*****K.U.S.C. KAPERS*****

By the time today is over our senior sides will have completed half of their competition matches and deserve our praise for the way they have represented our club throughout the first round. Our position high on both senior and reserve ladders has vindicated the 'YOUTH POLICY' embarked upon by our 1983 executive and coach Nigel Bevis. Keep up the good work boys.

Tickets are now on sale for the Progressive Dinner to be held on Saturday June 23rd and starting at the clubrooms at 7.30 pm. with Sherry and Savouries. I know that our Social Committee have worked very to ensure that the night is a success and I ask that PLAYERS, SUPPORTERS, SPONSORS and importantly JUNIOR PARENTS form small parties as this will be a great opportunity for us to get to know one another. Cost is just \$12 per head.

Bookings can now be made for "DAISLEY'S DIRTY WEEKEND"

A full resume of this weekend is on display in the club rooms and it includes Bus travel to the border, meals, accommodation, tours to some of Victorias finest wineries and lunch at the Licensed Bowling Club with the one arm bandits ready and waiting to let some club member pay for his weekend out of his winnings. Bill prefers to call it a POKIE TRIP so if you like playing the machines, sampling fine wines taking in the scenery or like BILLY just getting BLOTTO for a couple of days DONT MISS THIS.

Our reserve side is playing a round of the HARRY ARMSTRONG CUP on this Monday 11th June at LANGWARRIN with Kick off being at 3pm. Let's get behind the boys and give them our support as they have battled very hard all season and are playing entertaining soccer.

With the next two weeks seeing consecutive matches at home, time does not allow me to produce a magazine for our next match against BRIGHTON which signals the start of the second round. I wish all junior and senior teams well for the next couple of weeks and look forward to seeing some new faces at the PROGRESSIVE DINNER.

TO ALL MEMBERS,

Assistant coach NORM WOOD has resigned. He has unfortunately become a victim of the frustration and disappointment of reserve team coaching. As a reserve team coach at Frankston City for some years under Tony Boggi, Brian Edgeley and Fred Bunce I experienced the same frustrations of having to cope with 1st team overflow and not being able to field my "OWN" team. I believe we made a mistake by separating the two teams and all players will now train together. It cannot go without saying that whichever team you represent at Karingal you must do so with pride, not only of your club but of yourself and your game. What chance do you have of progress if your own game doesn't progress. It is not good enough to hope that some one else gets injured or plays a shocker. You must earn promotion on your own merit. You must show some determination to succeed. Norm Wood has been offered the position as Junior Coaching Co-ordinator which I sincerely hope he accepts. He is an excellent coach and the club must take advantage of his skill and dedication to the game.

I would like to take this opportunity to thank Norm for an excellent effort with the reserve side and hope he can pass on SOME of his ability to the junior coaches at Karingal in a much more relaxed situation than in the rigours of coaching senior teams, where one experiences the frustration and anxiety of being a goal down for 80 minutes, and the joy of being a goal up for 88 minutes as we have recently on consecutive Saturdays, kick the imaginary ball on the touchline week in and week out, and never pick the same team as everyone else. See the dejected face on the guy you leave out of the team and have to explain the reason why. If you are a coach you'll know what I'm talking about. You love all your guys but you can't play them all.

GOOD LUCK NORM & THANKS

NIGEL BEVIS

PS. I would love to hear from anyone interested in the position of Assistant Coach for the remainder of 1984 & assure all persons applying that our executive will consider each and every one and make an appointment that they feel will be in the best interests of K.U.S.C.

***** COACH'S COLUMN ***** *****

Despite our recent loss to Royal Richmond on an atrocious pitch, and a home draw the week before against a talented Prahran City, we retain a top four spot with as many points as the 2nd placed team. However our performances are of a very acceptable standard, us being able to compete against sides seemingly better equipped and more experienced than we are and more than holding our own. The 1st team squad is providing a group of 7 or 8 players who are in excellent form week after week and producing top entertainment. It has been interesting in recent weeks to see some of our younger players mature in their game. I watched with a smile last weeks contest between former AUSTRALIAN INTERNATIONAL, JOE PICCOANE, a classy player and our own JASON SYMONDS, a 16 year old. Perhaps young Jason didn't win the contest, but he made sure Piccoane earn't every kick and won a lot of respect. It reminded me of MARTIN MOORE and FRANK MUNRO last season. In fact all our senior players looked sharp last week and made the best of a bad situation. We were just too predictable in attack but I doubt if we will ever set up as many chances without scoring. Two home games in a row should put us back in contention.

MAY 26th V SEAFORD (A) WON 2-0

This game saw us with a full squad after the school holidays. All players are doing very well and their approach to training and to coach Gary Horton's match instructions is faultless. Steven Davie, Steven Dillon, David Makin & Kevin Moore on the backline with Chris Jones in goals are doing a marvellous job and have not conceded any goals to date. Steven Armstrong and Darren Logan are working tirelessly to get the ball up to our four forwards Ian Tweddle, Craig Buttler, Duncan Weir and Bruce Wotherspoon with Stuart Bennett and Gary Owens coming on at half-time and keeping the pressure on our opposition for the full match. Well done boys.

UNDER 9B

MAY 18th V SANDRINGHAM (A) LOST 0-6

The entire team tried very hard and fought to the end against our more experienced opponents and the lads attitude to the game is terrific. The defence combined extremely well, often creating an off-side trap which put an end to many attacks instigated by Sandringham. It is hard to single out any one player but Orson Johnstone tried his hardest to create attacking moves and Sam McMillan, our stand-in goalkeeper, did an extremely good job producing many fine saves. The boys are just starting to understand positional play with 11 players to a side and although we have given most of our opposition half a season start in this facet our first win is not far away. Special thanks must go to senior goal scoring machine, STEVE DOBINSON, who took time to attend our most recent match to assist in the instruction of some of the games fundamentals to our boys. Thanks STEVE.

