Celebrating Past Players Day

President's Welcome

Welcome everyone to our round 7 Local Derby v Skye United.

Both teams have had a solid start to the season which should make for a cracking contest on the pitch today.

I would particularly like to welcome all the past players in attendance today, all of which have played their part in creating our Club today. For those that interested you can find all your statistics on the history wall inside the Clubrooms. A big shout out to Laurence Hall for keeping them updated and for putting together today's program.

As a Club we remain ambitious in our quest for promotion this year, I can't thank enough the playing group and coaches for their commitment, passion, and hard work. We could not ask for a better group to represent our great Club Peninsula Strikers.

Today it's also great to see so many from our Junior Club involved, it's certainly something we want to see more and more in the years to come as we strive to grow our bond for the future. The seniors is now truly a destination for all aspiring juniors with the pathways in place for their journey into senior football.

I hope everyone enjoys this special day, has a beer with their mates and enjoy what our Club has to offer. Thank you all for attending and GO STRIKERS..

Best Wishes

Adrian Scialpi

First Team Coaches Report

Welcome to our supporters, families, and our junior families who are attending today's games, as well as Phil and Skye United.

Round 7 already, the year is flying by and after an inconsistent start to the season myself and the boys are extremely keen to crack on now.

We have put ourselves into a decent position so far after missing some key personnel for large periods early in the season.

With Jamie Davidson, Faraz Zenoozi, Ethan Goulding and Buzzer having missed numerous weeks, it's brilliant to have them all back now and also regaining Tommy from a short stint away at Mornington.

We welcomed some old and new faces to the squad this year with the return of Brooksy & Matt Harrington, and the additions of Sammy Maggs, Kyle Eichenberger, and Joel Bowen.

All are making big impacts in their own way so far.

The squad is in great shape and the depth we have created will hopefully hold us in good stead as we get deeper into the season.

There have been some key areas we targeted in the off season, promoting from within the club and rejuvenating the reserves side with some young talent.

Both have been very successful so far and nothing pleases me more than seeing boys who have been with the club a long time mature and be regular senior players.

Our reserves side is flying and full of some really exciting young talent who are hungry and want to push the senior boys all the way to take their spots which is what we need from those youngsters. Notty is doing a tremendous job with that group and his work with them and alongside me is highly appreciated.

I don't have enough space in this programme to put into words my gratitude and appreciation for Adrian, the committee and all our volunteers.

First Team Coaches Report cont)

People make clubs tick and make them special, giving up your own time to mark out pitches, put up nets, clean clubrooms, run bars and canteens , do team sheets, run the gate is something that is not lost on me.

Your time and effort is something the players and coaches respect and are thankful for.

To the football, there is nothing like a local derby in football especially when both teams are up the business end of the table so hopefully today's games are played in great spirit and a great advertisement for local football.

We are hungrier than ever to go better than we did last year but we are well aware of the hard work it's going to take to achieve that. Nothing is given out for free so we need to earn every point possible.

Finally to finish, a mention to a special man who has given so much to our club.

Tony Hall we thank you for your continued support, I know you don't like to be singled out but your enthusiasm and desire for the club to succeed drives us all on and your unwavering support is always appreciated. I hope we can pay you back with success.

Keep Believing

Scotty

Tony Hall

You may have noticed something special on the back of all the strips.

In recognition of Tony Hall's ongoing contribution to the club the committee decide to put his beloved Skye logo and his initials on the back of all shirts.

1st Team Captains Report

Good afternoon and welcome To Centenary Park on Derby Day, with both teams going well at the right end of the table... it promises to be a cracker against Skye.

Not only do we welcome our local rivals today but we are also welcoming the past players of this great club, just to add to the occasion.

We're hoping we will deliver the goods for the whole Strikers community!

After a very good team performance and 3 points last game against Chisolm we're eager to build momentum and consistency as it's been a bit of stop start campaign so far, we know it hasn't been up to ours and the gaffers standards...

We know if we bring our intensity and hard work every week there's not many teams that can live with us.

Thanks everyone for your support, the boys are buzzing for today... let's make it nice and loud for both the Reserves & Seniors and hopefully we can make it a 6 points Saturday!

Up the Strikers!

Stevie

Peninsula Strikers History (Part 1)

During the latter part of 1993 Frankston United Seniors and juniors began regular talks with near neighbours Karingal United. Both Clubs saw a need to develop soccer further on the Peninsula, each Club had reached a point in time where a merger was the most sensible idea.

The main aims of the talks were to:

- a) Unify fragmented soccer interests in Frankston area
- b) Provide better facilities for members and their families
- c) Open the opportunity of advancement for the club

Karingal had played in the VSF for many years and were presently playing in State League Division 4. Their home ground was Ballam Park and under local council rules was considered a public park, the playing arena could not be enclosed by a fence, and each home match saw it roped off to comply with the VSF. No matter what Karingal did the realisation was that they had to move to gain better soccer.

A chapter would close in both Club's and a new one would open. A decision to play Senior games at McClelland Drive and all Junior teams at Ballam Park was reached, the Frankston United, Robinson's Road complex in the Lakewood Estate would be left to the Softball club and any other sporting organisation that used it during the winter months. A meeting of all supporters was held on the 6th October and the resolution of an amalgamation was passed by majority vote by all three clubs.

The final Annual General Meetings were held a short time later in support of the amalgamation. On Friday 26th November 1993 the inaugural General Meeting of the new club was held in the McClelland Drive Clubrooms. A steering committee was formed comprising members from all clubs and this was to be the basis of the new committee to guide the club through it's the first year. Frankston Soccer Club officially commenced operation on 1st December 1993 with the amalgamation of 27 year old Karingal United Soccer Club and 16 year old Skye Rovers/Frankston United Soccer Club and Frankston United Junior Soccer Club.

Peninsula Strikers History (Part 2)

First business of the steering committee was to create a new image for the club resulting in the name change to Frankston Strikers Soccer Club and new club colours of green and gold.

The enthusiasm generated by the merger was evident by the support being received from the Victorian Soccer Federation, the Frankston City and local Council and Government representatives, with the City Council showing their support and confidence in the new club with an extensive renovation and upgrade of the ground.

1994 saw the birth of FRANKSTON STRIKERS.

At the clubs 2007 AGM George Hughes announced that he had had discussions with Peninsula Junior Soccer Club re amalgamation which would guarantee a strong junior section and the possibility that some of these players would eventually play senior soccer.

As a result in 2008 the club renamed and became Peninsula Strikers Soccer Club
