

FRANKSTON UNITED JUNIOR SOCCER CLUB

SOCCER IS BACK

A warm welcome to all our new parents and sons who have chosen to join what we at Frankston consider to be one of Victoria's best junior clubs. SKYE ROVERS--FRANKSTON UNITED, a change in club name to coincide with our seniors change, many of our older (in years of association) parents will still shout come on Skye and will find it hard to say Frankston however I'm sure we shall know what team you support.

Our club this year will run four U7's, two U8's, one U9, one UI0, one UII, one UI2, one UI3, one UI4, and two UI6's, alot of teams and alot of boys,.

To all the teams enjoy your soccer win, lose or draw.

The club have been fortunate in acquiring several important sponsors to date they are; Stenhouse Investment Services,

Joe Quadara & Sons Fruit Supply Frankston,

Pat & Dave Barretts Chocolate Cabin Frankston,

Lucki's Deli Frankston,

Robert Pryors Real Estate Seaford,

please support these very generous people, they are helping our club lets give them our custom whenever we can and if anybody wishes to sponsor a team let your team coach know.

FLOODLIGHTS

Our big project is at last under way the cables have been laid and we hope that by the end of May all our junior training will be centred at Robinsons Park.

CLUB FEES

Some parents have remarked at the increase in club fees to \$50 per first child, over the past seasons, the Victorian Junior Soccer Federation have increased all fees for boys registrations, transfers, team entries, referees fees, besides this the shirts, shorts and socks have all increased in price, the average boy is wearing \$30 in kit.

Club policy is to try and provide a soccer ball to each boy if possible thus increasing club stock of necessary equipment.

The Ladies Auxillary offsets some of the costs of all this however with our ambitious plans for the floodlights they simply couldn't cover all the running costs and this ment a need for extra revenue with club fees increasing slightly.

SENIOR NEWS
