SEASON 1982

R E D D E V I L S

KARINGAL UNITED SOCCER CLUB MAGAZINE

Presidents Message:

The first issue of our club magazine for 1982, and we start to realise that the soccer season is underway again. With no magazine since October, it also makes us realise how much we depend upon this fine magazine, compiled by Alan Johnstone, for communicating the club's activities.

Our first senior squad this year again has Nigel Bevis and Bill Kiezenburg combining to coach and manage. With their success of last year and the composition of our league this year, I am sure they will be setting their sights very high.

The reserve squad is also fortunate in that two members, who in the past have given the club great service, are going to coach and manage. We all sincerely wish John Black (coach) and John Tweddle (Manager) a most successful season with the team. Given the clubs policy, of full encouragement to those juniors who have the ability to play senior soccer, the two Johns will play a critical role in developing our future first team players.

Recognising that the standard of Junior coaching is crucial to the development of junior players your executive committee were anxious to give our Karingal Junior coaches every support possible. With this in mind Alan Parrott, who has considerable experience both as a player and coaching juniors, was approached to take on the newly created position of Director of Junior Coaching. Alan's role will be to co-ordinate coaching Methods and Standards, and to assist Junior coaches whenever possible. I'm sure our Junior coaches will welcome this development and take every opportunity to use Alan's knowledge in 1982.

KARINGAL FIRST

For the first time, Karingal United Soccer Club now has its own delegate on the Frankston Council, and we are delighted to welcome Councillor Geoff Holland in this role. Geoff will be available to assist us with Council matters whenever he can, and this provides us with better communication and easier access to the Council.

Geoff Holland is in his first term as a Councillor for our Ward, and lives quite close to Ballam Park. At present Geoff is headmaster at Monterey Primary School and prior to that he was at Karingal Heights and Ballam Park Primary Schools. We look forward to a happy association with him in the future.

Over the past few weeks a considerable amount of dialogue has taken place with the Frankston Council on changes that we would like to make to both the clubrooms and the playing area. This year we intend to fully floodlight one pitch to enable us to have better training facilities and also play some night matches. We also intend to build a canopy in front of the clubrooms to give some protection from the weather to our supporters. Council have given us good support on these proposals, especially Councillors Jane Hill and Geoff Holland who have given up their time to attend meetings with us. In fact we have to welcome Geoff Holland as the Clubs delegate on the Council.

This will provide us with better communications and access to Council and will be of major benefit to the club in the future.

In conclusion let me say that we are working to make this 'The Year of the Red Devils'. I hope that whatever your activity is with Karingal United Soccer Club in 1982, it will be a rewarding and enjoyable experience.

Brian Moran.

WORLD TRAVEL

Once again we are pleased to have World Travel Headquarters, Frankston, with us as our major sponsor for the 1982 season.

Last year, World Travel kindly donated the major prize of our end of season raffle - a weekend for two in Tasmania. It was a highly successful raffle [won by Brendan Makin], and World Travel have agreed to donate a similar prize for the end of this season.

It is a two way thing though, World Travel are helping us, and it must be up to us to help them as much as we can.

If you have any travel arrangements to make within Victoria, Interstate or overseas, we urge you to contact World Travel. You will not get a discount on your arrangements but you will get a good friendly and efficient service, and Karingal United Soccer Club will benefit as well.

It is important that you let them know you are from our club and also let Alan Johnstone know as he is keeping a record of all transactions. Remember, support the firm that supports your club.

No. 1 MAR. 1982

SECRETARY'S REPORT

A new season is fast approaching and the club is gearing up to meet what promises to be an exciting year and a busy one. Most of you will already know, particularly those who attended Registration Day recently, that a new key for entry into the club has been issued and your old key will no longer gain you entry. So it is in the interest of all members to renew your membership as soon as possible.

It is the intention of the club to run four senior teams this year, two in the Provisional League Division One, and two in the Bayside League. We also intend to field juniors in all age groups from Under 7's through to Under 16's. If we succeed in getting the registrations necessary, it will be the first time for four seasons that we have been able to do this.

There are also some improvements around the club-house and grounds that are expected to be completed in the near future. Mainly an improvement of our ground lighting which will help teams particularly during training and the erection of a canopy over the concrete apron facing the grounds. This obviously will benefit the brave and hardy spectators who watch our seniors in the depth of winter and go home drenched after a match. No more!

