

PLAYER PROFILE

TONY M'KAY

One of the pleasures of watching our talented Reserve Team this season is the excellent blend of youth and experience. Our youngsters are particularly fortunate in having the benefit of playing alongside someone with the wide experience, skills, cool temperament and sportsmanship of Tony McKay. He is a fine example for all the juniors and many of our seniors to follow.

Tony was born in Manchester in England in 1943 and he lived in the famous soccer city for the next 27 years. He attended a couple of local schools there - St. Clare's and St. Gregory's Technical - and it was at St. Clare's in 1953 that he first started playing competitive soccer - the U/11 team in the schools league.

He played soccer right through his remaining school years but even that was not enough. During his last two years at school, Tony actually played on Saturday and Sunday mornings and afternoons - 4 games per weekend - over 150 games a season! Also in 1958, he represented the Manchester Catholic Schoolboys.

Tony left school in July 1959 and got a job in C.W.S. as a trainee salesman. He kept on at his soccer as well and at the age of 17 had trial spells with Manchester United and Everton and then a season with Blackburn Rovers. It was while he was with this club that, in 1961, he toured Ireland with Blackburn Rovers Youth Team. The following year he had a season with Great Harwood in the Lancashire Combination. Unfortunately, that same year a broken leg in a "Pub" game ended his hopes on any major career in soccer.

In 1962, Tony joined I.C.I. as a laboratory assistant, stayed there a year, then moved to Connolly's Cables where he remained for the next six years. His job with them was supposedly to be in the engineers department, but, in fact, really entailed captaining and running the soccer team in a soccer crazy factory. During these years, the team won about 15 trophies including a national competition. The 1968 and 1969 season, also saw him captaining the Manchester Amateur League in inter-league games.

While he was working at Connolly's, Tony started going out with Catherine, who was working at the same place and, in fact, lived only a few hundred yards away. In June, 1970 they were married at St. Clare's Manchester, and two weeks later they sailed for Australia.

They quickly made Melbourne their new home, living in flats in St. Kilda and Elsternwick for a couple of years before moving to Frankston in 1973. They have had a couple of trips back to U.K. - 6 months in 1976 and 15 months in 1978, but have finally settled down in their present home in Mt. Eliza.

Tony has never had much trouble with employment. As soon as he arrived out here he got a job with T. & G. selling insurance. Six months later, he joined McDougalls (later taken over by Ozapaper) in the photocopying business. He stayed with them until 1977, had a six month spell with Wilkins Service before going overseas. When he returned in 1979 he joined UPS Copiers and then last year he started with his present firm Crusader Copiers in Mordialloc.

In all these years, Tony kept playing soccer and had spells with Dandenong City (1971), Frankston City (1972-75), Chelsea (1976) before coming to Karingal in 1977. This season playing mainly in the Reserve Team, Tony appears to be enjoying his soccer more than ever and he gets particular pleasure out of helping with the younger players in the team.

An important and happy event that has to be mentioned is the forthcoming birth of their first baby in November. Needless to say Catherine and Tony are eagerly awaiting the day.

Tony believes the future of the club lies with the progression of juniors into senior teams. There is a need for a further competition to allow the last junior age team to take the step into senior soccer - too many boys are lost to soccer in the 16-18 age bracket. Fortunately we have two or three lads in the Reserves who will mature to serve K.U.S.C. for many years and Tony personally gets great pleasure in helping these lads achieve a higher appreciation of the skills of soccer. He hopes to continue this work by both playing and coaching for many years to come.

Asa deal fixed

★ ASA HARTFORD'S £200,000 transfer from Manchester City to Chelsea will be completed when the 31-year-old midfielder man returns from World Cup duty with Scotland in Spain. Chelsea are interested in signing striker Chris Jones, who has been given a free transfer by Tottenham.

Double Cross

★ DAVID CROSS, the man who wants to leave West Ham and head home North, is at the centre of a transfer tug of war between Manchester United and City. Both clubs are keen on Cross, and West Ham will accept the first offer of £325,000.

Oh, Danny boy

★ DANNY THOMAS, Coventry City's England Under-21 right back, has been: sensationally left at home while the rest of the Coventry club have gone to Majorca on Holiday.

A move is certain, and Manchester United, Arsenal, Spurs and Nottingham Forest are all interested. Forest have already had talks with the player.

