*****COACHE'S REPORT*****

A very encouraging start to the second half of the season with 2 wins and 2 draws in the first four games and a goal difference of 8 against 2. An important month coming up with today's visitors Essendon, still in the hunt, and Port Melbourne in two weeks time. Losses in the first half to these sides are results we dearly need to reverse. A successful month here could mean we will be on around thirty points with five games remaining. An educated guess is that some thirty six points or so will win promotion to division 2. This is becoming quite realistic, although it will be our toughest task to date. What is satisfying however, is that week after week we discover that we are playing former stars and this week is no exception with former Australian representative Billy Vojtek and Green Gully Ajax's Andy Segei, yet we are more than holding our own with our local talent.

Behind the scenes we are working to double our fitness and have invited Jim Kerr, formerly of Pines and Rosebud, to join the coaching group, as well as Chris Fletcher who will concentrate on the goalkeepers. Jim won't be playing unfortunately, but will be providing an excellent opportunity for Norm Wood and myself to specialise individuals & groups whilst the main pool are kept active and supervised.

Individually, a welcome return of form for Andy Wright and Martin Moore and an injury free top 13 players is giving us headaches with team selection and keeping pressure on all players to perform to keep their places in our No. 1 Team.

The following boys have been awarded the KUSC Superstar Certificate for their contribution to the squad; Paul Albert, Ben Winning, Craig Williams, Simon Boundy, Jamie Ferguson, Danny Patten, Steven Casham, and Luke Frederickson. I would like to introduce the members of our "A" Team to everyone and they are;

DAVID SPLATT: Team captain and outstanding in skills and positional play, David's ball control is immaculate.
LUKE FREDERICKSON: A valuable player who is reliable in goal and can score goals when played in attack.
BEN WINNING: A most capable defender with the strongest kick in the team, Ben also likes to score goals.
CRAIG WILLIAMS: A dynamic midfielder who dominates play with his tireless and intelligent soccer.
JAMIE FERGUSON: An enthusiastic and developing player equally capable in defence and attack.
JED SHEARN: Fast skillful and dedicated, Jed has all the qualities to make a top class player.

*****JUNIOR ROUNDUP (CONT.)*****

UNDER 7 (Cont.)

On Sunday 15th July the team will take part in the annual Under 7 Carnival at Skye, this day also being double Superstar Paul Albert's birthday, who transferred to us from Skye!!! What a home-coming!!!

UNDER 8

Our two teams continue to show good form and since last edition have won 4 and lost 2 scoring 12 goals and conceding 7 with our goal scorers being Andrew Docherty 4 (including a hat trick), Stephen Oakley 3, Shaun Upston, Craig Finlay 2, Mark Sargent and Darren Pead. On Saturday and at practice coach's Bernie and Steve have settled the boys into two workable teams that will form the basis of an "eleven" for next year at the same time developing the boys personal and team skills, a task that has been helped by the assistance at training of several Senior Squad players. Our thanks go to Senior Coach Nigel Bevis and the players concerned for their assistance.

UNDER 9A

Our boys have not played for the last several weeks due to the McDonalds Superskill Tests that have become a regular annual event but coach Gary Horton is extremely pleased with the progress that every lad has shown in their first year on the full sized pitch and we have the basis of a very good side for the future.

UNDER 9B

The break that the McDonald Superskill Tests are allowing us are very handy at this stage of the boys progress as the side are predominately Under 8's and it has not been easy for the boys competing in a very strong league against older boys on a full size pitch. Although our lad's task has been very hard as they were thrown together after the start of the season each and every boy has shown tremendous keenness and dedication, their character being of the highest order. They WILL Win.

UNDER 10

At the half way stage of the season the results are encouraging but there is still a lot of work to be done.

Our results to date are;

Played 9 Won 5 Lost 4 Goals Scored 38 Goals Against 12

The standard of play has dropped since last season, however with 4 boys who have never played before this year and 2 boys with very limited experience in our small squad of 12 this was to be expected. Pleasingly the boys have worked hard and have shown considerable improvement since the early matches.

