PROVISIONAL LEAGUE — DIVISION TWO

OFFICIAL PROGRAMME

The old saying of 'never look a gift horse in the mouth' could apply to our luxury of having three home fixtures in our campaign for major honours in season 1990.

Last week University had to reverse their fixture with us and now this week KEW EAGLES are our visitors, next week we play ASCOT ST MARKS whom we beat 3-1 a few weeks ago in a friendly.

KEW'S promotion to Div II brings back memories of our initial start in Div IV when we last played the club.

With cricket coming to the end of its season we gain back STUART DOOLAN firsts and LAURENCE HALL to the reserves, SIMON PARROTT will also be available soon for the first's. Young STEVEN GRIMMETT a signing from FERNTREE GULLY will also be available soon after sustaining a foot injury at school.

Soccer they say is an international game and at FRANKSTON its no exception players signed for the club this season were born in Australia, England, Holland, Ireland, Italy, Scotland, South Africa and Wales.

PLAYER PROFILE

COLIN MITCHELL

Just one of our Scot representatives is Colin who joined us from KARINGAL this season, a valuable acquisition as both a player and respected coach: Colin arrived with his family in 1968 in Australia and played for the now defunct club CHADSTONE.

The family moved into the Frankston area and Colin joined PENINSULA the local junior club. FRANKSTON PINES was his next club and at fifteen he was playing in the first XI. A trip back to Scotland found him training with the famous RANGERS club and playing for ROYSTON BOYS CLUB.

On arriving back he joined PINES then played State League for SLAVIA, two years later he was back at PINES for a short while then he joined FRANKSTON CITY. WHEN they became defunct he joined MORNINGTON. LANGWARRIN offered him a coaching position which he took for two years. KARINGAL then saw his potential and he coached them prior to joining us this year. Colin is married to Elaine with two future soccer players Scott and Craig.
