SECRETARY'S REPORT

The League records of all teams are published as usual in this issue. We are now in the second half of the season and all teams should have now settled sides. Several teams are within reach of honours, notably the Reserves who are on top of their league, closely followed by the Under 15's who have moved rapidly up the table in the last few weeks with some excellent results.

Unfortunately our three representatives in the J.L.M.C. Cup were all narrowly defeated last week leaving us, as far as I can remember, without a team in the fourth round for the first time in the Club's history. However our Reserves make their debut in the Harry Armstrong Cup on Saturday July 9th at home to Western Suburbs; the game starting at 1-30pm. COME ALONG AND GIVE THE BOYS YOUR SUPPORT.

I was extremely disappointed in the turn-out of teams for the opening of Frankston City's new ground last week. Only three teams being represented by about twenty boys with their managers. I had hoped that we could have given a better showing for Junior Soccer on the Peninsula than that. Thank you to those who did take the trouble to turn out

SPONSORSHIP

We are indeed grateful for the interest and encouragement shown to our club by our sponsors in their support through offering discounts to club members or through their help in a more direct manner. See inside and back Cover :

We are now pleased to announce that we have another sponsor :-

PENINSULA DRIVING SCHOOL have donated TEN DRIVING LESSONS to be awarded to players for a particular special effort - the voucher for which must be used within two weeks of presentation. At the end of the season the School will also donate a trophy.

Thank you - Peninsula Driving School

Don't forget -- If you are thinking of buying a new or used car, think of FRANKSTON CHRYSLER, but before finalising your deal contact President Bob McIntosh and learn something to your advantage.

ANOTHER WORKING BEE is being organised by the Soccer Club for SUNDAY 16TH at 10.00am

This is to take care of the uncompleted jobs from the last great effort. A turn-out of the same magnitude will see every^{thing} completed.

PLEASE BE THERE IN FORCE

BARE PROFIT MARGIN LEADS TO TIGHTER TICKET SALES

The Wine & Cheese Night was generally reckoned to be a great success although our profit was only \$11 from the actual ticket sales. We had to pay \$2.80 a head for the eight people who took tickets and either didn't turn up or returned tickets on the night of the function. The committee has therefore decided that for future functions the full cost will have to be paid or TICKETS RETURNED several days before the actual event, this being an accepted fact for theatre, cinema and other bookings, so it seems only fair that we treat our own functions in a similar manner.

ROCK 'n ROLL

Our next function is a Rock 'n Roll night on July 8th at the CLUB ROOMS at a cost of \$9.50 per double for Club Members (\$10 for non-members) Dancing is to a four-piece group called "CAD" A light supper is included.

*** SOCIAL *** SOCIAL *** SOCIAL ***

Tickets are on sale now from Doug Darville (783 8424) When ordering please bear in mind that all money or returned tickets must be in by JULY 5th. Bear in mind, too, that numbers have to be limited to 80 people.

See you Rockers on the night!!

YOUTH GROUP GETS OFF TO A GOOD START

A good time was had by all at the Disco held on June 10th. 85 teenagers attended our first function, and it was very gratifying to learn of it's great success. Monday 20th saw our first Youth Night held, which also went very well - a good turn-up for our first night. A big Thank You goes out to Mr & Mrs Moran who kindly donated table tennis tables which obviously will be of great benefit to our club. Thanks also to the Social Club committee who gave us new table tennis bats and balls. So don't forget - Every Monday night is Youth Night for 13 to 17 year olds (costing only 20c per night)

THIS IS YOUR CLUB RUN BY YOUR AGE GROUP FOR your BENEFIT. SO WHY NOT USE IT?

Nurses to run for cover!!!!!!

We understand that Jim Vesco is going into hospital. We send him our best wishes for a speedy recovery, and the nurses our sympathy.

AROUND WITH THE JUNIORS

Under 7

Well, it's happened at last - We've won our first game for the season. Our "A" side defeated Peninsula one goal to nil with a good goal from Scott Kinniburgh from a penalty kick. Both parents and players were elated. The win was the culmination of good training under the guidance of new coach Mark Brandon from our Under 15 squad and plenty of enthusiasm by the boys. Two scoreless draws against Mulgrave and Skye was a good lead up to the win. There has been a marked improvement by the boys over the last 3-4 weeks and both the boys and the coach are to be congratulated. Well done! I feel confident that more wins are on the way.