MAY 26th V SEAFORD (A) LOST 2-4

Firstly I would like to congratulate our two winners of the club SUPERSTAR CERTIFICATE, Daniel Docherty for his all-round performance and 9 goals against Mornington and Stephen Shaw for his outstanding game in goals against Dingley. Top efforts lads, good on you.

JUNE 2nd V BALNARRING (H) WON 5-1

This was a fairly good all round performance by the boys

ALL players gave 100% commitment and their attitude was excellent. If these two ingredients can be maintained for the rest of this year our results should show a considerable improvement. The RED DEVIL SUPERSKILL AWARD went to our most improved player, ROBBIE TUTULO, for his excellent running both on & off the ball.

UNDER 11

MAY 27th V CRANBOURNE (A) WON 4-1

After a several week break due to the school holidays the boys started as though this might be their last game and David Price put us in the lead with a good goal only to see all their good work undone and some very un-disciplined play result in an equaliser to Cranbourne before half-time. The second half saw another early goal by David Price which fired the team up and unselfish team play resulted in David getting his Hat-Trick and a further goal this time by Andy Irwin. Special mention must be made of Daniel Symons who had a terrific game in goal. This was a much better team effort and it showed that the boys have the potential to match it with all of the teams in this competition.

UNDER 11B

This is shaping up as an encouraging year for the team with last years under 10B players Daniel Carter, Andy Irwin, Brent Juddery Simon Kent Shane McGowan, Richard Poole, Daniel Symons and Michael Weigers showing that the efforts last year in encouraging TEAM soccer are paying dividends. David Price from the under 10A's & Joe Trevaskis and Darren Tibballs from Baxter with first year recruits Daniel Curtin, David Knife and Trevor Cranch are very keen and its difficult to maintain a balanced side whilst ensuring that all get a game.

LEAGUE RESULTS P5 W2 D1 L2 FOR 12 AGST 10 PTS. 5
FRIENDLIES P3 W2 D- L1 FOR 10 AGST 6

As the results show our skills and application are at least the equal of our opposition. However, the most pleasing aspect to me is to see the boys talking and playing as a team and enjoying their soccer.

MAY 27th V MALVERN CITY WON 7-0

Back in action after a two week break against a team we had not played before I'm sure the boys were as unsure what to expect as I but after 10 minutes play the pattern was set and it was really a matter of how many we would score. The boys knocked the ball around quite nicely and our defence was never under any real pressure. The whole team put in a full effort to the final whistle with a half time scoreline of 2-0 which with a little luck could have been 4-0. The goals started to roll in after half-time when Malvern started to buckle under the pressure. Full credit must go to our opponents as they never stopped trying. Even at this early stage it is obvious that the top four teams will be Mordialloc, Mornington, Berwick and Karingal, not necessarily in that order. I don't think that there is much between these four teams. Keep knocking them in lads and the league could be ours.

UNDER 13

MAY 27th V MALVERN CITY (H) LOST 0-12

Against a side that was faster, more skillful, much stronger and more accurate with it's kicking we were run off our feet. The scoreline is a fair indication of their superiority. Our boys tried hard to the end much to their credit and their is no shame in losing, only in not trying ones hardest.

On a more possitive note, senior coach Nigel Bevis attended our last coaching session and went to some length to offer encouragement to the boys and speak to them about some of the basics of the game. THANKS Nigel.

UNDER 14

MAY 27th V MONBULK (A) WON 3-2

In a match that saw numerous chances for us to seccure a match winning break before half-time go begging we had to be content with the only goal of the match in the first stanza being scored by Jason Coaker from a well hit shot on the run. The second half saw Karingal show their skill and only the bounce of the ball denied us the goals we worked so hard for until Warren Vowels chipped from 45 yards to make it 2-0. Monbulk then fought back and two quick equalising goals put them in with a chance but David Hookes sealed the game with just three minutes to go. A heart stopper but we remain undefeated.

MAY 27th V FERNTREE GULLY (A) WON 3-0
Playing with only 10 men the team turned on an exciting display of possession football to defeat a bewildered opposition in our best display this season. With Andrew Coldrey, Andrew Astfalk and Stephen Jones in fine touch the ball was being constantly put through to our front men allowing Michael Taylor to dazzle his opponents and he richly deserved the two goals that he put into the net. A great run by Peter Gray saw him round the defence and an impeccable cross found the head of John O'Kelly for the third goal and one of the best you could hope to see. Defenders Paul Moore and Brian Reese along with goalkeeper Elwyn Tyrie gave strong performances but the man of the match was undoubtedly Jim Millar who totally dominated the defence and used his team mates well to maintain constant pressure on the opposition.

*****BAYSIDE BARBS*****

One of the most improved teams in our club at the moment must be the BAYSIDE FIRSTS. Often a forgotten team in the past playing in the shadow of the popular "Bay City Strollers" have changed this image quite dramatically over the past several weeks. At the start of the year the team was in all sorts of trouble after several losses and we saw players walking out and a general lack of spirit but manager Terry Smith and captain Tony Wells were determined to make a go of it. Now their patience is paying off. New young players Andrew Barrett, Tony Barrett, Thomas Hanlon, Darren Chester, Steven Clarke, Grant Johnstone and Robert Sutherland have joined regulars like Darren Cockroft, Tony Wells, Phil Asplin, John Hall, Russell Fletcher and Phil Moore and the results are improving. No wins on the board as yet but a draw and two 2-1 losses from their last two games indicate that wins are just around the corner. HERE COME THE REDS.
