## GIVE IT THE CHOP

### President's Blurb

Welcome to round 7 of the 2014 season - **Peninsula Strikers Vs Beaumaris SC.**

We welcome all players, members, friends and families including those visiting players committee and spectators of Beaumaris FC. I sincerely hope you all have an enjoyable afternoon with us.

Last season against Beaumaris resulted in a 1all draw at Beaumaris and a 3-2 win to Peninsula Strikers. Given both encounters were very close I'm sure we will see another close game this afternoon.

Last week although our young enthusiastic reserves were defeated by an experienced Caulfield side, I was again impressed at the quality of football displayed by our players. Our Reserve players are our long term future and vision of the club and will take time to develop. We have many good quality young players being developed by our reserve coaches Billy Rae and Paul Williams. Some of those starting off in our reserves squad at the moment are 15yr olds James Woodland and Daniel Gregson. Liam Stuckenschmidt enters his 2<sup>nd</sup> season in the reserves and scored an impressive goal from range last week after seeing the Caulfield keeper off his line from the midfield. Many other players continue to develop and show much promise for the future young backs Andrew Bayliss White and Jack Carter midfielders Johnny Nagassi along with promising forwards Daniel Swanbough and young Cameron Teiermanis keep developing your game and skills boys, I'm sure in years to come your efforts will be rewarded. **Good luck to all our reserve players and coaches today.**

**50 Reserve Games Today:** Congratulations to Andrew Bayliss White our Reserves Captain who today plays his 50<sup>th</sup> game for the reserves. **Well Done** Andrew Bayliss White for your commitment to the club we hope to have you around for many years to come.

Thank you to our club statistician Mr Laurence Hall who alerts me to all important information such as this, keep up your great work Laurence.

**Senior Team:** It was exciting to see our Senior Team break their voodoo last week defeating Caulfield 2-1. It's a great way to stop the critics in front of your home crowd after the previous weeks result. Onwards and upwards from here lads, let's make it 2 in a row today.

**I would like to congratulate the appointment of Ray Vaughan** as the clubs Assistant Senior Team coach. Ray, 1 game in the job for 1 win oh what a feeling, keep it up mate and officially welcome.

Ray came to us earlier this season and has shown his dedication enthusiasm and commitment since arriving at the club.

I approached Ray to join us after finding out he had left Seaford as their Technical Football Director. Ray, while already commencing a coaching role of a reserves team elsewhere, had no hesitation after hearing the clubs long term plans and directions for the club. I personally believe Ray has much to offer our club in many areas and I'm positive Ray will be a great asset to our club.

**Well done to young Brad Jackson on making his 1<sup>st</sup> team debut** last week. **Congratulation Brad.**

Also special mention to young upcoming 17yr old Jordan Avraham ("Cakas") on his first ever goal for Peninsula Strikers Seniors in a league game, and a winning goal at that last week, what a difference a week makes hey Cakas.

I wish Dave and Ray and the entire team "Good Luck" today and let's make it two (2) in a row.

**Our Ladies Team:** Well done to John Goodchild coach of our Senior Ladies team who along with his terrific team of ladies assisted and supported by some of our junior girls defeated Mornington 4-1 fantastic effort ladies with you also silencing your critics after your loss at Warragul the previous week.

Tomorrow the girls are away to Springvale White Eagles at 3pm.

**Metro5 – To Our Metro 5** coached once again this season by Dave McKinney are finding life more competitive in this competition with two wins and a loss from their first 3 games. Keep up the good work Dave along with your good group of lads I know you will make a good account of yourselves. Tomorrow our Metro 5 team have a bye.

**U35 Bayside:** - Our U35s also coached by Dave McKinney have had 2 wins and a loss as these lads get to know each other better and how they play will also show a good account of themselves keep up the good work lads and enjoy your football.

Tomorrow the Bayside U35s play Montrose at 1pm.

