THIS WEEKS GUEST WRITER : ALAN JOHNSTONE : CLUB STALWART

"THE CLUBMANS VIEW"

Welcome to Clayton United Soccer Club - a promotion contender this year and one of the highest scoring, fastest moving sides in the League. We could well be in for a feast of entertainment this afternoon.

As a staunch senior supporter of many years, this season has to rank as one of the best. The first team, boosted by the addition of several new, experienced, quality players who have blended in so well with our own established "stars", is, I believe giving us a high standard of soccer not seen at Karingal in a long time. Win or lose, home or away, most games have been a delight to watch and some of those recent odd goal defeats could as easily have been victories which would have put us right up there with the leaders.

The statistics speak for themselves - after 14 games we had more points, more wins and more goals this season than we achieved in the whole 22 games of last season!

Equally as heartening this year has been the performance of our Reserves. What good young players we have there and supported so ably by the few "old Heads" at the back. A good blend and a lot of promise for the future.

Finally, our great home support. No other club in the League comes anywhere near the size of our support at home games. Even at away games Karingal supporters often outnumber the opposition!

Great teams, great supporters, great Club - no wonder it is so good to be a part of it all !

ALAN JOHNSTONE.
