SECRETARY'S REPORT

Overleaf are published the league records of all teams up to date. The U/7 and U/8 results have been included although league positions are not available as these age groups play only on a friendly basis. The U/8 teams are doing very well, being unbeaten to date. Unfortunately, our only other unbeaten side, the Reserves, lost that record at Sunbury last week-end. However, they are still doing very well.

Last week-end saw the Juniors involved in the second round of the J.L.M.C. Cup. Five teams competed - U/9, U/10A, U/11A, U/13 and U/15, and three were successful in reaching the last sixteen. They were U/9, U/10A and U/15. Congratulations to all three teams. The U/10A team had a good win against last year's cup semi-finalists. I was particularly pleased to see the U/15s win through. It was the game I chose to watch, and although they had been beaten earlier in the season by Sunshine Heights, the result of this game was never really in doubt due to good defensive work by Karingal and a fine hat trick by Kevin Lees, who comes down from Kilmore every week-end to play with the team. Good luck to all teams in the next round.

Bob Mac. has finalised a sponsorship deal with FRANKSTON CHRYSLER which could be very beneficial to the Club. Further details will be announced in the next few weeks. However, if you are thinking of buying a car, then think of Frankston Chrysler and contact Bob before you settle. It could be worth your while; and the Club's.

It has come to your notice in recent weeks that the barracking done for our Senior team is of an undesirable nature, which could lead to nasty incidents occurring. May I take this opportunity of reminding all our supporters that in a small crowd every word shouted is heard by everyone else around the ground, and what is said may be said in fun, but may not be taken in fun. The Club is ultimately responsible for the behaviour of the crowd. Let us not bring the good name of Karingal into disrepute.

The Club still needs the services of anyone interested in filling vacancies on the Executive Committee. The positions vacant are, Public Relations Officer, Assistant Secretary, and Extra Member. Nigel Plaskett, who at present is serving as Assistant Secretary, has expressed a desire to be released from his duties in order to concentrate on playing. I would still like to hear from anyone interested in filling these vacancies.

TREASURER'S REPORT

With just the barest necessities it costs over \$3,000 per year to run the Soccer Club - and that is with the Social Club paying \$2,800 annual repayments on the new club house and some other expenses. (So those people who think we run our social activities just for our own enjoyment think again - there would be no Soccer Club without the efforts of the Social Club.)

So how are we going? Out of an estimated \$2,750 due to the Club in playing and club fees, \$1,790 has now been received by the Treasurer. In fairness to all the members who have already paid what about the others who have not? From time to time I receive all sorts of disciplinary suggestions for dealing with those who don't pay up. Some of these may have to be implemented to protect those who do keep the Club financial! Give it some thought - for we are NOT a philanthropic organization.

VICTORIA vs. DUNDEE

I hear there was a 'punch-up' at Olympic Park last Sunday at the game between Victoria and Dundee. Is this why the Juniors were not allowed to play after 12 o'clock on that day? So that they might go to the ground and be treated to an exhibition of adult spectator animalism? Surely, if this sort of thing is to continue the kids are better off enjoying themselves on their own parks.

Ed.

SOCIAL CLUB CHAT

DISCO NIGHT

The disco held on 20 May was an enjoyable night. A good time appeared to be had by one and all and the dance was profitable as far as club funds were concerned.

POOL TABLE

At our last meeting it was decided to reduce the cost back to 20 cents per game. This has now been done, so how about putting the coin in the slot now fellas. It still cost us \$400 to have the table repaired.

WORKING BEE

The turnout on Sunday 28 May was really first class and a lot of work was accomplished. Two groups of mountaineers led by Ron Owens and Doug Darville worked on the ceilings in the hall and changing rooms. Our thanks to Brian Clark for the loan of scaffolding. Dick Jones and his merry gang - male and female, went through the changing rooms with rollers and brushes. Another coat of paint is needed and Dick is organizing this task. The outside painting was done by Norm Rowland and Bob Murray in charge of grey. Ted Thornton and Mario ? in charge of brown and Charlie McNeill and Alan Johnston on the white. Bob Mac and Charlie Reilly were kings of the bottle gang, emptying out the old clubhouse. Roy Smythe and Russell Fletcher were lost among the electric wires. A special thanks to Roy and Simon Smythe for spending most of the strike day, last Saturday afternoon as well as Sunday, fixing up heaters. Finally, the ladies who cleaned up the store room, kiosk, toilets and bar, and kept us supplied with coffee and sandwiches.