With one-third of the competition matches played, I would like to give readers some details of the performance of the teams. The 'A' team has a 100% record of decisive wins. The aggregate performance of the 'A' and 'B' teams is as follows.

				For	Against
12	6	1	5	20	12

Goalscorers

		Goals	
Iain Tweddle	11	(Including one	
Steven Davie	3	hat trick)	
Darren Logan	3		
Stuart Bennett	2		
Duncan Weir	1		

The level of parent support has been gratifying. Club members and friends are invited to our home matches to see our budding soccer stars in action.

The number of players in the squad has risen to 12 with the addition of Tyrone Power who played with Karingal U/7 squad two seasons ago.

While the results so far have been disappointing the quality of our play is improving week by week and the boys are working very hard in training to improve their skills and teamwork and luck must surely turn our way soon.

The boys fighting spirit is excellent, highlighted by the fight back from 3-0 down to 3-3 draw with Peninsula. The outstanding feature of this game being a double penalty save by our keeper Steven Shaw.

SAUSAGE SIZZLE.

All juniors are invited to a big sausage sizzle at the clubrooms on Monday evening 12th July. Sausages and drinks are free, and we are going to show some excellent coaching and soccer films. Start is at 6-30 and finish 8-30. So don't miss it boys, it will be a good evening.

UNDER 9 REDS.

Of the four games played we won 3 and lost one. Scores were 9-0 win over Balnarring at home, 0-9 loss to Peninsula away, 3-0 win over Pines at home and 7-0 win at Berwick. I think I enjoyed the Pines game best, as indicated by the score a much more even game than the others.

The Peninsula result sticks out like the proverbial. I'm not in the business of making excuses, but I owe it to our boys to mention that we turned out 10 men against a very competitive, (suspiciously) full strength side. I must say I find the V.S.F.'s lack of ability to cope with school holidays pretty surprising.

The Berwick game was notable because we had our first ever Official Referee. He was excellent in his attitude to the game and the boys. I'm sure that all of them (the boys) gained in every way from this game and the control of it.

Our only real problem is our lack of reserves, I'm still on the lookout so if anyone knows anyone send him along.

The lads, as always are playing well and intelligently, and are always a joy to watch.

E. Bentleigh 'B'	Away	Lost 0-1
Sandringham	Home	Lost 0-4
Beaumaris 'A'	Away	Lost 0-5

After being under a lot of pressure in the first half against E. Bentleigh the boys came right into the game in the 2nd half and were unlucky not to score.

A disappointing game against Sandringham, we had as much play but didn't take our chances and the defence didn't mark tight enough.

A Good fighting performance against Beaumaris 'A' who are easily the best side in our league. They beat us 6-0 last time. We only had ten men for this game and 2 of their goals were penalties.

MANAGER : Alex Ormond (789 5451)
COACH : Gary Horton (783 2597)
TRAINING : Thursdays 5 - 6.30 p.m.

A squad of 16 players are training and learning the basic skills of soccer. Four players are last year's under-age U/7 who have elected to join the U/7's again. They are Stuart Bennett, David Makin, Iain Tweddle and Darren Logan. Their experience would be welcome and a great strength to the team. We are looking forward to the start of the competition season and hope that it will be an enjoyable and profitable experience for players, parents and supporters.

First the good news, we played our first game of the season yesterday (27th) - a friendly against Peninsula. All the lads played with their usual enthusiasm and we finished up a scoreless draw. This was a creditable performance and result, and bodes well for the rest of the season.

Now for the serious bit. We are in what might laughingly be called a difficult situation. We now have 21 boys registered, far too many for one squad and just short of two squads. Obviously the only way to go is forward, to 2 squads. So sometime between now and the start of the season we need another 6 or 7 boys and, of course another Coach and Manager.

Also, obviously attendance especially at training is of prime importance, apart from the training itself it gives Ron & I an indication of who are the more active members of the squad at any particular time.

I'm sure we'll get out of this situation, and I assure everyone, that although at times it might not seem obvious, Ron and I are trying very hard to do what's best for all the lads.

PLAYER PROFILE

ALAN PARROTT

Only in his second season with Karingal United and yet Alan Parrott has already made his presence felt both on and off the field and at senior and junior level.

Born in London in 1948, Alan lived there for the next 21 years right up until his departure for Australia. He attended various schools and, like so many other boys in England, started playing soccer there. He had quite a bit of success too, representing his school, the district and also the County (Surrey).

