President's Message

Hello and welcome to Centenary Park for our Round 22 fixture v Hampton East Brighton.

Well what a year from our teams. Whilst we missed out on promotion, we all couldn't be prouder of all our players and coaches for what has been a tremendous season. To get to round 22 losing only three games, conceding only 21 goals and sitting on 42 points would get us the ultimate prize most years, but its not to be.

Today is a celebration of a great year and I hope you all get behind the boys and show your appreciation for their season. We have a special group that represent our Club with a passion and spirit that is the envy of other Clubs. With an early kick off I encourage you all to stay back for drink with all of us after the game.

Today we welcome our sponsors and as a Club we can't thank them enough for their support, please take a moment to say thank you. We are a small Club and without their support it would be impossible to continue.

Football Victoria continue to increase costs annually and this is our major challenge every year. If you would like to get on board for season 2025 we will have our sponsor packages available in the rooms for you to look at, please come and see me if you have any questions.

Once again thanks for your support this year, we will all enjoy a break, recharge and then return bigger better and stronger for next year.

Go Strikers

1st Team Coach Scott Morrison Season Review

Well what a season it has been, starting way back in November on the pitch and months of preparation before it.

What a group of players we put together, not only good footballers but all of them great young men.

They have represented the club so well this season and took us on a hell of a ride that unfortunately came up just short.

Success is a funny thing, yes getting promotion would've been a success but missing out doesn't mean it hasn't been successful.

We've ticked so many boxes this year, we have the best culture getting around, our players have created a place where you want to be and want to play your football, we have exposed young players to senior football and watched them develop and grow. We played some unbelievable football at times putting teams to the sword, we've grown off the pitch, we have some of the best facilities getting around including a brand new grand stand.

2024 has been a huge success in many ways. I love this playing group, what a joy they are to coach, they buy into everything, do everything they are asked and have given everything they've got to do us all proud.

To you boys I say thank you for trusting and believing in me and for making this ride so enjoyable.

Notty, what an unbelievable job you have done with the reserves group, stepping up and guiding them all the way to compete at the top. Thank you for your support and efforts this season, it's been unreal.

Colin, Kenya, and Kosta, Cassie I couldn't ask for a better support crew, you guys have all been unbelievable this year and I can't thank you enough for all your efforts.

To the club itself, so many to mention but thank you so much for everything you do, the playing group and myself are so thankful for the effort, time, and passion you guys show and have to allow us to get on the park.

From marking pitches, cleaning change rooms, working functions, serving behind the bar and canteen we thank you and hope we have done you all proud.

Finally congratulations to Bayside and today's opponents Hampton East Brighton on their promotions and we wish you all the best in State 1.

Missing out has made us hungrier than ever to achieve what we want next season so bring it on.

Reserve Team Coach Paul Nott Season Review

We are at the final game for the 2024 Season and its been an up and down season for the reserves, with far more ups than downs! Pre-season seems like such a long time ago and after 22 rounds we will finish this season in third place to two very good reserve sides. The positives are that we have the best defensive record in the league and we are the only team to have beat the league winners. The negatives have been a poor away and disciplinary record that has cost us, but I am confident the boys have learnt a lot from this season. I am proud to say we have created enough chances in every single game to win but as we all know, in football if you do not take your opportunities you normally do not get the points. Reserve football is also more than just 3 points every Saturday, its about developing, maturing, listening, learning and pushing yourself towards senior football. I know there are several players within this group who are ready to take that next step but my message to them is it wont just happen you have to keep pushing and make the sacrifices to make it happen. We are very lucky to have so many young good local players who I have really enjoyed coaching throughout the season. I would like to thank all my lads for what they have put into this season on and off the pitch to create a very special club culture, you have made this a very enjoyable coaching experience and I am very proud to have had the chance to coach this team. Also thank you to the seniors boys who have played in the reserves this year, you have all been fantastic leaders and had such a positive impact on this young group. To the Coaching group what a great year, our goal keepers have been excellent as per our best defensive records so well done Kenya. Kosta the injury record and availability of all our players young or older has been truly amazing and it is a credit to you and your staff. Scotty a massive well done to you, the senior squad you have built has been excellent but for those that only see Saturday's they would not realise what a special group this is especially for the reserve team. To see senior players mixing in training and socializing with the reserve's is quite unique but to see them all strive to improve and develop these young lads is very special. Scott thank you for all your coaching support and advice you have given me this year but an even bigger thank you for all the time you have put into the reserve team. To all the support staff, committee, bar/canteen, parents, partners and supporters a really big thanks as its been a very enjoyable year and without all your help and support not possible. Its nice to have such good facilities but its the people and culture that make a club! Last of all I would like to thank Nuge, Adrian and Nick for helping to prepare and get the reserve team on the park every week. Your support has been much appreciated by myself and the whole team. Lets finish 2024 on a high with one more win!

MATCH CENTRE

From a Spectators Point of View

I am sure that we will look back on this season as one of the most successful the club has had for many years.

We did not succeed in gaining promotion however not only our first eleven but our reserve side have delighted the crowds with some great performances throughout the season.

Yes in some games we were perhaps disappointing however both Scott Morrison our first team coach and our reserve team coach Paul Nott have gathered around them a group of players who play their hearts out for Strikers.

Today marks the close of another season and I hope we all come back next year.

Facebook

What a year it has been, excitement and involvement throughout, put today behind you lads and celebrate the year and the future, never look back.

We have had a great season and despite not going up we can hold our heads up high.

Congratulations Strikers! Could not be more proud of you all. Scott Morrison thank you for your efforts this year, and to the supporters, we go again!!!

Congratulations to all at Strikers for a wonderful season.

Well done to the players and coaches a great effort from all.

What a team, what a season. Proud of everyone of you. Saturdays watching you all was always the best part of my week.

History

This year saw the club turn 30 years, the following pages show the 711 players who have donned the Strikers shirt.

Here are a couple of bits of history that happened this year also:

- 1) our First XI side got its 900th point Round 1 v Greater Dandenong
- 2) our Reserve XI side got its 900th point also Round 20 v Doncaster Rovers
- 2) our First XI side won its 300 game, this was against North Caulfield, Round 16.
- 3) Jai Power became the 1st Reserve team player to score 50 goals
- 4) we had our grand stand re-sheeted, so it will definitely last another 30+ years

A big thank you to all who have contribute to the programs produced this year, I hope you have enjoyed the programs as much as I have enjoyed making them.