The league season for the Seniors gets under way on March 20th with a home game in what is to be an extended season, there being 14 teams in the league now instead of 12. The junior program is not scheduled to start until after Easter. By then all teams will be raring to go I'm sure.

Our Darts section is also growing. We now have five teams playing in the MPDL, the current season of which is already under way. This section of the club has been very successful over the past few years and will, I'm sure continue to be so over the current year.

I would like to take this opportunity of welcoming all new members to the club and welcoming back past members who have returned to us again this year and may I wish everyone, all players both Senior and Junior, parents and members a happy and successful season.

KARINGO - WHAT?

IMPORTANT

Almost every week, both on training nights and during matches we are having complaints that money is being taken from players clothing left in our dressing rooms. The consistency with which this is happening suggests that who ever the guilty party is has a very close relationship within the club to be able to move around the dressing rooms without arousing suspicion. When this type of thing happens it is obvious that certain people who are seen around the dressing rooms frequently are going to fall under suspicion. During the pursuing weeks we will be making every effort to catch the offender. We hope that anyone who has any knowledge of these offences will come forward and in complete confidence speak to an executive member about any information they may have.

SOME JOB!

Everyone knows that the position of club manager in our club is very demanding what with organising hires, ordering stock, organising bar rosters, being available to take deliveries, opening up and closing down the clubrooms, acting as barman (many times more than anyone else), and, of course, taking complaints.

The job of club president is demanding, in other ways, sitting in all meetings, being a member of sub-committees, attending meetings with players, dart members, coaches, council members, and being on bar rosters.

For someone to do both jobs for nearly six months doesn't bear thinking about, but that is exactly how Brian Moran spent his summer. Never one to complain Brian took on both jobs and did them well. Sadly, very few of our members would ever be aware of just how much time and effort he did put in. He would never look for any praise, but I think he should get some recognition for the great job he did. He deserves at least that. Thank you, Brian.

Alan Johnstone.

SOCIAL

Since our last issue things have been a little quiet on the social scene. December 19th saw a packed hall for the Xmas Dance, music supplied by Michael many people turned up without tickets and this created some seating problems.

The Xmas Hamper raffle was won by a pensioner living off Kars Street and the Turkey was won by Bev. Button.

This year we hope we can come up with something to suit everyones taste.

March 13th: is the date of our first function and it will be a first for us - a "naughty" film night.

Cost is \$2-00 per head and bring your own supper. Come along and join in the fun, have a few drinks, watch the films and enjoy yourselves.

March 28th: is FETE DAY with all the usual attractions. We are looking for anything saleable, so dig out any books, clothes and bric-brac. Either leave articles at clubhouse or contact any social committee members to arrange collection.

April 17th: Michael will again provide the music for one of his great dance evenings.

We are currently running a raffle with 600 tickets for sale at 50cents each. Prizes are sporting goods available from Central Park Sports, so buy a ticket and help out.

Roy McLaren.

150 CLUB.

The 150 Club will be in action again this season. The first draw will take place in the Clubrooms on Friday 26th March and on the last Friday of each month right through the season.

There are still tickets left and if you would like to take part in the monthly draw - \$2.00 per month - please contact Roy McLaren.

COACH'S COLUMN

The first report of the season finds us in Division One of the Provisional League together with 13 other prospective Metro league teams, for that is the next step - the advance to the Metro League.

Our aims this season, are, as always, the most positive - the Provisional League, Division One Title, Reserve Title and, of course, the Provisional League Cup. After the re-shuffle left us with Ballarat alone in Provisional One it would seem that those two teams should be the strongest and hence favourites for the league and cup - of course we know we can beat Ballarat! So we start favourites for the season 82, and why not! with the glittering array of talent available this year. Almost all of last years team are back and add to this some very important signings, including the Provisional League top scorer Sammy Jordan from rivals Shepparton. Irishman Sammy scored 28 and when we remember our own Peter Horton was 4th with 19 these two represent a formidable pair in the striking dept.

