

KARINGAL UNITED
SOCCER CLUB

President's Message

This is our first Magazine for the season of '93. Many thanks to John, Sandra and Terry for all their help in producing what must be one of the finest magazines in Victorian Soccer.

The Committee of KUSC appreciate the financial support given to us by our sponsors, so please support them, because without their help we would find it very difficult to manage our Club. Most of our sponsors offer a discount to KUSC members.

Last weeks game against Seaford ended our U/18 Youth Team season. Tom Weir and Mike Oakley have done a tremendous job, coaching and managing the team, which has helped these boys move into the higher grade of Senior Soccer.

Lou and Ian are our Senior Coaches for Season '93, who have both given their full support to a KUSC Youth policy. We must surely have the youngest senior squads in the State and Provisional Leagues. So let us give them all our support this season, not forgetting the "Back Room Boys" Terry, Jack and Tommy, for all their help on training and match days.

Our Junior teams start their season today. Mike Turner informs me we will have a very strong U/16 squad, which is good news for us in the future, as eight of our current senior squad played in the 1990 U/16 team.

Phil Dobin has done a great job in organising our Junior Teams. Phil is a very positive thinker and I am sure will be a great asset for our club. He will be asking all our junior managers to make a contribution for our next magazine.

Finally, today we extend a Karingal welcome to Yarraville Soccer Club and their supporters. I hope our supporters have a good day, both during and after the game in the clubrooms.

Yours in soccer
Richard Jones

Senior Coach Report

Coach's View (or looking down the Whistle)

Our recent sweet taste of success has been further reflected in a general uplifting of spirits and comradery around the club and for me reassurance that my objectives are also shared by many.

These being to play a style of football that is both modern and enjoyable to watch by our dedicated supporters, and which attracts further club members.

Secondly, to field a team capable enough to challenge for promotion, yet not one which plummets the club into a financial abyss. Each and every member, supporter, and player, has an impact on achieving this standard. The players have heard, somewhat repeatedly, of giving their best on the park, but members and supporters "Yes!" your contribution is not only of a financial nature, but more importantly in maintaining a friendly family oriented club atmosphere. You are helping to attract talented local youth whose parents are proud and secure at their sons' time spent at Karingal. These unsung efforts do not go unnoticed and whilst victory on the park is an ultimate goal, the Clubrooms win every week. Thank you.

Back to business. New faces attracted in 1993 include:

Jason Le Clerc	(Frankston Pines)
David Cibura	(Chelsea)
Jeff Ireson	(Langwarrin)
Simon Parrot	(Frankston Utd)
Mark Hangle	(Mornington)
Iain	(University of Tasmania)
Donald	(Rosebud)
Stuart Turver	(Lyndale)

A special mention of Kevin Jones for his excellent dedication in overcoming, not one but two broken legs, to rejoin us this season. Seems, if we all try to "keep up with the Jones's" KUSC will flourish.

Report

Hi Folks!

Welcome to the first edition of the magazine. I would like to thank Kim Daisley for helping behind the bar also Barbara and Dick Jones, Claire Dobinson, John and Sandra Bennett, Ron Barrett and John Dobinson. Without them Jim and I would find out job a lot harder.

We have one dart team this season, which are called "The Charmers." We are middle of the ladder. If there are any dart players out there, who would like to start another team, please contact me at the Club on 789 3398 or phone 789 8324. The next season begins in July.

"Reserve" Coaches Report

The reserve team this year is in a position after 7 games, just behind the leaders in 3rd spot. We have scored 22 goals in 7 games at an average of over 3 per game. Admittedly, the opposition in the league this year has not had the quality of previous years but games still have to be won.

The Karingal tradition of bringing youngsters through the ranks, its continuing with the likes of Neil Todd, Stuart Turner and Donald Mace being regular representatives knocking on the door of the senior team. As skipper, I am pleased with Gavin Dobinson's leadership on and off the park. Some of the under 16's coming through have been impressive and the future looks rosy for the club with Steven Oakley, David Van Ette, Daniel Belleriai, Andrew Dooherty and Roddy Strachan all able to hold down a spot in the reserves.

