President's Welcome

Welcome everyone to Centenary Park as the boys strive to continue their unbeaten start to the season.

Firstly the Club would like to wish Frank Thompson a speedy recovery from his broken leg. Frank had a fall last week during the game, hope to see you back at the Club soon.

Many of you have been asking about our grandstand renovations. We have spoken to Council in the past week and the contract for works has now been finalised and we should see some activity in the next few weeks. All going well stage 1 should be complete before the end of the season.

It's been great to see so many supporters at our games so far this year, the players and coaches have really appreciated the support.

As a Club we continue to improve in everything we do both on and off the pitch, this is due to our small group of volunteers our Sponsors and of course our coaching staff and players. We extend an invitation to any of you that would like to get involved either financially or as a volunteer to reach out, it really is a great club to be part of.

Enjoy the day an up the Strikers.

Adrian Scialpi (Peninsula Strikers President)

Thankyou

A massive thank you to Cooper Andrews partner Emily, Andrew Goff's partner Nicola and his mum, and to Clayton for helping Frank last week when he had a fall. You made the ordeal much easier for all. Also thanks to the Berwick City supporters who offered support and most importantly to the Ambulance Crew. Frank has broken his leg, so will be out of action for a while but I'm sure will follow the results of the Firsts and Reserves while he recovers.

Billy Rae—The Future

If anybody wishes to look at the future of our club player wise then look no further than young BILLY RAE.

Billy started his soccer playing career as a junior at the Langwarrin SC. He played in a team coached by our own Laurence Hall. The age group he played in bore no resemblance to his age as he was far younger than the rest of the side, nevertheless he was a standout player in the team and watching him play you could realise that here was a future star player in the making.

Billy comes from a soccer playing family starting with his grandad also named Billy. Billy senior arrived in Australia and was known to be a very good player, he was snapped up by a strong State League club. In his later years he became a coach even had a spell of coaching here at our club, currently he is at Casey Comets.

Young Billy's dad Alex was a junior for three seasons at our club then known as Skye Rovers, he then played with Springvale City before joining his old club once again, and today he and Karen his wife are both on our clubs committee.

Karen even played a few games in our inaugural Women's side

So now we return to young Billy's profile he played in a youth team at Dandenong City before signing for us. He immediately started in our reserve team and such was his form that even after playing a full game in our reserve side he was on the bench for our first eleven and was subbed at times to play for the firsts. Playing as a mid-fielder or full back he showed his class in every game, a talented player able to use both feet who can drive long passes to any of our players up front, as a defender he gives opponents very little room to create anything.

This season he is an automatic selection in the first team showing great form each week, Scott must be very happy selecting him each week because he knows young Billy will give his all for the club.
