PENINSULA JUNIOR SOCCER CLUB

PRESIDENT'S REPORT.

Once again it is my pleasure to say "welcome" to Gala Day.

Another Season over and I guess a time to reflect on what might have been or what has been a year to remember.

It has been my privilege to have had a most capable Committee to work with again, so may I say "Thank You" to our Secretary Dennis Charlton, our Treasurer Keith Hunter, our Club Manager and Co-ordinator Bill Thomas and all Team Managers and Coaches.

I'm sure we must all thank the boys too for their efforts in keeping the Peninsula Junior Soccer Club, a Club to be proud of.

Have a good day.

BOB SAUNDERS.

TREASURER'S REPORT.

I would like to report that our financial position is quite healthy even after quite a lot of expense supplying new Shirts for 9 out of the 11 teams we ran this year.

Two Dances have been run so far this year and another in October should make our Social Season very enjoyable and profitable.

I would like to thank the Dance Committee on their efforts on these occasions and I hope everybody enjoyed themselves.

For Gala Day my thanks to everybody concerned.

KEITH HUNTER.

SECRETARY'S REPORT

The end of the Season brings a big sigh of relief from the Members of the Administration Committee, behind us are all our success (and failures) laid on the back tension and traumas.

For myself it brings to a close several thousand words of Minute writing, reading and writing dozens of letters and listening to seemingly endless phone calls.

Speculating on the past Season I feel compelled to comment on the decrease in support both for teams and the Club; true we still see the same few faces at each match and the same faces at each monthly Meeting but where are the rest? Assuming we put on

the field 175 players each week-end and assuming each boy has a Mum and Dad, we seem to have lost about 300 supporters.

My message for the next Season is please remember, this is your Club, you and your family are Members, you pay a Membership fee which not only buys equipment for the teams, hires the grounds and pays Insurance etc., but makes you a financial Member of our Club. Any Club is only as good as its Members make it and can only be as successful by involvement.

In conclusion lets make an extra effort for next year - Managers become more than passport custodians and transporters, become Club Promoters, the prime link between the Committee and the parents; supporters and parents attend each match your team plays, cheer them and encourage them, find out from the Managers what the Club is doing and become involved.

Perhaps during the Season our favourite team didn't do as well as we would have liked but they enjoyed themselves, played the game and did their best.

DENIS CHARLTON.

1975 has been a most successful year for the Under 7's. particularly when we have played against Under 8 teams for most of the Season. It is interesting to note that in the four league games we have played against Under 7 teams, we have won three and drawn one. At the time of writing we are still in the running for the Cup; we have reached the Semi Finals and to be in the last four in the Cup is an excellent effort.

We had problems early in the Season when we had 22 boys on the list. However we managed to overcome the problem by giving every boy a game at least every second week. By doing this we managed to maintain the enthusiasm of most of the boys throughout the long season. Even at this stage, after 22 games, we still have 19 boys who play regularly.

Thanks must go to all the parents who supported us during the season, both at the games and at Sunday morning training. Without this support our job would have been much harder.

Finally a word of thanks to the boys in the team. Every boy associated with the team deserves a great big "thankyou" for their effort and co-operation during the year; they have proved themselves to be one of the best Under 7 teams in the League and we hope to see all the boys next Season as Under 8's.

Starting the Season with only five players from the previous year's Under 7 side that was able to win one game and kick two goals for the Season, we relied a great deal on recruitment of new players for this year. With this influx of inexperienced players, training was centred on improvement of basic skills and then the moulding into a team. To this end all players have applied themselves tremendously well, so that now we have a very balanced side that relies heavily on a team effort to supply the good wins that we have had throughout the year.

Our statistics for the year are as follows:-

Played 20 games
 Won 14
 Lost 5
 Drawn 1

This places us fourth on the ladder at this point with two games to play.

We hope that the boys have enjoyed the Soccer throughout the year and that they all return to the Club next year, when we move into the Under 9's competition with Mr. Gilroy-Scott as our Coach once again.

In conclusion we would like to thank the parents for their help and support, both vocal and moral, throughout the year.

Season 1975 has proved successful for our team dropping only one game for the Season and that being to our friendly rivals Seaford. At the time of writing we are in the last four of the Cup and have won our first League Championship.

The team has been a credit to our Club on the field and have accepted victory and defeat in a sportsmanlike manner.

To our Coach Doug Baker we extend our thanks and congratulations on the job he has done with the boys and to those parents who have assisted throughout the Season I would like to express our sincere thanks.

A special word of thanks is also due to the boys who have been emergencies on so many occasions. They have proven fine young sportsmen and have capably filled places on the field whenever given the chance and have in fact been vital members of a young team that has given so much enjoyment during the season.

The Peninsula Under 10 Soccer Team started off the Season with only four boys who had played soccer before. The Season has been spent teaching the boys the basic skills of soccer by Coaches Bernie Williams (who left because of illness) and David Hughes.

If those boys can stay together they should develop into a strong team in the future. They have been very keen and towards the end of the Season they started to play as a team.

We have had plenty of help from Parents and no shortage of transport all through the Season.

