PROVISIONAL LEAGUE — DIVISION ONE

OFFICIAL PROGRAMME

FRANKSTON GOSSIP

Disgraceful is perhaps the politest word one could use to describe the First team's performance last Saturday at LALOR. Poor defensive work and a sloppy tackle resulted in the referee pointing at the penalty spot. LALOR said thanks and made no mistake. The referee was to make some pretty brave decisions throughout the game, all of which were just and indeed the ref had an excellent game.

In the course of the first half two LALOR players were sent off. Not content, a third player also joined them off the field in the second half. We were left with 11 v 8, a slope and a wind in our favour, yet we lost. Just what happened? At no time did we come to grips with the pitch, yet in saying this the Reserves had fought out a 1 - 1 draw; on the day a good result. The First XI players failed to raise the level of their game, and we only looked slightly dangerous when DARREN LEE got on the pitch. Our defence playing against one attacker were always vulnerable to his speed and they could have added a second.

The report on the players performance could be very scathing, lack of effort, commitment, courage, and indeed the question "Did they really want to win?" Unfortunately, at the present time most of the Reserve side are just Reserve players. However they show more heart than most of the First XI. We talked of being constructive rather than critical in the last programme, however on last Saturday's performance perhaps we should consider throwing some of the youngsters into the First team, they will do no worse, perhaps no better, but at least they will be trying. Such is life.

A warm welcome to goalkeeper TONY BOUNDY who has joined us from KARINGAL.

PLAYER PROFILE

RAY KREN

A valuable capture for the club this season has been mid-fielder RAY KREN. Equally comfortable in any of the mid-field positions, he has added that "bit of bite" needed to any side. RAY is a product of local junior soccer starting at PENINSULA as an Under 9 in 1977. There followed seasons at KARINGAL and SEAFORD then KARINGAL again, before playing a season at CRANBOURNE under coach KURT SCHROEDER the ex-FRANKSTON CITY player. It was back to, yes!, KARINGAL again where he not only played but coached junior sides. RAY has represented VICTORIA on four occasions at junior level, but the highlight of his career to date is playing in a curtain raiser for a NATIONAL LEAGUE game at HELLAS' ground, Middle Park, in front of five thousand fans. Already in his time at our club he has shown ability, vision, strength and confidence; all the ingredients towards being a successful player.