Only about one-third of the workforce has been mentioned, it was such a good turn out, but our thanks to all who turned out and gave up their Sunday and got stuck into it. As several people remarked afterwards, it now looks like a club house. When the floor business is settled it will look better still.

LOST AND FOUND

A man's cardigan, mustard coloured, was left in the hall after the working bee. Please contact Roy McLaren.

LOST by the Club - formica shelving from the kitchen cupboards - would the person who FOUND IT - please return it ASAP.

DISCOUNTS

A discount for lady club members is available on knitwear and wool at WK KNITTING AND REPAIR SERVICES, 146 AUSTIN ROAD, SEAFORD - Phone 786 8261

Another supporter kind enough to offer discount to members is RON MATHEWS, CENTRAL PARK 'DISCOUNT' SPORTS AND TOYS, situated next to Mac's Chicken Shop in Central Car Park. Thanks Ron, and thank you also for the soccer ball.

Bob Delaney of JON DARCY will be very pleased to see you and discuss a special discount for club members requiring any new furniture, etc.

So you see it pays to be a CLUB MEMBER.

FORMATION OF NEW 'YOUTH GROUP'

A meeting was held under the auspices of Mrs. Rhonda Clarke to form a Youth Group. The aims of this group are to promote activities for 7 to 17 year olds.

A committee was formed comprising:

PRESIDENT	-	Mark Broome (7838526)
VICE PRESIDENT	-	Andy Taylor (7835055)
SECRETARY	-	Mick Gibson (7839737)
ASST. SECRETARY	-	Karen Clarke (7839787)
TREASURER	-	Colin Wilkins (7836707)
ASST. TREASURER	-	Kevin Burroughs (7831007)

The first function to be held by the Group will be a DISCO on 10 June for age group 13-17 years, cost \$1.20. Tickets available from the above mentioned committee members.

On Monday, 12 June, the hall will be opened for the first youth get-together, 13-17 age group. There will be darts, pool, records, etc. Entrance fee will be 20 cents which includes tea or coffee.

It is proposed to hold dances the first Saturday of each month.

A film night for 7-12 years is planned for one night early in July.

Perhaps if the venture is successful they could get the money together for a table tennis table, which has been mentioned by a few people. The girls could play table tennis while the boys played darts and pool.

This is something new which is being tried out, and everyone concerned in this venture hopes it will be given support by everyone, especially all you teenagers who are always saying they have nothing to do and no where to go.

AROUND THE JUNIORS

Under 7A and B

With our organisation now in hand and a final squad of 18 very enthusiastic boys; any team that meets the under sevens from now on is going to know they have a match on their hands.

Karingal can be rightly proud of this group of boys, and their parents as well who show as much keenness as the boys. We are having 100% attendances at home and away games by both players and parents; something that would make some of the other teams envious.

Our losses to date have not dampened the enthusiasm of the boys and coach Leo is very pleased with their progress to date.

Let's hear it for these lads and wish them the very best for the remainder of the season. Congratulations fellers.

Lew Harvey - Manager

Jason Banks Puts Karingal Through To Last Sixteen

Karingal rose to the occasion in this cup match against Green Gully, last year's semi-finalists and present leaders of their league. In an exciting encounter, Karingal matched their top class opposition stride for stride and then took control. Jason Banks scored two great goals, one in each half, to give Karingal a deserved victory. Every Karingal player produced a skillful enthusiastic game to gain the admiration of their supporters and opponents.

Alex Ormond - Manager

Under 11 B

One win and two defeats in the league this month does not reflect how well the boys really have been playing. A bit sharper in front of goal and the results could have been better. However, 14 goals from 6 games this year compares very well with the goals for games last year. Top scorer is Ricky Boyd with 5 goals.

Coach Bill Robertson has just come out of hospital after a cartilage operation. The boys wish you a speedy recovery Bill. We hope you will soon be back in action - even on your crutches!!

It is heartening to see so many supporters on the line each week. At a recent game we had 26 parents, brothers and sisters. A good effort greatly appreciated.

A special thanks to our regular linesmen, Peter and Nicholas Cockcroft and Bill Jara.

Under 13

With six league games played for only two wins the whole team seems to have had a complete loss of form. In the pre-season they were involved in the Ampol Cup and again did not win a game.

We have now gone out of the J.L.M.C. Cup with the highest recorded amount of goals scored against in any one game - Karingal 0 - Essendon 8.

On the brighter side the only way we can go now is up, and we now have the help of Dave Ancell to help coach and improve their play.