This success carried on after he left school and it was not long before Alan was snapped up by the successful Isthmian League side, Sutton United. He followed this up later with a spell with Epsom and Ewell in the Athenian League. Another claim to fame about this time was playing in a Representative game against the famous "T.V. All-Stars" which included such names as Jimmy Hill, Danny Blanchflower and Johnny Haynes.

1969 was a big year in Alan's life. He turned 21 in the February and then made the big move to Australia, settling right away in Frankston. He soon got a job as a sales representative, and

In 1973, he was transferred to Footscray JUST and in the next five years with the State League side, he won a number of medals and awards - Ampol Cup Winners Medal; Dockerty Cup Winners Medal; 3 State League Cup Winners Medals; Best and Fairest (1976). He left there in 1978 and after spells back with Frankston City, then with Skye Rovers, he joined Karingal United for 1981 season.

Meantime; Alan had become State Sales Manager with his Company, a position he still holds. Barbara and Alan have four children - Adam (11), Simon (9), Luke (5), and Sarah (16 months) and at present both Adam and Simon play for Skye Rovers (both teams coached by their Dad!).

This season Alan was appointed our Director of Junior Coaching, and when asked how he saw the future of our club, the importance of juniors to him was very apparent. He believes that Karingal has made the transition from Junior to Senior soccer in a professional manner and if we can retain the hard

THE WEE RED DEVILS

With the season now finished, let's look at the squads and see how the boys went.

TEAM A

STEVEN DAVIE:- Steven's biggest asset is passing the ball and also he finds space well.

ORSON JOHNSTONE:- MR VERSITILE, he has played Goalkeeper and outfield with the same success.

CHRIS JONES:- Is a courageous goalkeeper and also a talented outfield player.

DARREN LOGAN:- Mid field player with a lot of ability. I have also seen him play a fine game in goals.

DAVID MAKIN:- "The Homing Missile" - I don't think I have seen any player pass David. Most consistent player I've seen.

IAN TWEDDLE:- Ian has an exceptional talent for goal scoring and the courage to go with it.

DUNCAN WEIR:- Duncan is a fine ball player and likes to pass the ball around.

BRUCE WOTHERSPOON:- Defender always on the move which is a good quality in a player.

TEAM B

STUART BENNETT:- Very busy player, never gives up. Keeps running all the time

CHRIS DEARRICOTT:- Plays well with Chris Lemmon up front. He is developing into a fine player.

CHRIS LEMMON:- Chris is an energetic young lad who knows the road to goals.

SAM McMILLAN:- Talented boy. If he keeps persevering he will be a very good player.

DION MITCHELL:- Quiet boy, who gets on with the job in hand. Has ability and has improved in every game he has played.

STEVEN OAKLEY:- Steven is a very capable goalkeeper. I have seen him play some fine games.

GARRY OWEN:- A hard physical defender, clears his lines quickly.

DANNY PAPP:- Is a bright energetic boy always on the go. He has a remarkable effect on everyone, keeping them happy with his antics.

DARREN PEAD:- Daren reads the game well for his age and he is a very capable defender.

I would like to thank all the parents for their support during the past few weeks. Taking over from Alex Ormond, believe me, was a difficult task as he is a very organised person. He recently sent a post-card from Disneyland to wish all the boys and parents all the best.

Gary Horton our coach is to be congratulated for his patience and good nature. As you can imagine working with young boys can be very tiring, but Gary has the knack of handling kids. I am sure that has contributed to the success of the teams.

SIR PHILIP LYNCH MEMORIAL TROPHY

UNDER 8

Congratulations to all the boys who played for and won this trophy.

Our first match was against BOTANY PARK and despite some very severe provocation our boys stayed calm, played good soccer and we won much more easily than the 1-0 score suggests.

We lost our second match 0-4 to BERWICK and this score did not give a true reflection of the game either as it was 0-0 with less than five minutes to go.

We then got the points for a walkover against SKYE, BERWICK defeated BOTANY PARK 3-0 and with the two top teams qualifying it meant we had a quick chance for revenge against BERWICK in the SEMI-FINALS. A chance which we duly accepted beating them 1-0 thanks to a STEVEN SHAW GOAL.

This then put us into the final where we played the previously undefeated SEAFORD SIDE, a SEAFORD side that had beaten us 7-0 and 5-0 home and away last season.

The final was a hard exciting sporting match. We triumphed in the end with DANIEL DOCHERTY scoring our only goal just after the start of the second half. All the boys who played were heroes but our keeper STEVEN SHAW was absolutely outstanding.

