

FRANKSTON UNITED JUNIOR SOCCER CLUB

WELCOME TO SEASON 1990

NEWSLETTER NO. 1 (APRIL/MAY 1990)

\$1 296

Our first fund raiser of the season was a huge success. We had good weather and plenty of fit and willing helpers.

We delivered over **5 500 "Melbourne Big"** to the worst area on the peninsula, and we did such a great job, we've been offered the job of delivering the "White Pages" next month(THE WEEKEND OF 26TH-27TH MAY), but to a different area. PLEASE RESERVE THIS DATE.

It was a fun (sort of) day! Many, many thanks to all the adults and young children who helped (see 'SPECIAL MENTIONS' below); we couldn't have done it without you.

Jan & Gary Naismith have learned that no matter how fast you can run, dogs can always run faster!

Harry has learned how to tie a knot, after losing the load along Frankston Flinders Road!

Mr Hamner knows how to sweet talk himself out of a 'fine', after being stopped by the road authority. He is available for some advice, for a large fee!!!

FORTHCOMING EVENTS - DATE GRABBER !!!

A disco night has been arranged for JUNE 2nd, at McClelland Drive. We would like to see all our new members and plenty of old faces there for the first big 'rage' of the season.

Ann Lee, who is back helping the U7's with husband Clayton & son, Ryan, is arranging the happening. Any queries or offers of help, ring Ann on 789 2704.

PHOTOGRAPHS!!!

We hope to have the team photos taken early on in the season while the boys are still clean, and the weather is still fine. A team photo of your wonderful 'soccer-player' son is something to be cherished!

THE REGIONALS

The Regional Championships have already been held. The following Frankston United boys were selected for regional representation: U12 Elliott Brooke, Daniel Darmakis; U13 Tim Predegast, Mathew Bennett, Adam Jamieson, Andrew Gray, Cameron Loepold, Luke Parrott, Allan Barrett, Chris Traynor, Damian Cavallaro and Tony Marsh; U14 David Cibura, Brad Phillips

and Leigh Windsor; U16 Darren Smith, Gavin Artico and Peter Klessel.

Two Frankston UTD boys have been chosen for the State Training Squad: Tony Marsh and Cameron Loepold. Well done!

Congratulations boys, good luck for the rest of the season.

CANTEEN

We are desperately in search of a precious lady or gent(?) to look after the running of the canteen at the weekend. Sue Cimdins did it last year and did an excellent job. I'm sure she'll put you on the right road. It's just a matter of being organised.

Would each team manager, please ask for a volunteer from your parent group to act as social representative. This person will be required to organise a canteen roster as soon as possible.

MCDONALDS SUPER SKILLS

With the help from Karingal soccer Club, we hope to re-introduce McDonald Super Skills. These were very successful when we held them a few years ago, and we hope the boys have the same enthusiasm to participate and learn.

PRESIDENT'S REPORT

It is my pleasure to welcome the players, coaches, managers, social organisers and parents to season 1990.

I would like to point out that this season, we are running teams in all age groups, except under 15, were we unfortunately, lost boys to other sports. It is with much pride, that I can say, season 1990 will see all teams training at ROBINSON PARK (HOME), now that our floodlights are in full operation. The standard of

I regret that this season, the committee had to raise the fees, but, unfortunately, costs go up and we have responsibilities to meet, and not being able to guarantee money from other areas, the committee had to make this difficult decision.

This season we welcome to the club, new coaches for U14 Ivan Symons, U10 John Darmsakis, U9 John Koot, U7 Clayton Lee, and managers: U16 Peter Lukey, U13 Stephen Gray, U9 Matthew Petrucci, U8 Rob Law & Linda Mur and U7 Wayne Stevens.

ON MAY 26TH & 27TH, we'll be making deliveries of the **TELECOM WHITE PAGES** as an important fund-raiser, and we are asking ALL MEMBERS TO PLEASE SUPPORT THIS EVENT by participating with managers, coaches, and the players, to make it easy and PROFITABLE.

In concluding, I take this opportunity to say, thankyou to all members who took part in the construction of the floodlights, and distribution of the MELBOURNE BIG (see 'special mentions' below), and a special thankyou to the ARTICO FAMILY, for organising the poles. Without your help, it would have been a struggle.

U13's MATCH REPORT 22-4-90

FRANKSTON UNITED (1) U. NUNAWADING (0)

Well, here we go again. This was a common phrase all around Robinson Park last Sunday. Our 1st league match of the year saw us entertain Nunawading City. We welcomed four new members to the squad: Luke, Mathew, Micheal and Cameron. I'm sure all four boys will prove to be valuable players to the squad.

The match itself was a very one sided affair. It was, however, marred by some extremely strange refereeing decisions throughout.

After a very frustrating first 20 minutes, Cameron celebrated his first appearance with the club, with a clever left foot shot, 5 minutes before half-time. A half which, in fact, saw our goalkeeper, Tim Prendergast, acting as another supporter; as Tim never once touched the ball. (Good to see you over your injury, Tim)

The second half started just as the first ended (with us attacking most of the time). However, halfway through the half, some silly mistakes were almost punished by the Nunawading strikers. We were still making chances, but our finishing let us down in most instances. This will improve, I'm sure, as the season progresses.

Greg Taylor was substituted in the 2nd half (to play in the U14's) and Mathew Bennett took his place. With 30 seconds left, we almost blew it; when the opposition did get the ball in the net, but true to the way she refereed all three games that day, the referee disallowed the goal and gave us a free kick!

The first game of the season is never easy, and any win is

a good win; but I believe this was the win under our belt that we needed, and I'm sure there will be many more to come, starting with Caulfield next week.

U13'S MATCH REPORT 29-4-90

CAULFIELD (0) V. FRANKSTON (6)

A great result on Sunday saw us getting maximum points from our opening 2 games.

The game was won in the first half in which the man of the match, Luke Parrot, scored a superb 'hat trick'. Other scorers in the first half were, Chris Traynor and a penalty from Mathew Bennett.

Some of the soccer played in the game was the best we've seen this year-even taking into account the regional games.

We started the 2nd half just as well, and Allan Barret completed the scoring after 35 minutes!

All players deserve congratulations, on a great performance.

STEVE GRAY
TEAM MANAGER.

U9'S MATCH REPORT

ROUND 1 : The boys didn't play in opening round of the 1990 season, because the team they were to meet, pulled out of the competition. (Our boys are a feared force, obviously!)

Anyway, the parents (with no other chauffeuring commitments) probably enjoyed the (Ted, Carol, Bob...type) sleep-in

ROUND 2 : KARINGAL (1) V. FRANKSTON UTD (5)

In the early stages of the game, the boys were a little overwhelmed by the size of the playing pitch. Many discovered running for the first, time and had trouble standing up at the end of the game!

John was particularly pleased with the efforts of ALL the boys. They are certainly responding to his thorough and 'professional' coaching.
