SECRETARY'S REPORT

1.

We have now completed one month of the season and things are at last beginning to settle down and the form of our teams is beginning to show, the reserves being the only undefeated team in the club.

One pleasing aspect of our seniors this year is the number of players who have come through from the juniors. Last week at least one third of the players had played in our junior ranks in the past, and five of them were in the first team. Well done boys - all of you. I would like to thank, and welcome to our ranks of managers Lew Hardy and my daughter Hanny Hull, both of whom stepped in only days before their teams were due to play their first games, and have now got the teams organised and playing. Lew took over the under 7s and Hanny the under 10s.

The executive committee is still short. Two volunteers are required to serve on this committee, one in the capacity of Public Relations Officer and the other as the extra member (no specified duties). I would be pleased to hear from anyone interested in filling either of these two positions. Listed below are the playing records to date of our various teams.

TREASURER'S REPORT

2

A cheque for \$500 has been received from the Red Devils Social Club to help pay the Soccer Club's running expenses. Members can best encourage this very necessary financial support by participating in as many Social Club activities as possible. Nice to see the U/8s, U/11s, and U/12s are all on the 'ball' with at least ten financial players each. Congratulations! Those who haven't done their duty yet, don't wait to be asked! Fees are due now - and Graham always has a receipt book with him (well, nearly always)!

Has anyone found a track suit top? A red one with a blue stripe down the sleeves, and with the club badge on the front left hand side. The size is for a ten year old, and was left in the club house. Would the finder please contact Trevor Griffin on 789-2686 or through the under 10 "B" team.

ALSO LOST - Would you Believe ??? One complete set of red shirts, and a white track suit top. These in a blue carry bag. Would the finder (and surely there must be one) kindly contact our secretary, Mr. Peter Hull on 781-2039.

- CHEESE & WINE NIGHT -

UNDER 8 "A" and "B"s.

At our away games on Saturday 29th April against Brighton both teams played very well with our goalkeepers Spiro in the "A"s and Bradley of the "B" doing a marvellous job only to let in one goal between them. Special thanks go to Mark Jones (A team), who scored 4 goals and Craig Millar and Craig Cameron (both B team players) scoring one goal each. My thanks too, to the parents who helped with transporting to boys to Brighton, and again thanks to all the boys for a very good day and very convincing wins.

P. LANGFORD.

UNDER 11 "A"

We would like to wish Steven Clarke's Grandmother a safe return home to England - We hope you had a good holiday Kath - we all enjoyed your company, and it was rich to see you had full control over your son. Thanks Noddy.

The team would like to wish Con Deliyiannis' brother Billy a speedy recovery from his recent appendix operation. We all remember Billy from last year's U/16 Colts side. Good luck, and speedy recovery to you. Steven Clarke's mother goes into hospital at the day of writing for a minor operation. Good Luck Rhoda. We want to see you back on the line shouting the boys on at our next home game.

We are sorry to hear that one of our assistant coaches has broken a bone in his ankle in a recent Reserves game. Hurry back Kevin Burroughs - We miss you.

Last but not least a big Thank You for all the parents for their wonderful support so far this season from our coach and the boys. Both Alan Hutchings and myself greatly appreciate it - Thanks.

and this support certainly bore fruit today (30th April) For this team played great soccer to beat a Pines under 11B side 16 goals to nil. The game produced three hat-trick scorers, namely Con Deliyiannis, Darren Allsopp and Gerrard McDonagh.

- WINE & NIGHT CHEESE -

UNDER 11 "B"

The season has started well for the team. A six goal win and two closely fought defeats in the league show the general improvement in the boy's play this year - all credit to coach Bill Robertson. Improved positional play, more accurate passing, goals being scored, and not to forget sometimes brilliant goalkeeping are signs of how the team is maturing. It is certain that more good results will follow in the weeks to come.

UNDER 14

We welcome the new boys to our club, and our new coach Colin Watson, who is working the boys hard. After being soundly defeated in our first league game we came up and won our second, it looks as though we will be doing a lot of travelling this year, as our closest home game being at Caulfield.

J.L.M.C. CUP 13th ROUND

5

A better than average round for us with five of seven teams winning through to the second round.

UNDER 9s. Springvale 2 v Karingal 4

An early goal came Springvale's way out with resolution Karingal came back to be 2 - 1 at half time with beautifully taken goals by Jason Gilbert and captain Andrew Coldrey. However Springvale surprised in the second half with another early goal to make the score two each, but all to no avail as Michael De Veer and Scott Thorpe hammered home another two and Neil Jones was unfortunate in having a good one disallowed. It was a great result and a great team effort by all the boys.

Best players:- Paul Moore, James Miller and Andrew Coldrey.

Te. Thornton, Manager.

UNDER 10s Karingal 4 v Lyndale 0

Karingal dominated this match from the start through to the finish. Three goals in the first half by J. Banks, F. Vesco and P. Bonnick were a measure of the control of the mid-field players and the constant pressure on the opposing goal by the strikers. The defence had an easy time of it although they had to deal with a few attacks in the second half. Jason Banks finished off a good performance with the fourth goal. Good progress in the Cup is hoped for with Karingal in sparkling form.

A. Ormond, Manager.

UNDER 11s. Karingal 13 v Pines "B" 0

The team was far too good for this Pines "B" side, being 9 goals in front at half time through Allsopp, Deliyianis, Clarke and McDonagh, and scoring a further 7 in the second half. Congratulations to C. Deliyianis (5 goals), D. Allsopp (3), G. McDonagh (2), S. Clarke (2) and M. Ahearn.

T. Allsopp, Manager.

- CHEESE & NIGHT WINE -

6.

UNDER 13s. Karingal 2 v Rosebud 0

Karingal played the best soccer in this game, scoring both goals in the first half. The second coming just before the id-way whistle. In the second half we dominate the play but missed many chances.

Goalscorers:- J. Phillips and A. Griffin.

Best players:- M. Banks and G. Harris.

S. Phillips, Manager.