A great deal of credit for our Victory must go to JOHN CASHAM whose efforts with the boys at training have been really appreciated. We have been building up to this tournament for the past four or five weeks working the boys very hard and it must be pointed out that all the boys who won at BAXTER are the ones who have faithfully turned up at training on Sunday mornings and that was the main reason they won because they worked for their success.

Our squad of ten players all of whom deserve a mention were:

STEPHEN ANDERSON, CRAIG BUTLER, GARRY CASHAM, ANDREW DOCHERTY, DANIEL DOCHERTY, MATTHEW KREN, RODNEY MILLAR, TYRONE POWER, STEVEN SHAW and PAUL WALLER.

Well done boys, I am sure this Trophy is only the first of many you will win.

This months report consists mainly of congratulations.

Congratulations to STEVEN SHAW and CRAIG BUTLER for scoring their first ever hat tricks.. STEVEN scored his against LANGWARRIN and it was on his birthday too - what a perfect present. CRAIG scored his against BERWICK and finished up with a total of four for the day.

Congratulations to MATHEW KREN, RODNEY MILLAR and ANDREW DOCHERTY all of whom scored their first ever goals for the Club. MATHEW'S goal was against Langwarrin and was along left foot shot from outside the box which eluded their defence and went in off the post. RODNEY'S goal was a real team effort with STEPHEN ANDERSON and DANIEL DOCHERTY combining to split the HASTINGS defence and set up the chance which RODNEY converted with a right foot shot. ANDREW'S goal was also against HASTINGS and was a nice solo effort dribbling past three defenders before shooting past the keeper.

Congratulations - To Our Joint Player of the Year.

We had a vote amongst all the boys and STEPHEN ANDERSON and DANIEL DOCHERTY tied for first place with MATHEW KREN coming third. Personally I think it was a very fair result as no one has worked harder either in training or in a match than either of these two boys. Their amount of running and effort was an example for everyone and they were both very unselfish in working for the team and were a pleasure to be in charge of. - WELL DONE BOYS.

Congratulations to RODNEY MILLAR the only boy to attend every training session - A really magnificent effort.

A valiant effort also from STEPHEN ANDERSON, GARRY CASHAM, ANDREW and DANIEL DOCHERTY and PAUL WALLER who all made 95% of all training sessions.

Congratulations to GARRY CASHAM, DANIEL DOCHERTY, RODNEY MILLAR and PAUL WALLER who did not miss a match all season - Again a really good effort.

As this is the last report of the season, I would like to take this opportunity to thank the following people.

Firstly, JOHN CASHAM for all his efforts at training on Sunday morning and for his companionship and advice on Saturdays.

Thanks to DEAN LANGFORD for the individual attention that he gave to the boys throughout the year. Finally, I would like to thank all the parents for their support throughout the year, it was very gratifying to see their delight when the boys triumphed at BAXTER.

Before I close I would like to take this opportunity to offer my, JOHN CASHAMs, the BOYS and PARENTS best wishes to last years Manager, Alex Ormond and we all hope that he has a speedy return to good health and we are all looking forward to seeing him around the club again next season.

Another season has come to an end and in my opinion quite a successful one. We have had some difficulties in fielding full sides at times due to fact that we only have 23 boys for two teams. Another 4-5 boys would have been ideal. This was quite obvious at our last two games when due to the school holidays we could only raise 7 and 8 players for the B team. The under 9 boys again had to come to the rescue.

"A" TEAM

Our four last games ended on a successful note with 3 wins and one draw.

7/8 Cranbourne Home Won 7-0
Goals: G. Morgan 4, L. Shearn 3.

14/8 East Bentleigh Home Won 3-0
Goals: D. Spence 2, J Porter 1.

21/8 Dandenong Away Drew 1-1
Goals: G. Morgan 1.

28/8 Doveton Home Won 1-0
Goals G. Morgan.

The "A" team has proved themselves to be one of the best teams in their competition. This team has a lot of talent and skill and can look forward to the next season with a lot of confidence.

P	W	D	L	F	A
18	12	1	5	51	18

Not a bad record for a team that played all their games without substitutes and on some occasions with a player short.

"B" TEAM

7/8 Berwick Home Lost 0-9

14/8 Seaford "B" Away Won 2-0
Goals: N. Clonardis 1. L Shearn 1.

