A LESSON IN LOSING

Saturday 29 April saw the first round of the Junior Cup Competition in which most of our teams faired rather poorly. I travelled with the 12B Manager, Dick Jones to Nunawading to see the U12Bs play. After just a short time it was apparent that the Karingal side was up against a vastly superior side, and the score at half time was 8-0.

Nobody likes to see a team take a hammering of that magnitude and it was interesting to see how the boys would have answered the onslaught of goals. At no stage did they ever give up trying to score although never passing the Nunawading half way line more than four or five times. There was no needling comments amongst team mates and each lad did his utmost to contribute. When the game finished with a final score of 17-0 to Nunawading the boys came off the pitch with their heads high without any apparent concern at losing, because I feel sure they had given their best effort.

To see soccer played in this spirit made me very proud to be part of Karingal. Whilst we always play to win there is no disgrace in losing to a better side when you have given everything you've got. A lesson which many of us should remember especially at the junior level of soccer.

BRIAN MORAN
PRESIDENT

PS The U12Bs won their league game 2-1 the very next day.

"I've got a score to settle with their number nine ... he introduced me to my wife"

"It was the way you forced their keeper into thinking you weren't going to shoot ... and the way you forced me when you did"

KUSC KAPERS

The FA Cup Final is just around the corner and several members have suggested the Club hire a large screen for the night. We anticipate opening the Club at 11p.m. but would like all that would attend to advise a Committee man immediately so that we can arrange this night. It will not be organised unless we have enough people willing to attend.

A Great Score!! Moorabbin 20 Karingal 80. No its not goals, it the number of supporters at the recent match between the two teams. The game was, of course, played at Moorabbin. It is indeed, pleasing to see the support our senior teams are getting, not only at home, but also away.

Best wishes from all Club members to one of our youngest lads, young Craig Williams, who is out of action with a broken wrist, an injury not attributable to soccer. The under 7's will certainly miss this little terrier.

Whilst on the Williams family, I would like to welcome Alan and Glenda to KUSC and I marvel at how they survive Saturdays with one son playing for Langwarrin and Damien and Craig wearing the Red and White. Alan of course, is one of Victoria's leading jockeys and Glenda a budding trainer. Saturdays for them starts with trackwork and exercising horses whilst the rest of us are still in bed.

Good to see Tony from Tony Elison Autos at our last three matches. Tony is an ex committee man from Frankston City and he remarked at how surprised he was at the standard of soccer played by our two senior teams. You aint seen nothing yet, Tony!! Our best days are yet to come.

There is no truth in the rumour that our Club room extensions are being completed by the same company that built the Arts Centre. We should therefore see them completed before 1990. I hope!!

MAY 12th Vs MOOROOLBARK.

The committee and members would like to welcome all players officials and supporters of Mooroolbark to our Ballam Park ground and extend the facilities of our club to them. We play our return match against todays visitors at their Esther Park home on August 11th and no doubt we will have to compromise our strip for them as they also play in Red& White. We look forward to a fast and entertaining match today and one I am certain will be played in the right vein.

COACH'S COLUMN

After a difficult period that produced only 50% success we at last got back amongst the goals against Moorabbin with a brilliant 5-3 win. Our results had waned recently as we lost the consistency we had built up early season with player changes and complacency causing what I hope is only a minor slump. We are still winning and our over all club performance is better than our rivals, Proving that we are indeed a strong club. We are not without a chance for the league however I feel that we are a little bit light in experience to overhaul teams like Hamlyn,Essendon and Prahan in the long run unless we can rebuild consistency,increase fitness and maintain a constant availability of key players. Defensive problems are a major concern with far too many goals being conceded, often against the run of play, We are working overtime to correct this for we cannot expected to score 3or4 times each match to win. Overall the club can be very pleased with the seasons effort so far as the following statistics show.

	P	W	D	L	F	A	PTS.	Position
1st Team	12	9	1	2	34	18	11	4th.
Reservers	9	8	0	1	25	10	14	1st.
Overall	21	17	1	3	59	28	25	1st.

Our reserve side suffered its first loss rently against a side that was far more enthusiastic on the day. On the credit side Craig Passe And Ray Dunn who have been a force in our second team played with the senior side that day and a word of congratulations must go to Graig Miller who kept goals for our reserves on this day. For those unaware, Craig is our under 14 keeper'''. It is lads like Craig with which K U S C'S future is assured.

JUNIOR JOTTINGS

'Varied success' would be the best way to describe the last two weeks of junior soccer at Karingal. The sub-junior teams began their season last week-end and won all but one game - a very good start for the young boys. The older boys were involved in the VSF Junior Cup, but the draw did not favour Karingal with all but one game being away and to very strong opposition resulting in all teams being knocked out, although the U15's and U16's had byes and could be more successful in the next round.

A big welcome must be made to our 'newest' team - the U9B, which was formed, entered into a league, and played its first game all in one week! Well done boys and thanks to the parents for rallying round and helping at such short notice. (Incidentally, we are still looking for a Manager for this team, if any one can help please let the committee know).

The teams remain undefeated - the U12B's with three wins and the U14's with two wins and a draw, the U17B's have yet to concede a goal in league games. Again, congratulations to these two teams.

In other news, the junior players will be pleased to know that the 'Soccer Action' hat trick award will again be sent to players scoring three or more goals in a game. In addition, the Club now has its own certificate which will be awarded to players who, in the opinion of the Manager and Coach, have made a significant contribution to their team during any one game.

The McDonalds Skills Award will again be operating this year and coaches will be working through the skills in training over the next few weeks.

