Our Opponents

A warm welcome to our visitors today the officials, players and supporters of the Bayside Argonauts FC. Having been promoted to our league this season they have certainly settled in well as both their teams are featured near the top of both the first and reserve leagues. So we can expect to watch two very competitive games today.

Our Season

The half way mark is nearly with us for the 2024 season.

Today's game and the next fixture see us play two of the top teams in our league ,after these two matches there is catch up Saturday which in our clubs case means a week of relaxation for both our committee and of course our players.

As you are possibly aware in the first half of the season we have played more home fixtures than away, it will be a case of you keeping your match day programme to check our future home match, and by the way thank you all for your support to date, it means a lot to all connected with Peninsula Strikers.

Every week you see us play in competitive matches, the standard of soccer seems to rise every season. Clubs demoted or promoted have a case to prove, last season's teams relegated from State League 1 will be doing their best to get back to the higher division whilst clubs that have come up want to prove that they are a club good enough to play in a higher division.

Our first team coach Scott Morrison and our reserve coach Paul Nott together with their back up crews have produced two very good teams for you to watch, so as we go into the second half of the season our minds stretch to seasons end and the hope that promotion could be a hope.

Once again thank you all for your continued support.

The members, players & supporters of Peninsula Strikers were saddened to hear of the passing of Steve Darville's sister, Jeanette after her long fight & battle with Cancer.

All our thoughts are with her husband Hans, Steve & their families at this difficult & sad time.

A minute silence was held in respect for Jeanette at our last home game.

Steve would like to thank the club from all his family for the minutes silence and the arm bands worn by the players and the respect they showed.

Peninsula Strikers Junior FC

Peninsula Strikers Junior FC is in an exciting period of regeneration

Peninsula Strikers JFC is one of the largest standalone junior soccer clubs in the region. Whilst we enjoy a friendly relationship with the senior club of the same name, this independence allows us to make decisions in the best interests of kids and families. Where some other clubs rely on their junior program to help fund their senior teams, we have the luxury of being able to keep fees competitive.

Following the arrival of a brand new committee of eight x junior parents in 2023, the club is rebounding from the lockdown years to be a vibrant community club once again. We cater for kids of all ages and abilities. Refer to the [Miniroos](#) and [Junior](#) pages for more details on the different formats.

The new committee has refreshed its core values to align with young families in 2023/24. We are an inclusive club that prioritises communication, involvement and respect for all, and believes in the power of community sport to allow kids to grow in confidence; on and off the pitch. In 2023, a number of new initiatives were launched to help build a real sense of community within our fantastic facilities at Ballam Park. In 2024, in the wake of an amazing Women's World Cup, we are looking forward an an even bigger year!

Metro South East 9

Into our second season with our “3rds” Men’s Metro side, this team is built from a core group of boys transitioning across from our junior club with many players playing with only the junior and now senior club – some coming all the way through from U5/6s.

As the majority of this team has played together throughout junior age groups, we have an every age of boys on the pitch of 18 ½ years old. They all enjoy the social advantages that our team provides and play flat out for each other every weekend.

Last year in 2023, being our first year of our boys playing against men, was a huge learning experience for them and the team did very well to finish mid table after finding their feet. This year, we have been placed within a large league of 14 teams covering all of eastern and southern Melbourne.

We have had a few players step up to reserve teams around the region with our blessing and have welcomed some new players to football.

For our first 6 rounds, we are 3 wins and 3 losses and sit equal with the mid table clubs with a couple of very good performances against Swinburne and Yarra Jets in recent weeks.

While we haven’t been able to put our strongest squad on the pitch on a weekend as yet due to injuries, absences or illnesses, we are very competitive in every match and credit to the boys who try to play football the right way every time they take pitch.

We have a couple of spots available in the squad for any new players (who have played previously) who are looking for a game every Sunday with a great bunch of lads. Anyone interested, please come and see me at the club.

Looking forward to an enjoyable and competitive season and continued development into the lads as they transition into senior football.