21/8 Mornington Home Lost 0-5

28/8 Skye "B" Home Lost 0-4.

The results during the season have been a bit up and down but that is only to be expected with so many of the boys being new to soccer. Their enthusiasm however, can not be faulted and as far as I can determine, they have enjoyed their games, which is more important than winning. Well done and keep it up boys.

P	W	D	L	F	A
18	4	3	11	18	57

Since this is the last report for the season. I'll close by thanking all the parents for their support. I would also like to thank the under 9 boys and their parents for helping us when we have been short of players. Finally but not last, a big thanks must go to our coach Colin Butler for the fantastic job he has done with the boys.

I look forward to seeing you all next season.

UNDER 9 (REDS)

And there went the 1982 season, a good one for our boys. It's always good (I suppose) to end on a high note, we ended on two.

Our last official game was against Skye 'A' who came to us unbeaten (16 wins, one draw no loss). We beat them 1-0 and it wasn't a fluke. The boys took the game to them in no uncertain fashion. As is always the risk, they broke away a couple of times but intelligent defence and mighty goalkeeping did the trick.

On the previous Saturday we hosted Mornington to another heart stopper, we went down 1-0 to a penalty (which was nearly saved) but a tremendous performance from all the boys.

As for the season in general, I think it's been marvellous. For all except the last two games we have had only an 11 man squad there were times when the Whites provided reserves for us, but most weeks they had their own games. I should say that whenever Whites played with us, without exception, they played very well and fitted into the team in every way and I thank Terry Kent and all his lads for their help and enthusiasm.

Regarding the team in general, I believe their main strength is their team work, almost uncanny at times, with this is team spirit, marvellous. I was most gratified to watch their acceptance of our latest recruit a few weeks ago, this boy had never played before in a match, but, he is keen like them and that seemed to be enough, virtually within minutes he was part of the squad, accepted by them all.

During the year I have made the practice of not mentioning boys by name in Magazine reports, this is a personal thing brought about mainly because of my belief in the team game. However to put it right I have consulted Ron and some of the Dads and I now introduce the under 9 Reds in order from the goal (roughly).

Goalie Michael McFarland Michael is a determined player, but always with a quick smile. He comes off his line like a rocket and normally comes off best. He's really become a fine goalkeeper, and he is more than useful playing "out of goal".

Chris Oatley Chris must be our most improved player. A right back, he is cool under pressure, tackling and covering well and with a good strong kick up the pitch, Chris is a very quick reliable defender.

Graeme Lyllywhite A reliable consistent team member who started the season at left back and has now moved to left half. An aggressive tackler who never gives up. He covers a lot of ground and from the half back position breaks into attack with some effect.

Kevin McGuinness One of the smaller members but at times a giant of determination also at times he shows beautiful skills. Started off as a very useful half back and now playing left back. It must be like trying to get past a brick wall.

Mark Owen At half back another of the most improved players, covers a lot of ground especially around the midfield, quite often arrives like the 7th Cavalry (just in time) to save the day, stands up to pressure well. Mark has put a lot of work in on throw ins.

Mark Parratt Another reliable and consistent player who leads the team through example. Kicks hard and accurate with both feet and can bend a corner beautifully. Mark has set up and scored some delightful goals.

Rory McGinty Rory has real ability to beat his opponent and can take off down the wing like a scalded cat, some times gets a bit of 'stick' but as his confidence and aggression grows will go past the best and biggest of them. I've seen Rory take some beautiful first time shots at goal.

Peter Kyriazis Although quiet, Peter is another boy who always gives his all wherever he's playing, as hard as nails he never stops trying and he's effective, in defence he tackles like there's no tomorrow. Peter's the boy who last year got a nasty cut on the forehead before the game, he still wanted to play his game before he went to get much needed stitches, luckily he was convinced otherwise, but that's what I call keen.

Kevin Jones Kevin is a very consistent player with delightful ball skills, during the year he has come to be a very good constructive team player. Although quite small himself he has no respect for size and will run at the biggest defenders sometimes 2 or 3 of them, it's not often that he hasn't got the ball when he's gone past them.

Michael Bolton Michael's the leading goal scorer of the team a much improved team player full of enthusiasm. When Michael takes off towards the goal with the ball he's a delight to see and his goals have covered the full spectrum from delicate to spectacular.