The next few weeks should also see senior team players invited along to training nights to assist team coaches in teaching basic techniques and skills. Our thanks must go to Nigel Bevis and his players for giving their time and showing such interest in our young players. Perhaps the junior players might give some of their time to supporting the senior players on Saturdays?

The boys might even learn a few pointers for their own game!

JUNIOR JOTTINGS (Continued)

The end of May and beginning of June will see a number of International games in Melbourne, it is hoped that we can arrange to get a number of groups of boys to see at least one of these games. More details will be available later, through team Managers.

To finish up, it is pleasing to note that the Club has been asked to host a Coaching Seminar for local coaches, an U14 Regional Squad Presentation Evening, and the draw for the second round of the VSF Junior Cup. We do not always have to win games to be a successful club - just to be a happy group of people who enjoy taking part in the Club and watching our sons enjoy themselves - this must be our major target throughout the season.

SNAPPERS SOCIAL SNIPPETS

Mini Lotto is starting to attract the same support as it enjoyed in 1983 with the prize jackpotting the last two weeks. Get your tickets. Support Mini Lotto. The draw is held at our social night at the clubrooms every Friday night with ALL members welcome.

On June 16 a progressive dinner will start from the clubrooms at 7.30 with Sherry & Savouries followed by Soup, Main Course, and Sweets. Tickets are now available at just \$10 per head. Let us all get together on this night and get to know each other and as well as enjoying ourselves help OUR club raise the funds so necessary for our existence.

DONT FORGET TONIGHT, S DANCE AT THE CLUBROOMS.....
I KNOW MOST OF OUR SENIOR PLAYERS WILL BE THERE.....
LET'S SEE IF WE CAN OUTNUMBER THEM 2 TO 1.....

JUNIOR ROUND UP

UNDER 7 - A squad of 11 players have been training regularly since March and two new players have recently joined the team.

With the experience of three friendly and two league matches under our belt, we are all - players, parents, coach and manager - looking forward to what we hope to be a successful and enjoyable season.

UNDER 8 - The under 8 squad this year was a large one with 21 boys, too many for both coaching and on match days. We have transferred nine boys to the Under 9s and together with the surplus from this age group formed an additional team. All boys will now receive good individual coaching and play a match every week. Prior to the Division we played 6 friendly matches and 4 wins and 2 losses.

Our first league match was against Cranbourne, our A team not settling down until late in the match with the boys turning a 1-3 deficit at half time into a 3-3 draw. Shaun Upston, Simon Pate and Daniel McGowan were all active in defence in the first half with Damien Williams setting up play throughout enabling Paul Dobinson, Andrew Docherty and Steven Oakley to score. The B team overpowered Cranbourne 5-1 with goals from Mark Sargent (2), Craig Finlay, Neil Cooper and Darren Pead and Ryan Carter clearing well in defence.

UNDER 9A's - This was the boys first official match on the full size pitch and to their credit they held position extremely well, used the full width of the park effectively and even more importantly enjoyed their game immensely. On a day that saw us victorious it would be unfair to single any one player out for special mention. Congratulations boys. Karingal 3 Hastings 0.

UNDER 9B's - This hastily organised team made up of under 8 and under 9 boys was formed this week and who had not played together before or indeed even met one another played in competition with half the side never playing on a full size pitch before and did their Club proud. Against a skilful side the boys put up an enormous fight before going down 0-2 with goalkeeper Mark Harman starring. KUSC has never been more proud of one of their sides. Keep it up boys.

UNDER 10's - We started off this season exactly as we ended last season, by thrashing Mornington. In one of the most one sided matches ever seen, it was really no more than shooting practice, our boys made and indeed took their chances very well in this 15-0 victory. Two own goals along with goals by Tyrone Power, Danny Burns, Stephen Anderson (2) and a massive 9 goals to Daniel Docherty made up the score. Hat trick certificate is coming your way Daniel.

JUNIOR ROUNDUP continued.....

UNDER 11's - After a disappointing opening match against Hastings and a 2-3 loss, a defeat in the cup tie which I won't mention, our boys showed what they were made off against Skye. A first half which saw us concede two goals including a penalty against the run of play our boys kept fighting and never once gave the run of play our boys kept fighting and never once gave up. The second half was all ours and only poor finishing denied us a score. The entire team tried non stop and deserve praise for the way they played the game. Look out Skye, the Devils are coming.

UNDER 12's - We took command and piled on pressure from the outset but had some difficulty in scoring with Brighton playing a 10 man defence. A goal apiece before a second by us right on half time gave us a deserved lead at half time and the second half started the same as the first but Brighton buckled under constant pressure and the goals started coming, some of them being real gems. The boys should be pleased with this game as they all put in and worked hard throughout with some of the passing being good enough to make any soccer player proud. Karingal 5 Brighton 1 (Scorers: L Shearn 4 D Spence 1)

UNDER 13's - We would like to welcome Gary Housley and Lee Taylor to KUSC this year which commenced with runners up medal at Dandenong Carnival but has seen us without a win after our first four matches. We have scored six goals but unfortunately conceded 18 and have shown enough to convince all that better results are just around the corner. Some brilliant passing from Craig Cameron, Michael Connel and Paul Fellow have enabled Jamie Middleton, Gary Housley, Andrew Vost (2) Bradley Langford and Craig Cameron to score goals. More importantly all players can walk with their heads held high as they have not stopped trying throughout all matches.

UNDER 14's - Karingal 1 Beaumaris 1.
A good hard fought match with numerous chances for both teams to score but tigerish defence keeping goals down to a minimum. Andrew King blasted the ball into the top of the net from the left hand edge of the penalty box to give us a lead but despite some gutsy tackling Beaumaris managed to equalise right on the final whistle with a well taken goal. All in all a pleasing effort from all boys.
