## A Message From The President

Today I'd like to welcome Seaford United Soccer Club to Centenary Park and wish them an enjoyable day. Today marks the return leg of the Stevie Taylor Cup. We certainly owe Seaford from last year so I know the boys will be up for it today. After a great fight back last week against the top of the ladder Doveton, our seniors showed some much needed fight to come back from 2 Nil down and get a point. It was also great to see the reserve lads have a win and to finally score some much needed goals. Well done lads!!!!

I would also like to mention the appointment of Willy Raynes to our coaching panel. Willy will step in as senior coach for the remainder of the season and with Billy, Winker and John Watson as his assistants, I wish them all the best.

Today it's all about the ladies and the ladies day function from 1-3pm. It's great to see the ladies recognised as sometimes we forget to show our gratitude so have a great day and party long into the night.

Tonight we also have the Reverse raffle so there should be plenty going on at the club tonight.

I would like to thank Tom Hawkins for his efforts in organising this event. His efforts around the club may go unnoticed to most but not me. Thanks mate, it's greatly appreciated.

I think there may be a few tickets left so get in fast if you want a chance to win a share of the \$3000 draw.

We also have tickets on sale for the Hypnotist Night with the Bizarre Gazzard – August 26<sup>th</sup>

All tickets can be purchased from either Bianca or myself. Tickets are \$40 each and if you haven't seen the show or participated in the show, get along to a great night.

Social Members are still available and can be sorted at the bar on game days or see either myself or Bianca throughout game days or Tuesday, Thursday night training sessions.

Good luck to all the Strikers teams over the weekend and let's pick up maximum points today. Let's have a win today lads!!!!

## A CHAT WITH WILLIE

I have very fond memories during my time as a player here and now find myself back here 15 years later as senior coach, I hope my coaching days are as happy as when I played here.

My first game in charge last week at Doveton was a game of two halves, they were on top first half and we were on top for much of the 2nd half. Aziz bayeh scored twice with great strikes to earn us a point but I felt with a little composure we could of won the game late on.

We welcome Seaford today a club I also coached many years ago.

Today's game is played for the Steve Taylor memorial trophy who was dear to both clubs and gave many years loyal service, he was physio in my time as a player at strikers and had a great sense of humor and was always smiling. We welcome all supporters to today's game and especially Steves family.

Enjoy the game.  
Willie Raynes.

## STEVE TAYLOR

Steve Taylor was a man who became synonymous with the local clubs over a number of decades. Arriving from Newcastle in the UK in the mid 1970's he sought a team to have a kick with. This took him to the then British based Chelsea Soccer Club. Soon after, he moved his playing stocks to Seaford where he soon took over the senior coach role (with Harry Hamill), becoming Seaford's first coach in the FFV, beginning a life long affinity with the club. This set the ground work for a rise up the FFV league ranks. A number of years later a phone call from Tony Hall saw a stint at the then Skye Rovers/Frankston United, saving the club from relegation. Thereby creating another strong connection with another local club. From coaching, Steve then developed into a renowned club physio (mind you he still never lost the ability to give you a piece of timely advice).

Stints back at Seaford, in his physio role, saw a League/Cup double in 1989 and numerous promotions under Terry Hargreaves. As a coaching mentor for Glyn Gough the Reserves won the league in 1991. A move back to Strikers working as a physio under coach Russell Black saw League Championship success. His reputation to get the very best of his players (physically and mentally) saw a move to Casey Comets with Dale White and Andy McKenna and more success. Steve also had an impact for Frankston Pines as their game day physio when they lifted the State League Cup in 1991. Despite the club success it was Steve's role as a mentor, motivator, coach and most importantly was a friend, that was his lasting impact. Steve was also involved in a number of State Junior squads over the years under the then State Coach (former FFV President) Tony Dunkerley. Ask anyone from the Peninsula football family who was involved from the 1980's through to the 2000's, and it will be Stevie Taylor that is the common theme. His impact was way beyond the parameters of just football. A man the football family will eternally miss.