Andrew Kiriakopoulos Andrew runs down the left wing have at times been almost electrifying. He's worked on his team play and his left foot during the year. I always enjoy watching Andrew using his skills to bring the ball from his right foot after his run. The only official referee we've had this year compared Andrew to Stan Mathews and my Dad tells me he wasn't half bad.

Michael Johnson Michael joined us 2 weeks before the end of the season, he's been involved in 2 games and already has skills. A very determined player who will be a valuable team member next year.

I apologise for having rattled on a bit and in closing I would like to thank all the parents (and grand parents) for the excellent support we've had during the year and finally I thank Ron and the boys for putting on such fine entertaining games. I hope you'll all be back for next year which promises to be even better.

In my last report of the season I'm delighted to say the boys finally won a game. After a couple of early goals against Balnarring our boys started to play with real confidence and there was no holding them and they went on to win 7-1. It was good to see the boys helping each other and the new boys discovered skills they had not shown before. A great effort by the whole team.

Scorers: Jamie Bullock 3, Rory McGinty 3, Ben Holloway 1.

We finish the season with a Round Robin at Berwick on 19th September, but training will continue every week as usual, the boys are all keen to carry on and we look forward to winning quite a few games next season.

This being the last magazine article for season '82, I take this opportunity to thank our coach, Steve Parratt, on behalf of the boys, the parents, and myself, for the fine effort he has put in over the season this year in bringing the boys up to their fine standard in playing skills. For myself, I would like to thank the boys for their wonderful play during the year - it has certainly been a great year! Their attitude to the game, their teammanship, and the way they have represented their Club deserves mention - well done, boys - particularly in achieving the runners-up position on the ladder.

On behalf of the squad, I extend our grateful thanks to our "Aquarius"... sincere thanks Sue, for your first aid efforts - I am sure the parents rested a little easier in knowing you were there just in case.

1st Aug. V Pines Away Won 4-0

Goals: Wayne Van Den Tol, Julian Macleod, Cyrus Davies, Sean Hourigan.

A game which was certainly dominated by our squad - however, an excellent effort was put by Pines goalkeeper (an U/9 player). Awards to Julian and Adam for their work on the day.

8th Aug. V Balnarring Home Won 4-0

Goals: Andy Vose (2), Wayne Van Den Tol, Craig Cameron. Once again, our under 11 squad dominated the events of the day. Award to Andy for his play.

15th Aug. V Baxter Away Won 1-0

As usual with Baxter, a hard-fought match all through the match.

Goal: Andy Vose
Awards: Craig Cameron (swamped by Baxter - they put 3 men on him to keep him quiet); Michael Parratt (his goaling effort kept out all 'stray' balls).

22nd Aug V Mornington Home Won 1-0

Another hard fought effort.

Goal: Jamie Middleton

Awards: Jamie Middleton; Douglas Armstrong.

5th Sept V Mornington (Club Comp)

Despite an excellent goal by Craig, our squad were unlucky and lost the (friendly) match 1-2.

12th Sept. V Seaford Away Lost 0-5

One of those days... teamwork unfortunately did not click that day, and the two questionable goals at the start did not improve matters.
Awards: Julian Macleod (Consistent play throughout); Douglas Armstrong (strong in defence).

Further events coming up are:-

3rd October Presentation Day at KUSC

Match: Under 11 squad plays 'All Stars' Parents' Squad(?) at 12.00 - 12-30.

9th.-10th. October Soccer Competition at Mooroolbark

17th October. (Possible Round Robin at KUSC.

24th October Parents evening at Chris' house.

FROM THE COACH.

In general terms, a very successful Season and the boys should be congratulated for finishing "runners-up" in their league. The squad has been a happy one throughout the season, with all boys working well together and producing many games of attractive and exciting soccer - more importantly, the boys have enjoyed their games.

The biggest weakness has been the inability to take corners and to convert the many chances created in front of goal. The defensive work has gone from strength to strength with only 19 goals conceded - 9 of which to arch-rivals Seaford.

It would be unfair to single out any player for his performance - All boys have worked hard at improving their game and skills and all have developed a high order of sportsmanship both on and off the ground. Their attitude is a splendid example for all to follow and the club should be justly proud of them.

If this team can stay together for 1983 the prospects are very bright indeed.

I have enjoyed coaching the boys this year, and thank them for their support at games and at training. Thanks must also go to Rob, and all the parents for their support and help on Sundays, and to Jim McGinty for his help throughout the season.

Steve Parratt.

