A MESSAGE FROM THE PRESIDENT

Mornington Soccer Club give us our second "Derby" in 7 days today. Let's hope today's game is a repeat of last weeks performance against Langwarrin, not only for the result, but for the atmosphere in the Clubrooms after the game, which was fantastic.

This is the 3rd Edition of our new magazine, which is improving in quality and quantity every week, due to the efforts of John and Sandra Bennett and Terry Allsopp. I am sure you will agree the small charge to cover the printing costs, is well worth the value.

Our scheduled game against Moreland on 6th April, has been cancelled, due to an amalgamation between Moreland and Coburg. Because of this, Lou and Paul have arranged a game between the Senior squads at 3.00pm. As a curtain raiser, I would like to arrange a game between the 'Oldies' of the Club - 1.00pm kick off. So come out of retirement if only for a day lads and show the players how it's done. If anyone is interested, contact me on 789 7533.

Finally, a few words to the supporters of K.U.S.C. An on-going problem is the maintenance and general up-keep of the Clubrooms. For this reason we are trying to set up a new system, whereby the Club can be kept up to a good standard for the supporters comfort. This new system will be for both long and short term projects, in and around the Clubrooms. Gerry Booth and Jim McArthur have already offered their help and have assisted the Committee during the close season, which has been much appreciated.

This plan can only work with Members' help, so please don't just read this and forget it, remember you use the Club and it's facilities, so don't just leave it to the "few". If you feel you can help the Committee in any way, please ring me on 789 7533 and a meeting of interested people can be arranged in the near future, to get things moving.

Yours in Soccer

THE COACH'S VIEW

FIRST TEAM

Well I hope everyone had a good day last Saturday, the Langwarrin jinx is history and we celebrated in style with Pommie leading the Karingal Choir in full cry.

I was reasonably pleased with our performance, I know there is a lot of improvement still to come.

The really great thing at present, is our commitment to the task, training attendance is up 100% from last season and my players are at last realising to do well, you must work hard on Tuesday and Thursday.

Last week is gone, today we play another match that we have to win, to maintain our push up the ladder, we must pick up maximum points at home. Keep up the good support, it's helping the players and me.

There are also a lot of people behind the scenes here, that do a really fine job for the club. I would like to make a special mention of Tommy Weir, whose help to me during the time I have been at Karingal, has been invaluable.

Tommy is also good for morale, always giving lots of encouragement to the players, there is nothing that seems to be too much trouble for him.

Thanks Mate.

THE COACH'S VIEW

RESERVES

Local derby games find Players and supporters on edge. Saturday's game against Langwarrin, was certainly no exception, with more than pride at stake it seemed.

Although Karingal had a lot of the play in the first half, it was only what Langwarrin wanted, allowing Karingal to play the ball from the back and hoping to catch us on the fast break, which is exactly what happened, when a Karingal throw-in on our right hand side at half way was intercepted. The following breakaway and cross was eventually put away, with much glee by Langy, leaving Karingal defence in tatters.

The second half, saw Karingal unable to convert some good play and endeavour, with good chances falling to Andy Durieux and Pommie, the latter hitting the woodwork after some telling corners from Gavin. A good second half performance, but no joy as Langy celebrated when the final whistle went, leaving Karingal to rue missed opportunities.

SECRETARY'S REPORT

It is a pleasure to be part of the Club and I commend the hard working Committee Members and numerous others, who are making this Club sound and successful. My function is the Engine Room of the Club, it is to ensure that procedures are followed in the interests of Club Members and Players.

As the Treasurer does not have a column, I would like to pay a complement to my colleague in the Engine Room, Mr. David (Brian) May - the stoker with the Cheque Book, who is providing sound financial advice and expertise.

All teams have been registered with a substantial increase in Junior Members, the future of the Club.

We have negotiated Insurance Cover for all Players, Team Managers and Officials, at all levels. Social events are being organised on a regular basis and provide good entertainment for all and these need to be supported.