Along with Sam comes close friend Dave Sharp. Dave, a Liverpoolian is a defensive midfielder and will add much bite and ball winning, missing last year. 17 Yr. old Ritchie Armstrong from Pines should fill a centre back position. This youngster displays talents and experience that belies his years and is indeed a lucky find. The talent scout was Roy Brooks. South African Brian Crothier from Chelsea is another experienced and skillfull player that should please Karingal fans. This left-footed midfielder or attacker is very strong, skillfull on the ball and has a powerful shot. Back from Keysborough is old favourite Billy Jara, "Chilly Billy" is still fanatical about the game and retains all his super skills.

Russell Bexon is another handy signing who will support the senior side ably. Work commitments will restrict Russell's appearances until June, however we can look forward to that from this talented centre back or midfielder.

In all we have a most capable and exciting squad to chose from for season 82 and a good mixture of youth, experience, skill pace, strength and ability. Coupled with more than adequate depth that I'm confident will see us successful this year.

Preparation was late this season as usual. This year, compounded by the league being brought forward by two weeks gives us a shorter time than I would have liked, and I hope this does not upset our first few matches.

We hope we can entertain you this year, in any event, and look forward to a happy and successful season.

Nigel Bevis.

RESERVES.

The Reserves were very successful last year and finished second in the league. The signs are there already, that the coming season could be even better.

John Black is the new coach of the Reserves this year, and John is well known to many Karingal members. He has been with the club for several years, as a senior player, as an executive committee member, and as a proud parent watching his son Alistair in the Under 7's last year. John played for Chelsea in the Bayside League last season but fortunately he is back involved with our seniors again.

The manager of the Reserves is John Tweddle and he certainly needs no introduction to Karingal members. Senior player, assistant reserve coach, junior coach, committee member, clubhouse manager, - what more can you say!

With the two Johns in charge, 1982 looks good for the reserves and already this has been confirmed in their two full friendly matches so far. Against Metro side Ringwood United, they came out 3-2 winners and then a week later they hammered Metro side Footscray JUST 7-1. One of the highlights of these matches is the excellent games put in by young juniors, Martin Moore and Andrew Durieux. In the Footscray match, Andrew scored four goals and Martin picked up one. This must surely be an inspiration to other juniors coming up through the ranks.

We urge Karingal supporters to get to the ground early on Saturdays and watch and support the reserves. You won't be disappointed.

Alan Johnstone

BAYSIDE LEAGUE

WELL! The Strollers won the cup last season - for all those who did not know!

This year we hope to field two first teams and a reserve team AND bring 3 cups back to the club [and three league titles as well!].

This can only be achieved with the help of YOU THE MEMBERS. So come on, give us your support on Sundays.

The leagues and fixtures are being sorted out at the moment and as soon as a fixture list is available it will be posted on the notice board in the clubrooms.

A big welcome to all squad members and parents for the 1982 season.

With the return of all last year's squad and the welcome addition of a new boy - David Roberts [played with Langwarrin last year] - we have a squad of 13 boys to start off the year.

This year will see the Under 11's playing in competitive soccer and cup rounds - both Steve and myself know the squad will show their colours well as they have done so in past years.

With training commencing on Tuesday 9th March, and the first friendly match away to Hampton Park on Sunday 14th March [followed by a get-together barbeque], the boys should get into full swing for the first match of the season - the Cup Round on 17th April.

JT CORROSION

Our senior team will be sporting attractive track suit tops this year, and all thanks for these must go to John Turkovic of J.T. Corrosion for kindly donating the cash for the purchase. John's son Steven has signed up for our Under 12 team this season, so we look forward to seeing John around the club in the coming months.

Members will receive a Double R Discount Valued Customer Card with their membership card this year. The idea is that if you are in the market for an electrical appliance, shop around for your lowest price, THEN see Double R Discounts who are confident they can beat almost any price. When you have agreed your price with them, THEN produce your Valued Customer Card and they will give you a further discount. You can't really beat that sort of deal, can you.

REGISTRATION DAY

Registration Day on 28th February this year was quite successful. There was a rush of people when it started at 10.30 all registering their sons and paying their subscriptions. By 2 o'clock it was all over and over 80 families had signed up for the new season - not as many as last year but still a good number for any registration day.

"Don't tell me the club is going to buy a new player"

TEMPO GYM

One success of last year that did not get the publicity it deserves was the introduction of Ladies Tempo Gym on Tuesday evenings.