We had a year in which we achieved an improvement over prior Seasons and had more wins and drawn games than losses.

A number of new boys joined the squad and all of them have settled in with the previous Members so that next year should be very successful indeed.

From our Coach Ron Taylor and myself, thanks to our parents for their support and from all of the adults, thanks to the boys for a great Season.

Well done lads.

The Team has fared better this Season and it is rewarding to see the added skills shown by the boys. This is a reflection on the hard work and encouragement on the part of Keith Lunter, whose enthusiasm for the game knows no bounds.

Our defence tightened up considerably compared with last Season and in fact we lost a number of games by the odd goal. The forwards again showed a tendency towards "shot-shy" although they combined well and built up many fine moves. A little bit of luck next Season and we will see a big improvement in our "goals for" column.

The team this year was strengthened by the addition of the Brown twins, Stuart and Gregory and Barry Loenstra and David Colby. All the Boys gave of their best through the Season and I am confident that if they continue to play as a team as they did this Season, they will be a force to be met with.

Up to and including the game on Sunday 7th September 1975 we have played 17 league games resulting in 14 won and 3 lost. Total goals for: 51 against: 16. We are extremely confident that we will complete the Season in second place, which both Manager and Coach agree is a tremendous effort by ALL the boys.

Old faces from the team disappeared and new faces appeared but this is part of the game. It would be unfair to single out any one boy from the squad of 13 as far as we are concerned. We have what we are sure is a genuine squad of boys who have progressed tremendously through the Season in terms of soccer.

Throughout the year the emphasis has been to play and enjoy the game of soccer. Many Managers and Coaches would like very much to be on the field with you but their days are over. You boys are the ones that matter.

Good luck to all of you.

We have all enjoyed the Season, and you are so close to success in every game. Each and everyone of you has the potential to become a winner - David Cliffe and Mark Barnes are to be congratulated for their inclusion in the Regional Team for this Season and for those of you who were unsuccessful - best of luck for next year.

The results of our games have been varied throughout, but we have improved and I am very proud that we have stuck together as a team, sometimes with a shortage of players that would have disheartened teams with a more temperamental nature.

The Coach and I thank you, your parents and the happy group of fund raisers for a most enjoyable Season. Lets make 1976 our year.

Congratulations boys on becoming this Season's League Champions; to the time of writing we have not lost a single league game, a fine effort.

This year we had 16 boys in the team, this of course brings its problems and I am most appreciative of the boys, who, although not getting a game every week, invariably turned up for training and made themselves available as reserves.

It is always difficult to pick out individuals, but I do feel mention must be made of Daryl Gooch, Robert Gibbs, Mark Congdon and Andrew Stevens; who played for the Regional squads earlier in the Season.

Once again I must thank Barry Cuttler for a tremendous job of coaching. Much of our success is due to his untiring efforts and infectious enthusiasm - his job is not made any easier by the fact that the boys are now taller than we are - discipline could be a problem next year.

Keith Hunter has been coaching his own team but somehow always finds time to help out when needed - thanks Keith.

I am indeed fortunate in having such a cheerful and helpful bunch of parents. To them may I say many thanks for your continual support and encouragement throughout the year and look forward to seeing you (and your Sons!!) next Season.

The 1975 Season has been one of mixed fortunes for the team, we had a magnificent start to the Season, then faded and now we have steadied and hopefully will end the Season as it began.

In May we said "goodbye" to Peter Allis who, after many fine Seasons with the team, has become an Apprentice Bandsman in the Army; we wish him every success in his new life.

The Season brought us a new Goalkeeper in Trevor Duddy; welcome him and also Ian Lane.

There were three main contenders for "Best & Fairest" this year, Andrew George, Mark Dean and Tony Puszka. All three, with continued dedication, will make good senior players. Tony Puszka, because of his consistency and fine Captaincy, is this year's award winner.

I would like to thank the team and those parents who supported us through good and bad games for making this an enjoyable Season.

The under 16 team has had a very tappy busy Season. The 1 o'clock kick off Saturdays made it very difficult both player and transport wise. The boys had difficulties with training times as light is the biggest problem. Many worked Thursdays and/or Friday nights also Saturdays till 12.30 in supermarkets and those who work full-time don't finish till 5 or 5.30 at night.

We wish to thank the Managers and Coaches of the under 14 and 15 teams who helped us out when our boys were not available and, of course, the boys concerned too. Most of these problems will be eliminated next year when the older boys will be playing on Sundays. Despite all these difficulties the team managed four wins, eight draws and half our nine losses were only by one goal. Had all the boys been able to attend training 80-90% of the time, I am sure we would have been fighting out the top position as we drew with or defeated the top four teams after losing to them by fair margins in the first round. Our home record was good with only one loss.

I want to thank specially Mr. Vandenharn, Mr. Scarlett and Mr. Cornwall for their regular and cheerful help with transport, also the Daywood family on the occasion of the Geelong trip.

* The boys wish to thank the Club for allowing them and their girl friends to attend the very enjoyable Club Dances. They appreciate this gesture very much.

Manager: Coach: T. WALL