Coach.

PLAYER PROFILE

BRUCE MITCHELL

Our Reserve team is having a tremendous season this year with only two defeats in fifteen games and an important part of this success must be the great form of Bruce Mitchell in goal.

Bruce was born in Edinburgh, Scotland in 1959, and he and his family lived in Waverley Park, Edinburgh until he was 9 years old. In that time, he spent 4 years attending Abbey Hill Primary.

In November 1968, the Mitchell family left Scotland and travelled to Australia to start a new life. They stayed initially in Maribyrnong, then South Oakleigh for a year before settling in the Pines area in 1970.

Bruce was still at school at the time and went to Aldercourt Primary for a couple of years. He also started playing soccer in 1970 for Chadstone juniors, then transferred to Peninsula, where he played for a couple of years until 1973. Living in the Pines area, he then decided to transfer to the local side, and he joined Pines juniors. While he was playing there, he won "best team man" for 1973 and 1974.

In 1976, Bruce completed his four years at Monterey High School and left to take up a job with Nylex. Also that year, at a Pines Soccer Club dance, he first met his wife Linda.

Now playing senior soccer, Bruce moved clubs again in 1977 and joined Chelsea in the Metropolitan league. A couple of seasons with them, then it was back to Pines again. In 1980, he won a Reserves League Championship medal when Pines Reserves won the 3rd Division Metro League title.

Bruce also changed jobs in 1980 and started with R.W.M. where he is still working today.

Last season, Bruce moved to Karingal. He had a mixed first season with the Reserves, but this year he has really come into his own. Playing with complete confidence, conceding very few goals, he is probably having his best ever season and is definitely a major part of the overall success of our seniors this year. In the recent game against Lalor, Bruce won a well deserved "man of the match" award.

Bruce has three brothers living in Australia, and two of them involved with soccer. Colin Mitchell is a well known player in the area and is at present playing for Frankston City after a number of years with Pines. Tom Mitchell, a keen Pines supporter, will always be seen around Frankston or Karingal when his team is playing away.

Bruce and Linda do not have any children at the moment, but Bruce assures us that they are working on it!

A good clubman for Karingal, Bruce would like to see the club doing well in the Metro League, but first and foremost he would like to see our Seniors and Reserves both winning their leagues this year. You can be sure, he will be doing his part in trying to make this happen.

WANTED

We need volunteers for the Sunday afternoon bar rosters. If you are interested, please give your name to John Bennett or any committee member. The day has been split into two and we need names for both times:-

1p.m. to 3p.m. and 3p.m. to 6p.m.

Sadly, if no names come forward, the club will just not be open on Sunday afternoons.

Team performance is steadily improving thanks to the patient and expert coaching of Gary Horton and his assistant Stephen Clarke. The matches are getting more exciting too. The 'A' team has only given away 4 goals in 10 matches and the credit in this respect must go to defenders Chris Jones and David Makin, who give outstanding performances every week.

The 'B' team started out losing matches but the marked improvement in skills and concentration has resulted in three draws in their last three matches. Apart from the goalscorers, Steven Oakley and Garry Owens also take credit for the team's recovery.

With just over half the seasons matches played, the team's performance is as follows:

	Played	Won	Drawn	Lost	Goals	
					For	Against
A.	10	8	2	-	24	4
B.	10	-	3	7	6	21

Goalscorers:

- A: I. Tweddle 13, S. Davie 6, D. Logan 4, D. Weir 1.
B: S. Bennett 2, C. Dearricott 2, C. Lemmon 2.

Eleven players have been mentioned in this report but every player is doing an important job and Orson Johnstone, Bruce Wotherspoon, Dion Mitchell, Sam McMillan, Danny Papp and Darren Pead are worthy members of this talented team and will, I am sure, be in the limelight in the weeks to come.

As this is my last team report for this season I would like to wish the team well and thank the parents for their magnificent support. I shall follow the progress of the team and of Karingal United while I am overseas. Cheerio and Good Luck. See you next year.

Our results for June so far have been extremely impressive: Played 6, Won 6, Goals for 30, Goals against 3.

On Saturday June 5th we created quite a few firsts for both teams when we beat Hastings 4-0 and 8-0 -

- First time both teams had won on the same day.
- First time either team had won without conceding a goal
- First time any player had scored a hat trick with Steven Anderson and Daniel Docherty both getting one
- First time we scored a goal directly from a move practiced in training.