Membership Fees provide a vital part, in that they provide essential items such as, strip, balls and equipment for all squads - together with the prime cost of running the Club.

You can assist the Club by making sure, that you are a current Financial Member. As you are aware the Membership Fees for 1991 season are: \$45 Single, \$55 Family (for Junior Members), \$35 Social Members.

To be a Financial Member, also means that you are covered by a Club Insurance Policy. Simply, if you are not a Member, you have no rights and no insurance cover.

So as the saying goes:-

**Don't be a 'wally', be a
Karingal Red Devil.**

Please keep those cards and letters coming in.

Yours from Down Under.

Results: Devilettes 5 Carrum 8

At the end of the double it was a draw, with the excitement starting to grow on both sides. But although the Devilettes put up a good fight in the singles, they got beaten by the Carrum 4.

Congratulations to: Jayne Brookes and Joy Head who both won their doubles and singles. Also congratulations to the 'Stud', who performed really good (in his games). Well done Richie!

Well Devilettes lets start to bring out the devil in us and see if we can win a few games.

SOCIAL NEWS

Last Friday evening, was quite an eventful one. Four of our younger members entered the Pumpkin Pie eating competition at Karingal Hub. With hands behind their backs, they munched away to come in second best. The brave team consisted of Bobby Geddes, Gavin Dobinson, Sticky and Tubsy. 'Well Done Fellows' - "bet you didn't know you were T.V. stars, seen on Channel 10 early News Saturday evening".

Afterwards, the boys decided to wash the pie down with a few drinks at the Clubrooms. They joined in with a game of Bingo, each one winning a small prize. It was a good night all round with quite a few members at the clubrooms. Some enjoyed playing darts and others cards or bingo. Hope to see you all again next week.

MEMBERS POINT OF VIEW

Just a few facts that I find of interest. Of the 14 players on the team sheet for our home game against Langwarrin, we have an average age of 22.75 years, more importantly collectively 74 seasons with the Club. It is very important to the club that home-grown players are given the chance to show their skills, all credit to Lou Kastner, who has recognised that there is a degree of skill in all of these guys and he is prepared to work equally as hard as the players, to achieve their potential.

Only two new faces with the First Team Squad, Iain Hardie the oldest member of the squad, bringing with him a wealth of experience. Iain has already shown that he is the steadying influence in the back three. Tommy Rice, who still has to show his skills. Tommy has joined the club on Lou's recommendation. If my recollection is right, Tommy is the first player Lou has asked us to pick up. There are always the knockers around any club. Hopefully this year, all our support will be positive as I can assure you that the feeling in the dressing room is great. I would ask that we have the minimum of distractions in the dressing rooms before the game and at half-time it is very important to the team that we get their minds on the task ahead. After the game, win, lose or draw, everyone is welcome, the more the merrier.

Just to finish, while I was writing this report, I had the television on and watched a 'Cockatoo Roller Skating'. I have come to the conclusion that out of you Aussies in the team, we can expect anything!

Would someone ask Steve Jones "who are the Karingal Rangers??"

EDITORIAL

Three weeks into the season and our third magazine. I would like to say how please we are with the response to same.

You will have noticed our Trivia Quiz page in the past publications. Some people have said the questions are hard and some have said too easy. We have noted, that many readers while enjoying the challenge to answer these questions, are not entering the draw on Friday nights. One of our readers (no names), sometimes goes to extraordinary lengths to get the answers and you do have time to find the right answers, by whatever means available.

GO ON - HAVE A GO!

Remember, only entries with 10 correct answers will go into the draw and you have to be there on Friday night 9.30pm to win.

This is our last magazine for a couple of weeks, until our next home game, so keep the news coming in. Don't forget our "News From Around the Club" page, any bits of trivia gratefully accepted.

Finally, I would like to wish the lads 'Goodluck' for Saturday and we look forward to another celebration in the Clubrooms after the game.