It would be remiss of me not to give 4 of our regular boys a pat on the back for their efforts in helping the newcomers to settle in & the extra effort they have put in. Our two regular mid-fielders, Stephen Anderson and Daniel Docherty have virtually won matches against all odds with Daniel our top scorer with 13 goals and Stephen hot on his heels with 11. Gary Casham and Stephen Shaw are our other two experienced boys with Gary's strong running down the right wing has helped take the pressure off our defence, with Stephen alternating between Centre Forward and Goal-keeper. It goes without saying that these boys are our most regular attenders at training. Well done boys!!!!

UNDER 11

June 24th Vs South Oakleigh WON 5-2

An even game in the first half with both teams making the most of their opportunities with honours even 1-1 at the break. A strong second half from our boys saw all team members contribute with the goals coming as the result of unselfish team play. Scorers were; J. Trevaskis (2), D. Austin, A. Irwin & D. Price with Daniel Austin awarded a SUPERSTAR CERTIFICATE for his contribution.

July 1st Vs South Springvale WON 4-1

A controversial goal just before half-time gave us the equaliser against a side playing the off side trap to perfection. A nearly goal in the second-half fired the whole team and we made the most of the opportunities that we created. Scorers were David Price (3) and Simon Kent and the SUPERSTAR CERTIFICATE was won by Shane Mc Gowan.

*****JUNIOR ROUNDUP (CONTINUED)*****

UNDER 12 "A"

We have now reached the halfway mark of the season. Unfortunately it appears that we have hit a bit of a form slump at the moment, as we have been struggling some what in our last couple of games. In our last two games we defeated Beaumaris 3-1 Baxter 2-0, but these are bottom teams which we normally should have beaten by something like four goals. The goal average will play a big part deciding the four top teams at the end of the season. All sportmen (even professional ones) have some slump, so there's no reason why we should not have one. Even though we are not playing at our best at the moment, we are still winning and that's the sign of a good team. I have never seen these boys give up, they have always fought it out to the very end and that was evident against Baxter where I personally was prepared to settle for a draw, but the boys were not and that spirit saw us win the game. I am confident that we soon will be back to our usual good game. We still have an excellent chance of winning the league, keep it up boys.

UNDER 12 "B"

Since our last report, our boy's have played Skye away which we won 6-1, last week we played a very strong Crambourne side winning 2-0. Bill Thomas was voted most improved player up to this match. It was good to see the improvement in the boy's since the start of season. With the effort and team work being put in the boy's will have a very good second half of the season.

UNDER 13

After a very close match against Baxter in which we lost by the only goal, the boys have encountered very strong teams from Croydon and South Springvale and only managed one goal whilst conceding a bundle and although all boys are trying very hard, they are no match at this stage of their development for these two clubs. All boys are however showing advancement in their skill level and with the effort that they are putting in it is only time before everything clicks and they start to threaten their more fancied rivals. KUSC SUPERSTAR AWARD CERTIFICATES have recently been awarded to Lee Taylor, Doug Armstrong and Michael Parratt.

*****JUNIOR ROUNDUP (CONT.)*****

UNDER 14

JUNE 24th Vs. CLARINDA Won 2-1

A brilliant first half saw the team run rings around the opposition with Warren Vowels scoring a fine goal just before half-time sending us into the break with a much deserved lead. Clarinda started the 2nd half with tremendous vigour and scored the equaliser not long after, but pressure soccer for a sustained period saw another fine goal, this time by Jason Day, giving the boys a much deserved win.

JULY 1st Vs. VERMONT DRAW 2-2

A very hard fought game saw a result that none could argue with and we remain 1 point clear of this side in top place and we remain the only undefeated side in the league, and I'm told the club.

KUSC SUPERSTAR CERTIFICATES went to Jason Day and Stephen Bottomley. Well done lads

UNDER 15

Missing the outstanding talents and consistency of Andrew Coldrey and Eddie Murphy for his second successive league match due to injury the team never the less put up a fighting performance against Lyndale before going down 2-3.

Jim Millar played strongly as usual and was well supported by Paul Moore with Andrew Astfalck also doing well in midfield, however the man of the match was Mike Taylor. His strong running and ball winning prowess were missed in our last league match against Clarinda when he was injured. He more than made up for it today however and was well supported by under 14's player Bradley O'Neill who positioned himself well and was unlucky not to find the back of the net. Goals were scored by Jim Millar and Mike Taylor.