**Veterans Team:** Once again our Veterans have hit the ground running and sit top of the ladder come down and support the boys and enjoy the continued goal feast and spectacle as they strive to make it 4 league championships in a row.

Tomorrow the boys play **Seaford Vets at Seaford, kick off at 1pm good luck**

**Club Dance – all welcome Saturday 14<sup>th</sup> June here at the club. Tickets \$10 per head and be entertained by MADCAP, starts @ 7:30 till late come down and enjoy the night.**

## **THE COACHES CALL**

On Sunday 11<sup>th</sup> of May (Mother's Day) our **Metro Div 5** team played a very strong St Kilda team at The Knox Regional 5 a Side Centre. Despite our valiant efforts, we lost the contest 2-0. We only had 1 sub on the bench, which made for tired legs towards the end of a very fast and physical game.

It was Callum Walker's first game back this year after he dislocated his shoulder during the pre-season. Great to have you back Callum & well done on a good game. We had 2 boys from our Bayside team George Katergaris and keeper Jordan Plunkett step in to help us this round, as 4 of our lads were absent. Kyle being away in New Zealand, Zac still on suspension and Druian and Mick out injured. George used his pace to get around a very tight forward unit and Jordan pulled off some spectacular saves. Well done guys & thanks. It looked like Craig had a sustained ankle sprain in the first half, but he rallied and came back on at the start of the second half and played a superb Captain's game, directing the lads around the park and playing some decisive balls. Our defence was strong and held off a determined St Kilda strike force. Lewis, Eddie & Gerard ran hard to the point of exhaustion and Kevin man marked well and cleared the ball several times at vital stages. Matt had a best on ground performance this round and stood his ground well after many physical tackles were laid on him. I'm sure he's black and blue today! Aaron was brilliant in his sweeping role and used his body well to push the ball forward. Scott and Josh had a hard day against a defensive unit that was cohesive and strong. Their tenacity in keeping possession and pushing for a goal is to be commended.

The pitch at Knox is artificial turf, which took us a little while to adjust to. The ball doesn't roll the way you expect and it is harder to get traction when we trap the ball. When we have our return match at home, it will be St Kilda's turn to have to adjust to our grass pitch & our style of play.

The St Kilda team was full of Irish boys and it was quite funny listening to them talking to each other. It sounded like my father was shouting out all the instructions (him being a little Irish man himself)...They were a decent team who were very experienced and the referee told me that most of their lads play in the State 4<sup>th</sup> Division league. The physicality of the game saw one of their players sustaining a broken ankle and he was taken to hospital in an ambulance.

We wish him a speedy recovery. The ref was very impressed with how we took it up to the mostly over 25 year old men & told us we were very stiff to concede the 2 goals of the game in the final 3 minutes of play!!

Thanks to Eddie's brother Milton for running the line for us & thanks also to Kevin's mum Linda for washing the strip and bringing oranges for the lads. It is much appreciated. Next week we have a bye and then we have Old Trinian Grammarians away the week after.

There was no Bayside game this week for Peninsula, as we had a bye. These lads will play Montrose this coming Sunday, away. Good luck lads.

David McKinney.

Metro Div 5 & Bayside Div 2 coach

#### RESERVES

Last home game against joint leaders North Caulfield, the lads anticipated a tough fixture against a team who expect to challenge for the title this season.

However, in the early encounters it was the opposition coach who was nervous as Strikers created the early opportunities on the counter attack.

Caulfield drew first blood with a wonder striker (early contender for goal of the season) and momentum as they took a 3-0 lead at half time.

Strikers certainly responded after the break with a committed second half performance and goals from Liam Stuckenschmidt and Jack Carter, we felt a result was possibly on the cards.

Final result, 5-2 to North Caulfield - a mature and well drilled side.

It continues to astound me the average age of the reserve squad is only 17/18 and the performances they are displaying - experience and maturity beyond their years.

Talking of experience - I am pleased to inform you Captain Andrew Bayliss-White will today make his 50th appearance for the club.
