President's Welcome

Welcome everyone to our Rnd 14 clash v Mooroolbark, I can't believe we are into the second half of the season already. To say the least the first half of season 2024 was incredibly successful with both senior and reserve teams at the pointy end of the table, a big shout out to our players and coaching staff for all your hard work, you are all doing our Club proud.

The second half of the season is always tough, but our boys are in for the fight. Although we are up against some very good sides and Clubs with budgets we can only dream of the character and culture we have built within our Club will stand us in good stead, and not forgetting we're a very bloody good team as well. With only 4 more home games this year I ask all of our supporters to get along to all the games and show your support, bring some friends and family and introduce them to what has become a fun and welcoming Club to be involved in.

You will see that renovations have begun to our nearly 50-year-old grandstand. Over the coming weeks the roof sheeting and panels will be replaced, at this stage we are hoping works will be completed by the end of August, in time for our Rnd 22 clash with Hampton East Brighton. Stage 2 of the renovations will be new tiered seating, hopefully sometime next year.

Frankston City Council have given the Club permission to sell the naming rights to our new stand, if you know of anyone or any business that would be interested please put them in contact with the Club, it's a great opportunity for someone to show their support and get some great exposure for their own cause as well.

I hope you all enjoy the day and thanks for your support.

Go strikers....

Scott Morrison 1st Team Coach Report

Just like that we are into the second half of the season, the players have done extremely well to put ourselves into the position we are at right now and right in the hunt to achieve our goals we set out for.

Anyone who thinks this league is easy or there are easy games are mistaken. It's tough and every week the challenges we face highlight how well the group is doing. We are up against clubs paying outrageous money so it makes me so proud to know we have a group of boys who genuinely care about the club, badge on the shirt, and each other. I've said it before but we have a special group of boys across the 2 squads.

Our first half of the season was outstanding, our defensive record was sensational and some of our football was the same. A minor setback last weekend but if we can play the relentless football we played in the second half we know not many teams can go with us, but we need to do that consistently.

It's really important as we hit the last 9 games that as many of our supporters get behind us as possible, the boys really lift seeing the old boys around the club and if we can get them to away games also it would go a long way to helping us achieve our goals.

Welcome to Mooroolbark today, a very tough opponent who we always have good battles against and we look forward to today's challenge.

9 to go.....keep believing .

50 Reserves Games

50 Club Games

Reserves Report by Paul Nott

We are past halfway of the 2024 season and the Reserves currently sit 4th being 2 points behind top spot. The next few games will be the hardest part of the season with wet grounds, injuries and suspensions starting to accumulate, but we are in a really good spot.

The players need to continue to work hard, support each other, keep playing good football and the results will come but it is definitely not going to be easy in this league as 5 teams have over 20 points.

We have had several very consistent players in the reserves and as always at this time of the year opportunities should arise for senior call ups. The Reserve team needs to be prepared physically and mentally for those opportunities. I am confident that a few will be called upon and even more confident that they are ready to help our Seniors achieve our goals. It is important that the team continue to push each other, develop and keep fighting for top spot as its in our grasp!

Bring on Mooroolbark and hopefully a 6 point Saturday for the Strikers!
