President's Message

Today we welcome Rosanna Soccer Club to Karingal. Going on previous encounters I am sure they will give us two tough games. Because of this our lads will be looking for all your support today. Whatever the outcome, we will make the Rosanna Club welcome in the club rooms after the game.

Our Social Committee did a great job organising the "Ladies Night" with a turnout of 75 people, well done girls. It is these nights that keep the Club ticking over. The Social Committee are really putting in for the Club so now it is up to you to support them.

One of our long time members, Mr Bob Head, had a major operation this week and is now recovering in the Alfred Hospital. "Get well soon Bob" from all your friends at Karingal.

Hopefully by our next magazine I will be able to pass on more information about our Club extension. At the moment we are waiting on Council approval. This extension plus general running costs make it important that all members pay their subs as soon as possible, because this is a very important part of our revenue.

Yours in Soccer
RICHARD JONES

Codes of Behaviour

1. Compliment all participants on their efforts.
2. Be consistent, objective and courteous in calling all infractions.
3. Condemn unsporting behaviour and promote respect for all opponents.
4. Condemn the use of violence in any form, be it by spectators or players.
5. Show respect for your team's opponents. Without them there would be no game.
6. Demonstrate appropriate social behaviour by not using foul language, harrassing players, coaches or officials.

1st Team Coach's View

Well one third of the season is gone, and after a promising start against Cranbourne. We have only performed below our expectations.

Last week was typical of this season, too much was left to too few. We had our chances again, only to waste them.

This week we play against Rosanna who have always given us a very hard game. They have started well and one of my former team mates is knocking in the goals consistently for them. Terry Nolan who has played with me for two clubs (Preston, Croydon) and I'm looking forward to catching up with him.

To say that we need both points today is an understatement, I only hope the "boys" are switched on today.

Happy Birthday!

Club House:

We have rather a lot of cans to be taken to the cash-a-can depot. At the moment they are taking up space in one of our changing rooms and we would appreciate it if anyone with a trailer, ute or truck and a bit of spare time, would like to help us out in the next week or so, to take them to the Hub.

Many members may know Bob Head is at present in hospital undergoing by-pass surgery. We all wish him well and look forward to seeing him back at Karingal shortly.

This week we have to say goodbye to "Harry," Margaret Moran's father who has been here on holidays for several months. Many of us have met Harry several times over the years when he has visited Australia, and we hope to see him again sometime in the future. Good Luck Harry!!

Vice President Seniors

The performance of both our first team and reserves over the past two weeks has been mixed to say the least.

Our Reserve Teams performance against Geelong was just ordinary but we managed to win 2-1. On our last game against South Werribee the performance was excellent against a team that had not been beaten for 3 years at home and had only conceded 3 goals this season - we beat them 5-1.

The most pleasing aspect of the game was the general work rate and discipline of all players, not one player was booked or spoken to by the referee.

Let's continue this style of play and we will achieve the results we deserve.

Our first team whilst playing some good soccer in patches struggled against Geelong, but eventually won 2-1 with an excellent goal from Shaun Parton.

Our last game against South Werribee was a bitter disappointment. We were beaten 4-1 by a better side on the day, however, had we taken the chances we were given it could well have been 4-3 in our favour!

We missed three easy chances, and had a goal disallowed, our only goal was once again scored by our central defender Shaun Parton.

I am sure our supporters would like to see our forwards score some goals for a change.

The tremendous work rate carried out by Shaun Parton should be noticed by some other members of our first team, as to what is needed to win games for the future.

I am pleased with the response of all players in both teams, with regard to their payment of membership fees.

Today we face Rosanna who always give us a good game, and have in the past taken more points from us than we have taken from them. Let's reverse the trend today and take maximum points in both games.

Good luck.

"Reserve" Coaches Report

Since the last edition of the programme, the Reserve team has gained maximum points from their two games, at home to Geelong Rangers and away to league leaders, South Werribee.

Against Geelong Rangers, we won 2-1 with goals from Gary Black and Mark Barnett. The first goal resulted from a move the length of the field whilst the second came from a set piece throw in. We created many chances and really should have won by much more. Despite a shocking performance by the referee, I was reasonably happy in the end to get the points. Although we did not score the goals, we created opportunities and I will be looking for a better return from our chances in the future.

Last week, we went to league leaders South Werribee facing the daunting task of beating a team that had not lost at home for 3 years and had so far only conceded 3 goals in 8 games. Well, we shot that record to pieces defeating them 5-1 with goals from Steve Jones (2) Geoff Boag, Mark Barrett and an own goal. I was highly pleased with the endeavour and work rate by the team and a totally dispirited South Werribee gave us high praise at the end. We did not have a player down on the day and the highlight was "Sticky's" dying swan act in attempting to head a goal. The world loves a trier.

Today we face Rosanna, a team I know very well both as a player and a coach. Rosanna have historically always produced a highly competitive reserve side and this year is no different. A victory against Rosanna today should put us within striking distance of the new league leaders, South Springvale, whom we play next week. We cannot under-estimate any team in this league and I am expecting the same work rate, endeavour, commitment and finishing this week that brought us 2 points last week. We have to forget last weeks result and start all over again. Rosanna are a different team, style and method and they need to be treated as league leaders. If we do so, then I can promise the supporters two more points.

TODAYS VISITORS

ROSANNA SOCCER CLUB

The Rosanna Soccer Club was formed in 1969. They currently run six junior teams and three senior teams.

The senior teams started off in the then named District League in Division 2 in 1976, and since then had gained promotion over the years until 1985 when they were relegated to the state league and are currently in sixth position in State League Division 4.

Over the years they have always had players of good quality, and they currently have two such players playing for them at the moment in Steve Blair and Terry Nolan. Both players bring a wealth of experience to Rosanna.

We welcome them and look forward to, as always, a hard, fair and competitive game.

Jim Sampson, their Secretary, points out some information that might be of interest to our members and supporters, was their most memorable win in 1982 when they defeated Holland Park 2-1 in the Provisional League Cup Final in front of their many supporters.

We look forward to their company in our club rooms after the game.