These special keep fit classes are back on again this year - again on Tuesday Evenings in the Clubrooms 8p.m. - 9p.m. Sylvia Daisley (with some help from Margaret Moran) in charge of the sessions. The cost is a low 60cents a week.

The ladies are always looking for some new members, so why not come along on Tuesday evenings and give them a try.

NEW CLUBHOUSE MANAGER

We welcome Alf Butler to Karingal United Soccer Club as our new clubhouse manager. Alf took on the job last month and is gradually getting on top of all the many tasks he has to do, and getting to know many of our members.

Alf is no stranger to our club. He has lived in Karingal for eleven years and in that time he has had two grandsons playing as juniors with the club. In the years before that, Alf, who originally comes from London, spent many years in the RAF then the public service before moving to Australia in 1970. Over here he worked as a credit officer, then two years as postmaster at Karingal before retiring.

It's good to have Alf with us and it is hoped that all our members will get behind him and give him all the support he needs.

ALAN JOHNSTONE

Two men were in the changing-room at the golf club. 'Good heavens, Willie,' said one. 'How long have you been wearing a girdle?' 'Ever since the wife found it in the glove compartment.'

Policeman to drunk Scot: 'Where are you going at this time of night?'

'Ah'm goin' tae a lecture.'

'Who's giving it?'

'Ma wife.'

The dart season kicked off this year on the 17th February with some good news for Karingal. We are now sporting five darts teams with a new team formed by Doug Beardsworth and his wife Karen and I know that the club and players wish them all the luck in the new season.

With the average number of team members about 10, this makes Karingal United Soccer Club the biggest club in the Mornington Peninsula Darts League and we know that with 50 or so members of Karingal United Soccer Club playing darts, there must be a bit of interest in the club. Also with this amount of players we will soon have many trophies to display in the club along side the soccer trophies. There is a trophy cabinet being erected in the club for this very thing. Let's hope it goes up soon as there are a lot of trophies still around of past years achievements.

With that there are so many dart players, and I hope they read this column, the captains of the five darts teams have requested that the Executive Committee allow us to have a darts representative for the club. If this is approved, we will have his name put up on the notice board, then any player with a grievance can contact him and he can try to put things right. This will save the Executive from a lot of small aggravations. Also this will give the players someone to speak up at and M.P.D.L. meetings that are held once a month.

The captains this year are as follows:-

- Karingal 1 : Terry Allsopp [2nd Division]
- 2 : Ray Saunders [4th Division]
- 3 : Bob MacIntosh [5th Division]
- 4 : Doug Twaites [5th Division]
- 5 : Doug Beardsworth [6th Division]

The club now on a Wednesday night has a new club manager to look after the Boards. He will put the boards up for the teams and see that everything is ready on the night. We would like to give our best wishes to the manager and we know he will do a good job.

I wish all teams the best of luck this year and let's hope Terry can take Karingal 1 into the 1st Division.

Ray Saunders

"KARINGO BINGO"

Did you know that we run Bingo regularly in the clubrooms? It is not widely known, but we do, in fact, hold bingo sessions on the first and third Fridays of each month.

It's not the big high powered crowded bingo sessions that go on around town. Let's face it, not everyone wants that! We don't even try to compete with their big prizes either! Instead "Karingo Bingo" offers you pleasant surroundings, good friendly atmosphere, not too many games, reasonable prizes [depending on numbers turning up] - all in all a pleasant social evening.

The sessions [first and third Fridays of each month] start about 8.30 giving you time for a few drinks and a chat before games start just after 9 o'clock. These go on until about 10.30 then you can finish off the evening with a few more drinks.

Sound good? Then come along and give us a try.

The "Vine" Column is here again for another season, and once again over the next seven months, we will be looking for new items. Anything at all - birthdays, anniversaries, special occasions, overseas visits, announcements, anything of interest that you would like printed in this column, just ring Alan Johnstone 789-4057.

Good to see Gary Horton back as a junior coach again. Gary coached a very successful junior team for several years some time back and its very pleasing to see that he will be coaching our Under 7's this year.

