GIVE IT THE CHOP

President's Blurp

Welcome to Round 17 of the 2016 season - Peninsula Strikers Vs North Caulfield.

We welcome all players, members, friends and families including those visiting players committee and spectators of North Caulfield FC. I sincerely hope you all have an enjoyable afternoon with us.

Like many clubs as we look to our future, our senior coaching staff have been bleeding some young players both from the reserve's to our seniors also our junior U16s to our reserves. I must say that while many are young and still learning, none look out of place. This gives our coaching staff and myself great confidence that our club will continue to grow and improve, in the years to come. This along, with our club improvements and infrastructure I'm very excited about the direction we are heading. Our 2 new female change rooms should be complete by the end of August, sorry about the coloured brick work, I'm sure after 40 years we're just happy to have the new rooms. As many of you would be aware once these rooms are completed the full club refurbishment will commence and hopefully finished just prior to Christmas.

As many may remember, just prior to the Federal Election I was given an election promise of 410K for improving woman's football within the club from the now local member for Liberal Chris Crewther, if elected. After enquiring about these funds I've been informed that council will officially ask for the funds which should be available to the club, from July 17. Our club AGM will look at the possibility of appointing a person/persons to take and look at suggestions of what further improvements members and players feel is the most important items for the ongoing future of the club.

As many of you may have seen on Facebook or the club website, young Callum Goulding, who played at our juniors and a few games of senior football at 14, has just been selected for the U19 Socceroo's. camp After his short stint in the seniors, Callum went onto the NTC and has now been playing for the Melbourne Victory youth squad for the past two (2) years. Once again, I would like to congratulate Callum on this wonderful and exciting selection. Well done Callum.

Onto today's encounter, which will be a tough one, one our seniors would like to win in front of their home supporters.

It's a first for our club today, a big day having our ladies, veterans, seniors and reserves all playing at home. Ladies team at 11am, Its 1st Harrisfield Hurricane vs our girls in 2nd position, who have done, and doing themselves and the club proud. If they can keep their current position it will see our ladies promotion to State 3, keep up the good work ladies, this is definitely achievable and within your reach. We wish them good luck for the rest of the season.

At 1pm we see our Veterans on the main pitch and our reserves on pitch 2. Our veterans play the 3rd round of the cup vs Seaford. While this is an important game with our vets winning 4 out of 5 Cups to date they will hopefully make it 5 out of 6 this year. In the League, our vets are 2nd only on goal difference to Montrose, we wish them good luck for the rest of the season also.

Reserves: *Well done* to our Resies on their draw with Doveton last week.

Ladies day / lunch – due to the Noble Park game a couple of weeks being postponed due to the state of our ground the ladies has been moved to the catch up fixture on the 27th August. I encourage all ladies to place their name on the sheet in the club foyer. Cost will be \$10 per head so come and enjoy yourselves girls, last year was a fantastic day, don't miss this one.

Casino Night – planned for the 6th August has been cancelled – Unfortunately the company ended up not being available on this date, along with the club refurbishment restricting available dates and having a very small group on the committee, it's made reprogramming of this event not possible.

Maybe the club needs a dedicated social committee to run our proposed events for the season.

CONGRATULATIONS CALLUM GOULDING

Peninsula Strikers FC would like to extend our congratulation to Callum Goulding on being selected for U19 Socceroo's training camp.

Callum played for the Peninsula Strikers Juniors and also played in the Seniors at just 14. Callum we wish you continued success in the years to come.

Woman's Team

Today's game is against Harrisfield Hurricanes. They are sitting undefeated on top of the ladder while we are in second 4 points in front of third. This is the biggest game of the year for the girls and although we have a big squad, we aren't at our strongest with several girls out with injury and suspension, but as usual we are up for the challenge.

Up until last week we have been producing some good wins. Last week's loss to Mentone dropped us back into the fight with two other teams for second position and promotion. Every game for us now is a grand final. It's great to have the 1st and reserves playing after us today, we all train together through the week and because of work commitments most of the girls haven't seen the guys play. What an exciting day for the whole club.

Regards

Marty

Frankston Open Mic's 1st Birthday This Friday Night

There is **no cover charge** for the Frankston Open Mic night, held here at the Peninsula Strikers clubrooms on alternate Fridays. Don't miss this Friday night for our (1st) first birthday milestone. Since its inaugural night on the 14th August last year there has been a steady stream of performers filling the whiteboard and playing to a very appreciative audience. There is a core of regulars but there's always room for more.

There is **no cover charge** and the club offers a full backline, free pool, darts, Friday night football in the background, a licenced bar you will find our club prices better than your local pub with ample parking. Doors open at 7.15 with the first act at 8pm with performances going through until 11.30.

Bring your friends and maybe some food along to sit and listen to a wide variety of musical styles.

The nights offer the perfect opportunity to network with local musicians, listen to other performer's interpretation, try new material and perhaps experiment with something completely different. Recite some poetry, tell some jokes, the possibilities are endless. Or just come along and listen, we know you will enjoy it, see you there.

There will be cake.