Since then the boys have played really well, inflicting defeats on Mornington 3-1, and 4-1 and Skye 7-0 and 4-1.

Our player of the month must be Paul Waller. Paul's performances both in matches and in training have shown 100% improvement in the last month and he has forced himself into the first team squad through sheer hard work. Well done Paul keep it up!

Our matches have been well supported and I would like to thank all parents for their efforts both in attendance and in keeping up the team spirit that is so essential.

ALEX ORMOND

Alex Ormond, the Manager of the under 7 team, will be going overseas any day now and he will be away until January of next year. Always thinking on the welfare of the team, Alex has already handed over the management of the team for the rest of the season to one of the parents, Mr. Norman Davie.

Alex's trip will take him to California, and West Virginia in the United States, and to Newcastle-on-Tyne and Cardiff in the U.K. on a research mission for Chisholm Institute of Technology. The subjects of the research activities will be energy conservation and energy management.

Soccer will naturally be on his mind and he has asked for copies of the club magazine to be sent to him so that he will be completely up-to-date when he gets back.

While he is staying in the U.K. he hopes to see the team he supports - Sunderland - playing in the first division. He also hopes to see some Newcastle United and Cardiff games.

We wish Alex all the best wishes and good fortune on his trip and look forward to seeing him back with the club next season.

REDS.

With two wins(at home to Hastings, and away to Skye "B") and two losses both away, (Mornington and Skye "A"), it would appear that it was a fairly even month, there was, however, more to it than that.

It was suggested that our best performance was the one today, 3-0 against Skye "B" that could be true, but I always think all our performances are the best, perhaps I'm prejudiced (difficult to believe, I know!)

The game our boys should be most proud of must be the one against Mornington. We lost, but for sheer character and guts, our boys put in a performance which was a credit to themselves, the club, and the game.

To lesser extent, it was the same against Skye "A", in both cases they played with maturity sometimes lacking in players 2 or 3 times their age,

Anyway, here we are in the second half of the season, it's interesting to note that all our losses so far have been away, generally on pitches much smaller than our own. I look forward to our revenge on these teams on our own ground, and, if I can arrange it with official referee's.

WHITES

Beaumaris (B)	Home	1-1
E. Bentleigh (B)	Away Lost	0-2
Sandringam	Away Lost	1-6

It looked like we would only have nine players for the game against Beaumaris, until Mark Griffith who came to watch his friend play put on the red shirt. He liked the game so much he has now signed on for us. A great effort by all the boys who were unlucky not to get their first win of the season. Ben Holloway scored a good goal and George Gonzales in midfield was outstanding.

After an even first half against E. Bentleigh a strong wind proved too much for the boys in the 2nd half and E. Bentleigh took full advantage to score twice.

Mixed feelings about the Sandringam game. The boys passing was a lot better but the defence didn't tackle as well as usual. Sandringam scored some excellent goals but our one by Ben Holloway was as good as any. Our thanks to Sandringam for the loan of a player as we were one short.

This last month we have only played three league games and one friendly. The only good result we had was nil all against Frankston Pines on a very muddy ground.

We now have played our opponents once, picking up only two wins, one draw and six loses. We know each team and we should know their strengths and weaknesses. At present we have 17 boys playing for us so it's up to each and every player to win a regular place in the 11 players that go out on the park Sundays.

There is little else I can say here that hasn't already been said. Except to add if you think we'll lose, 9 times out of 10 we will. So think Positive.

30th May. At home to league leaders Malvern. A very hard fought game which Malvern gradually got on top.

Score: Malvern 3 Karingal 1.

Goal Scorer: M. Taylor.

6th June. A friendly against Skye as we had a bye. The whole team played really well and if they had taken all their chances the score would have been in double figures.

Score: Karingal 2 Skye 1

Goal Scorers: S. Mauger, M. Taylor.

13th June. Away to Croydon. This was a game that we should have won. We stood and waited for the ball the whole game. Our goalkeeper kept us in the game. Well done, Peter.

Score: Croydon 2 Karingal 1

Goal Scorer: M. Taylor.

20th June. At home to Ferntree Gully. For the second time this season we had only 9 boys turn up. You are letting the whole team down when this occurs. If you cannot play let me know as soon as possible. A great effort boys. You very nearly won.

Score: F/Tree Gully 3 Karingal 1

Goal Scorer: S. Jones.

Boys please note my new telephone No. is 789 6859.
