(VICTORIAN LEAGUE DIVISION 4)

THE DEVILS ADVOCATE

THIS WEEKS GUEST WRITER : MIKE WEBB (FORMER KUSC MANAGER/PLAYER)

"THE SPECTATORS VIEW"

Good afternoon. Today we welcome Bentleigh Greens to Karingal again and they certainly are the form team in the League. We are all looking forward to an entertaining and competitive game.

Over the past few years I haven't been able to see many of the Red Devils games. However this season I have been fortunate to see most of Karingals' home games. I'm very pleased that my availability to watch these games has coincided with the emergence of the "NEW" Karingal. Many of our regular spectators (and I now include myself in that group) look forward with a rekindled optimism to another win or a great game. The pleasing part is that not only our new players, but also the established crew have been "putting it together" for the benefit of us all. The result has been a Saturday afternoon to look forward to.

For those who turn up at 2.55 pm just in time for the Seniors kick-off, I would advise "GET HERE EARLIER" - our Reserves are well worth a look. These players are the First team of the future and from the way they are playing right now, I'm sure they'll be pushing Mr Debois and Co! They deserve your support.

So from a spectator point of view I would say that now the transfer dust has settled, you could not spend Saturday afternoon any better way than sipping on the "odd one" while watching the emerging Red Devils put in yet another great effort. Keep it up lads - IT'S GOOD TO WATCH !

MIKE WEBB.
