PRESIDENT'S REPORT

At the close of another successful season, your committee welcomes you to the Club Gala Day for 1971. As the club goes from strength to strength, thanks must go out to all the Members, Committee, Ladies Auxiliary without whom this would not be possible, and of course the Boys - without whom there would be no club. A job well done to our Secretary Bill Pitts and Treasurer N. Stevens.

L. W. HENDERSON

UNDER 8'S

Now that the season has finished, I would like to offer my thanks to all of the boys, for a good ambitious soccer season.

The team had a reasonable winning success, and reaching the semi-final of the Southern Region Cup. Thanks also to the parent support throughout the year.

Hoping to see all the boys next soccer season.

W. JAMIESON.

UNDER 9'S

The 1971 season has been most encouraging to both John Pope, the team coach and myself. The teams standard of soccer has improved steadily throughout the season and each boy has improved his personal performance.

No records were broken, but the boys played their hearts out to finish Runners Up in the Karingal Challenge Shield and had the personal satisfaction of turning the tables on both Karingal and Seaford.

Each boy has trained and played hard, and can feel proud of the team and themselves. I am also certain that they will join me in thanking John Pope for the time and effort he has put into improving our team.

Our choice of Graham Minton as Captain has proved to be very popular with the boys, his dedication to the team and the game has been a shining example and is a credit to him.

We thank the parents who have followed the boys and given them the support they need and deserve. Lets look forward now to greater rewards next season.

Thank you boys for a great effort.

BOB SAUNDERS
TEAM MANAGER

UNDER 10'S

Runners-up in the Southern League.

Finalists in Southern League Cup Competition.

The team, under the captaincy of Darren Hanna, had a most successful season. Their success being measured not only in the number of games won, but also in the excellent team spirit which has prevailed throughout the season.

Best & Fairest - Kevin Harrison has been a fine example to the rest of the team. His goal scoring, particularly in the early part of the season, was most impressive.

Many thanks to Barry Cuttler for all his help, I am sure that his success as coach is due not only to the dedicated manner in which he tackles the job but also in his popularity with the boys. No matter how hard he makes them work they always come back for more. Thanks also for the help from our biggest "boy" Keith Hunter whose transistor radio and irrepressible sense of humour have ruined so many training sessions.

I have been extremely fortunate in having the help and support of so many of the boys' parents, they not only made my job much easier, but their presence on the touch-line is a great morale booster to the boys - my sincere thanks to all concerned.

**BILL THOMAS
MANAGER.**

UNDER 10 'B'

The Peninsula Under 10 'B' team was formed this year to give all those boys who so desired, the opportunity to learn and play the game

Made up of boys from the under 9 and under 10 age groups, about 15 "starters" were with the team since February. Although many were new to the game, these boys had an impressive number of wins during the season. Commendable was the defensive play, allowing only the lowest of scores against them.

DAVE DEEDS

When Dave Deeds agreed to take over the Under 10 'B' team, a great sigh of relief was heard from the under 9 and under 10 team managers. At first we were a little concerned that he might convert the boys to "gridiron" football but his enthusiasm more than compensated for his lack of soccer experience and the team had a most successful season. Many thanks Dave.

BILL THOMAS
& BOB SAUNDERS.

UNDER 11'S

Notwithstanding the team league position, the boys had quite a good season. Karingal and Pines were the only teams that really out played our boys. Against all other teams, the results were almost always in doubt up to the final whistle.

We hope all the players will return to play for the club next year, for the boys have improved immensely and they cannot fail to have a very successful 1972 season.

Peter Riordan - Best and fairest.

The sides most consistent and outstanding player. Possibly the best centre half on any under eleven side in the League.

Trevor Hyde - Best and fairest runner up and top goal scorer (13 goals). Outstanding at left wing. In every game he was always able to give the side a winning chance. Only player with 100% match attendance.

John Condon

An extremely good and rugged player and when he elected to play in goal, always excelled, especially against Karingal, who found him unbeatable.

Nicholas Vant (R.H.)

Played extremely well throughout the season.

G. F. HALLAM
MANAGER

UNDER 12'S

Now that the season is finished, we would like to thank all the Boys, for a good performance.

The team has won a few matches this year and went through to the third round of the Cup.

We all know that they will win a lot more next year.

Thank you Boys, for the support you gave me through the year. Next year, I will be stepping down, because I do believe if a man had the job the boys would have won a lot more games.

I know the Boys will support the new team manager next year. Also the club wishes to thank the parents for their support. A special thank you to our coach Mr. Vandenharn.

R. de JONGE.
MANAGER

UNDER 13'S

The Under 13's was unfortunately the team that never got off the ground when all the other teams had commenced their fixtures. The Under 13's were still searching for boys.

The two matches that they won were against Hakoah and Seaford, but in both cases we had to play Under 14's, therefore forfeiting the points. The only other point they picked up was against Seaford and they put on one of the best displays of fighting Soccer seen at Cranbourne Road this season. From this point some of the boys were really improving and although we received many compliments from other teams about individual players, which is a compliment to the efforts of our coach, Trevor Hubbard. Although we didn't win anymore matches, our main problem was shortage of boys we were left with seven boys and with four matches to play we had to forfeit our remaining matches.

I would like to thank all the parents who gave us support and transport to home and away matches and to the boys who worked hard to make this team work.

MIKE MATTHEWS.
MANAGER

UNDER 14'S

At the close of a very successful season for the under fourteens, I would like to thank the boys, Mr. Henderson our team coach and the parents who have given their support throughout the season.

Under the popular Captaincy of David Taylor, who helped in creating a wonderful team spirit, 1971 has been a rewarding year in as much as the team won the Linnell Cup and at the time of writing this report are finalists in the Southern Region Knock-out Cup.

The best and fairest award goes in a close finish to Colin Mitchell. I find it most gratifying that every boy in the team earned points in this award, proving that each boy contributed to our most successful season yet.

I am personally looking forward to next year, for with the same team spirit and effort we will achieve even better results.

DES FOULSTONE.
MANAGER

LADIES REPORT

Another season over and once again the Ladies Auxiliary extend sincere thanks to those who have so willingly helped in the many fund raising activities held in aid of the Club.

I would like to say a big thank you to the Ladies Committee for their support and a special thank you to Mrs. R. De Jonge for the wonderful job she has done in the capacity of Catering Manageress.