Watch out for some changes around Ballam Park this season. Additional floodlighting [to ease training problems], ground improvements and the much needed canopy to the clubrooms - are all scheduled to take place during the coming months.

We now have five darts teams in the MPDL making us the biggest club for darts players on the Peninsula.

One of our regular magazine reporters recently offered to coach one of our junior teams, but we had to turn him down when he outlined his plans to replace the two goalposts with four and introduce on oval ball to the boys!

We welcome Bill Dunstan and his wife Dorothy to Karingal United Soccer Club. Bill is Bill Daisley's brother-in-law and he is out here from England on two months holiday. He is no stranger to soccer either because about 3 years ago he was playing for Southend United in the English Football League. We look forward to seeing them around the clubrooms.

Congratulations and very best wishes to Martyn Saunders and Joy Gardner who were married on Saturday 6th March. Martyn is a popular member of the Karingal senior - squad.

Don't forget, please ring Alan Johnstone with your news items - 789-4057.

WHAT'S BEEN HAPPENING ?

The soccer season may have ended with the last magazine in September last year, but the activities at Karingal Soccer Club carried on right through the summer.

The end of season dance at Frankston Technical College was well attended [160 were there] and the following awards were presented:-

Bob Brickley	[Senior best and fairest]
Alan Parrott	[Runner up]
Tony Mackay	[Reserve best and fairest]
Jim Hull	[Runner up]
Peter Horton	[Top scorer]
Tom Hanlon	[President's trophy]
Jean Callan	[Club person award]
Rune Gustafsson	[Bayside best player]
Bill Kiezenburg	was awarded a life membership for all the work he has done over the years.

The day after the dance [27th September], was Bayside Reserve League Cup Final, and in front of a huge Karingal crowd at Frankston City Soccer Ground, the Strollers took out the Cup with a great 2-1 win over the Army. Celebrations back at the Ballam Park Clubrooms went on well into the evening.

At the Annual General Meeting in October the usual forty or so members turned up. The new committee was elected with Brian Moran as President for a second time.

Late in October, Nigel Bevis accepted the appointment as senior coach for a second season, and Alan Parrott was appointed Junior Director of Coaching.

The Halloween Dance at the end of October was very poorly attended which was sad because the band "Sound Spectrum" was excellent and the supper laid on by the ladies of the committee was perfect. Despite the poor turn out, it was a great night.

The Christmas Dance on the other hand was a sell out, with some great music provided by Michael. The New Years Dance was a similar great success, with Michael again in charge of the music.

January and February saw the start of training for the seniors and bayside teams with a number of friendly matches on Thursday evenings and Saturday afternoons. Suddenly, a new season is here again.

EDITORIAL

The first edition of the Club Magazine for 1982 and the magazine moves into its third year. Although there is no real feed-back from the majority of our members, I believe it has been quite well received over the past two years. Again this year, once a month, right through to September, we hope to cover all the Club's news - seniors, juniors, darts, social, keep fit - in fact every activity that goes on within the club.

Our magazine sponsors have rallied around us again this year together with a few new ones. Every year I can never stress enough how important these sponsors are. Without them there just would not be a club magazine in its present format - even more so this year with spiralling printing costs. I feel the magazine is an essential part of the club now, which makes the sponsors equally as essential. Now it is you, the members who should help our sponsors by checking out the adverts and by using them whenever you can. They deserve your support.

Last year was a big year for the club. The seniors won promotion to Division 1 [even before the re-shuffle], the Reserves were runners up in their league, the Strollers won the cup; several junior teams were successful and the darts were not left out of the trophies either. This year we have Nigel Bevis back with the Seniors, John Black is coaching the Reserves, we have three Bayside teams, Alan Parrott is Junior Director of Coaching to assist our junior coaches, and we have five darts teams. 1982 looks like being even bigger.

The next issue of the magazine in the middle of April - will include all the regular junior team reports and club and player personality profiles. Look out for it.

Finally, the big fear of any magazine editor is that it becomes stereotyped and dull as time goes by. I am always looking for ways to improve the magazine and if anyone has any suggestions I would be happy to hear from them. Ring me on 789-4057.

Hear about the boxer who went to the doctor complaining of insomnia?
'Try counting sheep,' suggested the doctor.
'That's no good,' replied the boxer. 'Every time I reach nine I get up.'