Mid Season Statistics

	Played	Won	Drawn	Lost	For	Against
LEAGUE	10	5	2	3	29	8
CUP	3	2	0	1	7	2

In 3rd position in the League with twelve points and having narrowly missed reaching the quarter-finals in the Cup is an excellent performance.

Under 10B

The team has shown a tremendous improvement since the beginning of the season and the boys are playing well every week. The defence, generally made up of Dean Langford, Michael Triggs, Byron Carpenter and Leon Henassy - not forgetting our goalkeeper, usually Peter Connell and sometimes Arthur Tzambazis deserve special mention, as we have had only four goals scored against us this year. Our leading goalscorer Stephen Griffin, who has received "Soccer Action" diplomas for two hat-tricks has been ably supported by the rest of the forwards; in particular Paul Twaites who was persuaded by his grandfather to play and has improved tremendously in this, his first year. Chris and I are very pleased at the keenness of the players, as is evident from the turn-up of boys at training. As a closing thought, Chris and I would like to thank all the parents for their great support at both our home and away matches.

Mandy Hull
Manager

Under 11B

Two wins and one defeat in the league during June shows the continued improvement in the boys' play. It's heartening to see the number of clever moves and the good teamwork increasing with every game. They still lacked a bit in front of goal in some games, but 16 goals in 9 matches is not a bad effort at all. Hopefully they can keep up the good work against the two top teams in the next couple of weeks. Coach, Bill Robertson is back in action again after his cartilage operation. He still has a slight limp but this does not hinder his valuable words of "advice" to Johnno, Fishy, Cocky etc during the game.

Welcome back to Diane Cockroft after a week or so in hospital. Diane must be one of Karingal's keenest supporters with three boys to watch every Sunday. Special thanks to Carole Johnstone and Wendy James who run the canteen for all of our home games.

Under 13

In the first half of the season we lost five games and won three. This last week-end began the second half. We have started this off well by beating Baxter three goals to one in reply to a four - one defeat in the earlier home game.

Under 15

"MACCA MAKES IT NINE FOR THE WEEK-END"

On Sunday June 4th this team met bottom of the league Corio on our home ground. Of the seven of our goals scored against this very courageous side a very pleased Andrew (Macca) McIntyre netted four to break a four week personal drought.

The following day Karingal went to Lyndale to accept an invitation to play in an Under 15 Knock-Out tournament. With two players short, and one of these the goalkeeper "Dunny" Dannelley, they didn't give themselves much of a chance. The 'keeper's spot was taken by thirteen year old Mark Gilbert, himself on the injured list. Mark's excellent positional play in his area, and a safe pair of hands did much to enhance the team's chances throughout the day (not bad for a lad who has not played in goal before). The other light spot was taken by twelve year old Martin Moore, brother to winger Kevin. Martin played up front to the continual annoyance of opposing defenders.

The first match of the competition was against Melton, a strong, rugged team who had beaten us earlier in a league game. Our boys on this occasion met their strength with skill and ran out winners two goals to nil, including one from Macca to make his tally for the week-end five at this point. Knox was next, and the Karingal side went about this ball-playing team in a very businesslike manner to down them 6 - 0, which included a McIntyre hat-trick.

The Final against Lyndale was an end to end affair which went into extra time : the eventual winner being Lyndale on a score line of three goals to two., and of our two, Andy McIntyre managed another, to make his personal tally nine for this holiday week-end. Had Lyndale not had such a good goalkeeper (really good) this may well have been more, as both he and Kevin Moore sent a couple of veritable rockets goalwards only to see them stopped.

Full credit must go to this under-strength Karingal side and to try to pick out individual efforts may seem a little unfair and is certainly difficult. Perhaps a pat on the back for Mark Agar for just about running himself into the ground, taking a corner one minute and a goal kick the next.

To mention the most consistently good player over the three matches one would have to pick mid-fielder Ian Mounsey, who till quite recently was looked upon as a specialist winger.

It was a pity more people couldn't come along to watch this competition, which was full of just about everything enjoyable in a game of soccer. Well done Karingal, and congratulations Lyndale
