SECRETARY'S REPORT

Published as usual are all teams' playing records to date. Two significant facts emerge this month:- The U.11A team have gone to the top of their league and the U.13s have won all their games in the past month. Well done, both teams. The U.7s too have found the winning way this month. Lew's and Mark's patience has been rewarded! The U.7s fixtures have been extended for a further four matches, and they will now be playing till the end of August.

Some people who read our newsletter may wonder why reports from some teams do not appear in the publication. Notably absent have been reports on the progress of our Senior teams. The editor can only publish the information that he receives. So how about it? There must be a scribe of some note in the Seniors - and in some junior teams too. The newsletter is published monthly, and the closing date for entries is the last week-end of each month. Your contribution to the newsletter can be left with the Secretary, or given directly to the editor, Ron Hellmuth, 1, Kintal Court (near the Karingal bowling greens.)

The executive committees of both the Soccer Club and the Red Devils Social Club have received a proposal from a member for the re-structuring of our Club. This proposal is currently under discussion, and further details will be announced in the next issue of the newsletter.

RON MATTHEWS ON THE BALL.

Ron Matthews of: CENTRAL PARK "DISCOUNT" SPORTS & TOYS has been, I am told, very active in helping club members with their purchases of their soccer needs. Thank you, Ron, and thanks too for yet another ball generously donated.

YOUTH GROUP IN THE SWIM.

The Monday night get-together of the younger set is proving a great success thanks to everyone involved.

One particular Monday night though (26th June), the hall was found to be unavailable and a swimming night was organised at Jubilee Park, which went quite well. So well, in fact, that it is hoped to do this again in the near future.

A film and pie night was organised on the 10th July for the 7 to 12 year-olds, and the turn-up was tremendous. Between ninety and one hundred kids attended, and besides enjoying themselves, behaved particularly well.

There will be another film night early in September. This time for the 13 to 17 year-olds.

And to this same group (13 to 17)
DON'T FORGET THE DISCO NIGHT ON 5TH. AUGUST
from 7-30 till 11-30.

Tickets at \$1.20 each will be available at the door or from Mark Broom (783 8526), Kevin Burrough (783 1007), Karen Clarke (783 9787) or Tina Allsopp (783 9607)

Should any reader have any games such as draughts, chess, darts, cards, etc. that you would like to donate to the Youth Group, please contact Mrs. Rhonda Clarke on 783 9787.

NEXT FUNCTION

This is to be a DISCO NIGHT ON AUGUST 19th. Tickets are now available from Doug Darville and will need to be paid for three days prior to the function.

-----oOo-----oOo-----

A PROGRESSIVE DINNER

We are hoping to run a Progressive Dinner on September 2nd. Our idea is to have sherries and savouries in the clubroom, then disperse to various homes for the soup and the main course, and then return to the clubroom for the sweets course followed by coffee. The floor would then be cleared for dancing and the bar facilities brought into operation.

Music will be by arrangement with one of our club members who has offered the use of his tapes, speakers, etc.

However - Our need is still to make money - So ladies - we would appreciate the availability of two more homes. And for DONATIONS of casseroles, etc. If anybody is willing to ensure the success of this function which so many enjoy would she (or he) contact Roy McLaren as soon as possible. Should no offers be forthcoming, then obviously the function cannot take place.

A RAFFLE!!!

WE ARE GOING TO RUN A RAFFLE.

FIRST PRIZE will be a WEEK-END IN SYDNEY FOR TWO. This includes return air fares and two nights accommodation at The Wentworth Hotel Plus \$50 spending money.

SECOND PRIZE: A gent's AND a ladies' watch - these being donated by our friendly watch repair specialist - MICK EAMES - (thanks Mick).

THIRD PRIZE: is a Digital Clock Radio.

CONSOLATION PRIZES: - Numerous!

Cost per ticket will be \$1. and 2,000 tickets will be sold. The majority of the profit going towards concreting at the club site.

A NOTE ON YOUR CLUB FACILITIES.

One of the jobs labouriously undertaken on the last working bee (weren't you there either?) was the washing of walls. It would therefore be most appreciated if managers and coaches could stop their boys kicking balls against the walls of their dressing rooms.

OFF AND ON THE SICK LIST.

It's good to see Jim Vesco around again.

We all wish Robert McNeil well, now in hospital for a cartilage operation.

BLANK SPACE!!!!

AROUND THE JUNIORS.

UNDER 10B.

Continuing good performance from the boys has ensured that they remain near the top of the ladder. Consistency from players like George Pezzuto, Paul Twaites and Steven Griffin in the forward line keep the goals coming, while the defence makes sure the efforts up front aren't wasted. Players such as David Clark, Andrew Costoglou and Darren Meader can always be relied upon to put in a good performance. I am sure that the support of the parents, which has continued throughout the season, has played a major part in the team's success.

Mandy Hull
Manager.

UNDER 11B.

The results this month were good again with two wins and two defeats, and the team hopes to pick up some more points in the three remaining games. Our squad has been boosted back up to 14 boys with the recent addition of Shaun Bajgar and David Buckley. Already, Bill Robertson and myself are thinking a bit ahead to next season.

The boys and their parents are eagerly looking forward to the "premier" of the movie

"KARINGAL 11B. versus PENINSULAR 11B".

The match was kindly filmed by parent David Chester - with his wife doing the "soundtrack", and it will be shown to the boys soon.

Alan Johnstone
Manager.

UNDER 13s

We have improved our form well, having played six games without defeat and are currently at the half-way mark in our league. So far we have defeated three of the top teams that beat us in earlier games.

I would like to thank Trevor Griffin and Bob Banks for being ever ready to run a line or blow a whistle if required.

Congratulations to Peter Schreiner in being chosen for the Victorian State Squad who go to Queensland during the school holidays to compete in the National Championships.

P.S. LOST -- a black and white soccer ball--

W.E.F. Sunday 30/7/78. I can be contacted on 789 5142. Sam Phillips.

UNDER 15s

The editor committed a most greivous sin in his own contribution to the last newsletter when he accused this side of losing their opening match with Melton - THEY IN FACT WON THIS BY ONE GOAL - His most profuse apologies go without question. The fact that they lost the return by a similar margin, will of course not be recorded in this issue.
