IF ANYONE HAS AN "OLD" (IN WORKING ORDER) REFRIGERATOR THAT THEY NO LONGER NEED, IT WOULD BE MUCH APPRECIATED IF IT COULD BE DONATED TO THE SOCCER CLUB FOR USE IN THE CLUB ROOMS.

A warm welcome to you all for Season 1985
and a special welcome to all new Members.

We are all looking forward to an exciting
and rewarding year, our goals are set
high following last season successes.

Our Vice President, Tony Hall covers all
the highlights in his article.

Your attention is drawn to our Club
Officials for 1985, I ask you all to
support them in what ever way you can.

I would welcome any new items for this
magazine, you can contact me by telephone
on 789-7858 or leave them in the box
in the Club room.

BILL GENT

On the eve of another season for
SKYE ROVERS, the clubs seventh in the
Junior Soccer Federation the club can look
back on those years with justifiable pride,
it is with satisfaction that we can say we
still have boys playing with the club who
joined from the clubs inception. New
parents with boys entering the club will
soon we hope come to regard Skye as a
family orientated sporting body.

Whilst realising that not every boy will
become a super star soccer player, every
effort will be made by the coaches to
ensure that they are taught the basics
of soccer and if they have an obvious
talent it will be brought out in them.
Justifiably we look back on 1984 as Skye's
year, our panel of coaches won three
premierships in the competitive age group,
more than any other club in the Junior
Federation.

Mention, here must go to this years U13
"A"'s side the JETS, who just a few short
weeks ago appeared in the Buffalo Cup
Final against KNOX CITY, despite losing
2-0, for those watching the game at OLYMPIC
PARK, it was a momentous occasion to see
a SKYE ROVERS side appearing at the MCG of
Soccer.

All this success has been done with a lot of hard work, not least the parents, we have to point out we are not a child minding centre and we hope that at least one parent will watch a game each week if possible.

Due to the lack of ground accomodation we shall not be fielding as many sides this season, as the club has grown it has become fairly obvious that despite SKYE RESERVE'S homeliness in BALARTC ROAD it is just too small to accomodate our playing strength.

FRANKSTON CITY'S old ground in McClelland Drive will be used again this year to help us out of our lack of grounds.

Each team this year is being encouraged to find a sponsor, Mr. Kevin Goldfinch of ORMOND CARPETS has generously supported the club in past seasons for which we have been indebted, this new venture we hope will accomodate the loss of Kevin as our major sponsor.

The club has tried to keep fees at a minimum, this year it is \$30.00 per boy, \$50.00 two, \$60.00 three, as all of you will realise it costs a lot of money to run a successful club.

We hope that you will all support raffles, dances of any other fund raising ideas.

Our Ladies Auxillary performs a big job behind the club in raising funds, running the canteen and generally being part of the backbone of the club. Pauline Baulk and Noeleen Spyre jointly deserve a big pat on the back for a great job in 1984.

Finally, to say we hope this will be the first of a monthly newsletter, contributions can be left in the clubroom in the box provided.

TONY HALL
VICE PRESIDENT
