## A Message From The President

Today we welcome local rivals Doveton Soccer Club to Centenary Park and wish them and their supporters a great day.

What has been a tough season on the field; we come into today on the back of two great wins against Mooroolbark and North Caulfield last Sunday. As I see it, we have 4 cup finals to play and it is now in our own hands whether we can create the great escape and survive staying in state 2 football next season.

If you had of asked me 7 weeks ago, how we were going to end up, I think you would of got a pretty different answer to now.

Bringing Jamie Skelly back to the club has been nothing sort of a god send. His unfortunate departure for him from Casey became the luck of fortune we so desperately needed. They say if you keep trying, your luck will eventually change and this was a case of that. We were lucky enough to get Jamie back and he brought some players with him from other clubs which was much needed after the season we were having.

Today we also welcome our very supportive sponsors and past players to the club. I hope you all have an enjoyable day socialising and watching some good football. I know the boys are keen to go 3 in a row so let's get behind them.

Our Presentation night has been booked for September 22nd and will be held our home ground so please contact myself for tickets. The tickets are \$40 each or 2 for \$65 so bring your partners for what will be a great night of entertainment.

Trevor

*The next club function will be Saturday 25th August the theme of the function is a 70's fancy dress party/disco. Entry will be free and the best dressed will win a prize.*

## COACHES NOTES

Coming in at round 12 on the bottom of the table is never ideal, but it was a challenge we were happy to take on. Fast forward 6 weeks, and we now find ourselves off the bottom of the table for the first time in 12 weeks, and with safety in our own hands. Whilst there has obviously been a massive turnover in player personnel, the response of the players already at the club has pleased me the most. I was able to come in with no preconceptions on these players, and their performances and effort over the past 6 weeks has been fantastic. The players that were brought to the club were all picked as I knew that they would be able to play a part in giving the club the best chance of staying up.

Whilst we have achieved a lot in 6 weeks, we all know the huge effort it will take over the next 4 games to achieve our objective. There have been hiccups along the way, and I'm sure there will be plenty of twists and turns still to come, but what I can promise is that we all will be doing our utmost to keep the club in state 2 for 2019.

Jamie Skelly
