keeper Molly Newman being unwell and unable to take the field as yet, but taking one for the team are Caz Askew and Tegan Horvat who have put there hand's up to cover for Molly till she gets better.

This week we play Dandenong City away at Frank Holohan Soccer Complex at 1pm, come down and cheer the team on if you can.

CLUB ROUND UP

Metropolitan League 5 team report

Well the season has started and our first game against Manningham Blue was a tuff one for us to start with, Manningham sat at the top of the ladder last season until the last 5 games where they fell to 5, so we knew it would be a hard game with the Metro 5 side having 5 new boys come in to the side, they beat us at home first game of the season last year 6-1 and again they beat us 5-0 tuff start,

2nd game against Ashburton who came down from 3rd Division we were unsure of what to expect, I worked the boys hard on Thursday night and made sure that they were ready, for a hard game and that Ashburton were going to know that when you come to Peninsula Striker's ground you are going to have a game fought hard but fair.

The 1st 15minutes we went with the strongest side we could put on the ground from who was available and who was fit, and within 10min we were 3-0 up we scored in the 5th, 8th, 10th minute of the game. Again the whole side had input and Josh Vega finished.

With this I made changes to the line-up and the structure and we went close to scoring but did not take our changes to put the ball into the back of the net.

2nd half I started again with the starting line-up and we scored in the 57th, 64th, 74th, 84th, minute of the game, after the 64th minute of the game I again made changes and we score twice more,

Josh Vega scored twice more and Max Strangis and Tyson Ford score one each give us a 7-0 score line, we also work hard in defence making sure we kept a clean sheet,

Our goal keeper for only his 2nd game of football did extremely well thanks again Nathan Spreadborough, also, to the new boy, thanks for joining Peninsula Striker and I hope you enjoy your time with Metro 5 we make all welcome in to the metro side.

Our team for 2017 with maybe 3 more joining still waiting news from these boys

Marcelo Moraga, Victor Galvez, Calvin Head, Scott McKinney, Michael Hombsch, Shane Currie, Callum Reid, Nathan Spreadborough, Druian Woodward, Lachlan Lee, Aaron Vega, Josh Vega, Callum Walker, Tyson Ford, Javier Moraga, Max Stangis, Zac Sargent.

A Word From The Coach

Strikers back to winning ways.

The past two weeks have seen us return to winning ways after a unacceptable start to the season.

The group came together prior to the Seaford game to reassess where we were at as a group and to address our shortcomings of the season to date. The details of the group session will remain within the dressing room, however I am very pleased with the outcomes and actions which followed.

The past two weeks were very important for a number of reasons. Both games against Seaford and Pines were derby games and we needed to lay down a marker against our local rivals. 6 points to show and two clean sheets were just reward for our performances and determination as a group to turn our season around.

As the season continues, we can see the team gelling, individual and collective improvement from the group and a rise in the level of competitiveness for positions within the match day squad. We must maintain our strive for excellence and our overall objectives for the season.

As a coaching team we are always looking to strengthen the playing roster and at the time of print we are in deep discussion and negotiations with hopefully your newest recruit in Sam Scott. Sam is a very talented footballer and will bring to the club vast experience and strong technical ability. I am certain Sam will prove to be a huge coup for the club and an asset to help us achieve our goals as a club .

Today we welcome Old Scotch to Centenary Park. Old Scotch have had an unfamiliar start to their season having dropped points early on. Today's game will be no different to previous matches against Old Scotch and we must remain focused on the task at hand to come away with another 3 points. I hope you enjoy today's game.

On behalf of the coaching team, I would like to thank our committee, club members, sponsors, and supporters for their ongoing support and determination to help us take the club back to the top where we belong.

Craig Lewis
