Our thanks are due to the Ladies and Gala Day Sub-Committee who did all the organising — now its success depends on all of you, so have a good day and see you all return next year.

A very enjoyable season thanks to all the boys and parents. Every boy improved and next season should start to show results. A special thanks to Coach, Eddie Desbois and congratulations on a job well done. Also to all the new boys and parents, whose participations and enthusiasm over the year have been tremendous — they really made the whole thing worthwhile. All the best for next season to all of you, and remember, just one more goal than the other side.

Trevor Hyde was awarded the "Best and Fairest" Trophy mainly because of his excellent play during the first half of the season.

Peter Riordan, Andrew George and John Condon were other outstanding players.

They were followed closely by Peter Smith and Tony Puszka.

The other boys played well and each one of them, on quite a few occasions, was equal to the better players in the side.

Our first few games of the season were not as successful as the closing ones. We lost Greg. De Jonge in the early part of the season with a broken leg which disrupted the team. The boys, however, fought back hard and with a lot of hard work done by the team, Kevin Wall and Raymond Dunn in defence giving full support to goal keeper Bruce Mitchell.

It was a pity that Gary Raeburn and Gary Sissons joined us so late in the season as I think with them in the team earlier we would have had more success.

Our thanks go to Mr. E. Vandenharn for his coaching in the first half of the season who then had to drop out for personal reasons. Thanks also to Mr. T. Hubbard who filled in as coach for the team.

My thanks also go to Mr. D. Sissons for his help. I thank all the boys in the U/13's for the effort they put into our games and I am confident that next year will bring far more success.

The U/14's have had a very good season we could have done better with a little more effort, we missed being League Runners up by 3 goals only. I was very lucky in being able to recruit new boys this year which made a tremendous difference to the team. I would like to thank my coach for his efforts, and parents and members of the club for their valuable support. This being my last season with the team, I want to thank the boys for their co-operation and sincerely hope the team will give the same support to my successor. Good luck boys!

Another successful season for this group of boys. Among their achievements: League Champions (Southern Region), Runner up in the U/16 Altona knock out competition, and a very enjoyable pre-season visit to Bankstown Soccer Club (Sydney).

I would like to express my appreciation to the parents and all who gave support to the good effort these boys made. Thank you boys for your good sportsmanship, team work and sometimes high spirits, making my job most enjoyable.