We have a strong squad, good kids, superb spirit in the reserves and confidence is high to achieve a top position in the league for the reserve squad.

Until next time,

Ian McLuskie

Vice President Seniors

Well, here we are again with another season underway. Welcome everyone.

It is taking a while for the first team squad to settle with a lot of new signings this year and the possibility of a few more to come. I would like to welcome all the new boys who have joined us for season '93, Simon Parrot, (return of) Kevin Burroughs, Jeff Ireson, Jason Le Clerc, David Cibura, Neil Todd, Donald Mace, Stuart Turver, Ian O'Callagan, Bret Anderson and Noel Singh.

Lou and Ian have worked hard during pre-season preparations to come to terms with team line ups, which considering the number of new signings is not easy.

We started the season well and even found ourselves at the top of the League, after the Malvern City game. This was the best game of soccer I have seen at Karingal for years. We have shown what we can do, so let's first of all "learn from" (we have a young squad) and then forget the last couple of frustrating games. Not easy, but if we adopt a killer instinct and set ourselves the target of winning the next two games, we are more than back in business. Have we the "will", if we have we can do it. Lou and Ian have worked hard to prepare for the season, so players and supporters, let's get behind them and do it.

Finally, I would like to thank the "Backroom Boys" and "Girls", who are the backbone of the club and have worked tirelessly to kick the season off namely; President Richard Jones, Secretary Barbara Jones, Treasurer Michael Oakley and Junior Vice President Phil Dobbin.

Tommy.

**Give your teeth a sporting chance,
wear a mouthguard**

Prevention is better than cure

All people who play sport where injury to their natural teeth is possible should wear a mouthguard.

Professionally fitted mouthguards greatly reduce the chances of tooth damage or painful laceration of lips and mouth.

Mouthguards also assist to absorb the impact which may cause a broken jaw or even concussion. And they do not make breathing difficult.

But mouthguards should always be fitted by the appropriate dental professional.

Sporting mouthguards - your child's first line of defence

Children's teeth are particularly vulnerable to sporting injury and parents should insist on the best possible protection.

Mouthguards will also help the child's confidence and will give the parent peace of mind.

What are mouthguards made of?

Mouthguards are made from heavy duty, flexible, hard-wearing vinyl or laminates. Various colours are available.

Junior Vice President

Here we are, here we are, here we are!

Firstly let me introduce myself. I am Phillip Dobbin, Junior co-ordinator for the club this year 1993. Since I took this position, I have been asked by several people have I either been conned, volunteered, or been approached by a certain gentleman in the club. Being a positive chap I must say the latter.

This year will be a lot of fun for the kids plus a lot of success, whether it be on the scoreboard or not, with the help of great managers, such as Rod Lloyd (U7's) who has taken over from Alex Ormond. Liam Coleman (U9's) (good to have some strong Irish blood on the Panel). Leslie Gibson (U10's) first year but doing a lot of great work. Chris Higgins (U11's) who was only recently appointed. John Maurice (U12's) and Bruce Millard (U15's) who have everything under control as in previous years. Michael Oakley (U16's) who does so much for the club without also managing a team. I better not forget Tommy Weir who I thank for his great help. One day Tommy as I told you there will be a memorial trophy for you!

Talking about memorial days. We travelled to Mooroolbark which was lots of kids, lots of parents and lots of goals. Unfortunately, not enough goals to Karingal but a great day. Look out next year (to the people who made it that day... thanks.)

Before I finish a special thanks to Blacky, Big Bob and Jonesy (the one without the plaster) and to the other coaches who are right behind the club, so to Dick Jones his wife Barb and all the committee, the juniors can only thank you for all the support you have given us.

Go Karingal - Phil Dobbin
