" WHERE DOES ALL THE MONEY GO ? "

The season is half over, most of the fees are in for the year, but the familiar cry can still be heard from some quaters in the club.
Well, where does the money go ?

Here are just some of the expenses for this year:-

Rent on pitches.....	\$.1500.00
V.S.F. fees	\$.2850.00
Referee fees	\$.2250.00
Strip,balls,nets,etc..	\$.2500.00
End of year trophies..	\$. 900.00
Transfer fees, registrations..	\$. 250.00
Power (floodlights).....	\$.1000.00
	\$ 11,250.00

There are about 215 senior and junior players at Karingal, which means that the cost to put each player on the pitch is \$53.00. The annual subscription is only \$30.00. a long way short of the amount needed!

It doesn't stop there either, just having the Clubhouse and changerooms costs money, for example this year some of the expenses are:-

Mortgage payments.....	\$.4100.00
Power.....	\$. 600.00
Telephone....	\$. 240.00
Cleaning.....	\$.2200.00
Insurances.....	\$. 300.00
Maintainance,repairs....	\$. 900.00
Bar expenses etc.	\$.1800.00
	\$ 10,140.00

This amounts to another \$40. on top of the figure mentioned before.

It goes on and on and on!

Thankfully we are able to keep our fees at Karingal just about the lowest around, thanks to help from our sponsors social events,raffles,bar and Kiosk revenue.

Well, thats where the money goes, you have to admit, your club committee makes your \$30. go a long way.

WHY A CLUB CO-OP ?.

Yes, our club does have a Co-op. In fact, without it, our comfortable club rooms may never have been built.

In the early days of the club, older members and their youngsters used to shelter from the wintry weather in an old wooden hut, that was THE club room.

Later the Frankston Council "lent" the club an old weatherboard house where members had the luxury of two small rooms to change and a larger room that doubled for a bar and social room. Somehow the accommodation was cramped, but at times cosy.

Early in 1975, after several abortive attempts, the club management of the day finally got their financial act together and were ready to start building our present club house. The club formed a Co-operative Society in order to obtain a guaranteed \$18,000. loan from the State Savings Bank.

With the help of a \$20,000 grant from the Frankston City Council, some extra dollars from the club funds, and a few thousand dollars worth of sweat and toil by member workers, the club house was built in 1976.

The Co-op is run by five directors, who are responsible to the Registrar of Co-operative Societies for the proper running of the Society.

Present directors are Ron Hellmuth, Peter Hull, Graham Plaskett, Ron Owen and Graham Towers. If you see these characters in a huddle every couple of months, you know they have been having one of their famous eight minute meetings.

So when you see the club treasurers Annual Report, payments of \$2,800 a year to the Co-op you'll know that we are still paying off the \$13,276.90 still owing on the loan.

Any requests for membership or further information should be made to any of the directors.

This article was taken from a 1981 issue of the Mag. and signed by Graham Towers.

Let's hope it answers a few of the questions people often wonder about.....

UNDER 14 "B" v Box Hill 29th. June.

This was a good game from the whole team who all played well and deserved their 4-1 win. We had complete control of the game right from the start, Jason Campling getting an early goal and David Chidlow adding a second soon after. Box Hill managed to pull one back before Jason Campling scored another two to complete his hat-trick before half time. The second half saw some near misses at both ends, in a game played in ideal conditions. Hat-Trick award... Jason Campling Super Star.... Mathew Opie. Well done lads.

June 14th. Karingal 0 Northcote City "B" 3.
June 15th. Doncaster R. 6 Karingal 1.
June 23rd. Karingal 2 Springvale 1.

Some mixed results as you can see from the above results but the boys are playing well on the whole and will win a few more games before the season is over. The goal scorers are evenly spread amongst the team and they are all giving their best for the club. We don't expect to win every game, but as long as we play as a team and enjoy our soccer that's all that matters at this stage in our development. Keep up the good work lads, Karingal is right behind you.

Dont forget to see Mary McGinty and book your seats for the " SNOW TRIP " on September 2nd. Seats are limited, first in , first served.

Under 14 "A" Reports.

Three reports results as follows....

June 1st. Lost 2-0 to Port United.

June 8th. Drew 1-1 with Lyndale

June 15th. Lost 3-1 to Mooroolbark.

To summarise these games the message seems to be coming through loud and clear.

Weve got to put in total commitment, for the whole of the game.

We get the odd good performances, but its always from the same players.

We are as good as any of the opposition we meet, BUT, weve got to keep going for the whole game.

You cant keep relying on the same players to carry you through the game, so pull your socks up and show your parents and Karingal what you can really do.

Under 14 "B" Report.

We won this game 3-2 in very bad conditions.

Croydon only had ten men, all of whom were under 13.

Karingal had all of the first 15 minutes and took an

early lead from a good shot outside the area from

James, which was deflected by the Croydon keeper.

After this easy start Karingal went to sleep, and although we still had most of the game, Croydon equalised soon afterwards.

This goal gave Croydon a lot more confidence, our defence taking a bit of a battering from several good attacks.

Karingal regained the lead again through Quentin, only to see it cancelled out again by a Croydon penalty.

Gerard finally scored the winner for Karingal, with a well taken goal.

This was a game that we should have won by more goals, but taking into account the conditions, we were happy with the end resu
