President's Blurb

Welcome to Round 4 of the 2014 season - Peninsula Strikers Vs Heatherton.

We welcome all players, members, friends and families including those visiting; players committee and spectators of Heatherton United FC. I sincerely hope you all have an enjoyable afternoon with us.

Seniors – In the last 2 games we have played both Mooroolbark & Frankston Pines. In both games our boys have played well seeing a more attacking brand of football without receiving the results that I believe we should have, losing 3-1 along with a 3-3 all draw respectively. Unfortunately our committee, coaches and players scratch our heads just how unlucky we have been not to get maximum points in all three (3) games, but that's football. Each week our players go out to play the best they can, for our club, themselves and for their coaches and will continue to do so. I'd like to make mention of a young man who was identified as a senior team prospect by our coaching staff some 3 years ago, Labuan Stringer. Labuan has shown that with the will to succeed, sheer persistence you can eventually achieve your goals, if you really want to play senior football bad enough. Well done Labuan.

As a team we have played some impressive football without much success, I'm positive that success is just around the corner. We have much faith in our players. If all players can commit 110% to the cause and each other, play 95 minutes of football, I'm sure we will see a different result today.

To Dave, Jimmy and our entire senior team, I wish you all the very best of luck today, it's now about how bad you want a result.

Reserves:- Our Reserves continue to develop under the guidance of Billy Rae and Paul Williams. Week to week we see many good young prospects developing from our junior ranks. These lads are the future of our club, part of our long-term vision with many putting pressure on our senior players for a permanent spot in the seniors. There was no better display a fortnight ago Vs Pines, when Mathew the (Hammer) Hamer turned out a Brilliant display of football scoring 4 goals, which also saw him rewarded for his efforts, being elevated to the bench of the seniors. Mid-way through the 2nd half our coaching staff rewarded Hammer for his efforts and within 30sec of being on the park, he scored once again sending the crowd off. A fantastic day for the club seeing this, up & coming young man score 5 goals in about 60 minutes of football. Well done "Hammer" I hope you continue this form in your journey with the club.

Metro5 – Our Metro 5 kick off their season this Sunday @ Centenary Park Vs North Caulfield. After winning being promoted in their first year last season, I wish Dave McKinney and his group of young enthusiastic men all the best for the season. This team was added to our club at the beginning of last season to further develop and create a future pathway for our juniors to continue to play senior football, also to accommodate players for our Saturday teams whom may not be selected or play. Furthermore one of the most important things is to have, and keep these young men playing a game they love and enjoy whilst forming a bond of mateship in the process. Once again most of these lads have come through our junior ranks and have been coach by Dave McKinney since most of them where in the U14s including his two boys. I must sincerely thank Dave McKinney & his wife Kim for her support. Dave not only coach's this team this season he is also coaching our Bayside U35s while taking on a position on our club committee. Dave I thank you on behalf of the club our committee and members. I'm sure many could take a leaf out of your book with your commitment and support to the club, Well Done & Thank you.

Our Ladies Team: Our ladies will kick off their season this Sunday at Centenary Park Vs Baxter @ 11am, coached this season by John Goodchild with young Jayde Moore being his assistant/ trainee coach. I thank John for returning to coach our seniors after many years coaching our Junior Girls. I also thank Jayde Moore who has committed herself to @ first coaching this team and now committed to being John's assistant this season, well done to you both, and the very best of luck for the season to yourselves and your players. Once again our vision of a junior pathway for our junior girls continues to grow and gain momentum. Supported by one of our committed veteran players Peter Ascott who will this season coach the U14 girls. Well done to you Peter.

U35 Bayside:- Our U35s as highlighted earlier will be coached by Dave McKinney with myself trying to assist when Dave isn't available due to his Metro 5 commitments. This team was originally placed in Bayside Div 1 and have now been placed in Div 2. Once again this team is a further pathway for those who cannot be accommodated in either the Reserves, Metro 5 and who can continue to play within the Bayside League. Players will be placed in this team as they wait in the wings for a position should they desire to the Reserves team. Some players have opted to play within this team due to University commitments who may only be able to training one day a week. Players who desire to continue training with the reserves and stay under the microscope can do so while keeping their touch playing in this team. This Sunday the boys head off to Baxter and play @ 11am. Good Luck to you lads and keep the faith.

Veterans Team: Our Veterans play this Sunday @ 1pm Centenary Park Vs Chelsea.

This group of highly skilled Veterans have hit the ground running once again this season, as they chase their 4th consecutive league title. Our boys have won both games since the season commenced. Defeating Montrose Legends 2-1 & Boronia 10 nil. Great start lads good luck for the rest of the season and well done.

So come down and get behind the boy's at 1pm on Sunday at home.

Winter Dance:- This year will be held on Saturday 14 JUNE. Tickets are available @ \$10 per head our DJ for the night will be "MAD CAP" oh what a night it will be. Tickets available now don't miss a great night out.

THE COACHES CALL

Bayside Div 2

Played their first game on 13 3 14 against Westernport at Westernport

Unfortunately we could only get 10 players on the field, it started well with the team scoring first with a nice ball to Anders putting him one on one with their keeper and putting the ball nicely into the net after 10 mins.

Westernport then starting knocking the ball around and scored 8 by the end of the game.

Sound bad 8-1, but the boys were still pushing for goals themselves, which left us exposed, but if we had your shooting boots on, we should have had 5-6 goals extra. (We are not going to park the Bus)

It was our first game and Westernport's 2nd also winning their first game at home so they were comfortable, it won't be when they come to us at our home ground.

The game was also played in a good sprit and the better team won on the day.

We are still awaiting on the rest of the fixture to be released at this time we don't know where or who we are playing next
