FROM THE EDITOR

Our second newsletter for 1986. How about that!!!, not quite on time but I am working on this point.

I hope all members are getting involved in our Club activities as well as supporting the boys at their matches.

Don't forget the Seniors, they also need your support. Come and watch them play at the Frankston City Grounds and also their away matches. Their fixtures for June, July and August are in this newsletter.

I would like to have more team reports in the Newsletters, (Managers - Coaches please help), also any other item of interest which members may have, and of course we are always looking for new sponsors.

PRESIDENTS COLUMN

ROBINSON ROAD

Most teams have already played on the new pitches, some in rather horrid and wet conditions (Saturday 24th May). The boys all seem to be very happy with the pitches and considering the way they have recovered from the torture handed out on that wet day when up to an inch of water lay on the pitch at times. I think we can look forward to good playing surfaces for the rest of the season.

We need to thank those hard working parents who helped, Graham Baulk marked out the new pitches including Graham Ryan, Margaret Forster, Frank Thompson and Lou Cibura.

Thanks also to Lou Artico for moving the green shed from Skye reserve.

The Ladies Auxiliary are doing a great job in the new canteen and I understand they sold out of nearly everything on the opening day on Sunday 18th May when a large crowd turned up to watch the Cup games including curious residents from the Lakewood Estate.

REPORTS

UNDER 7'S A. AND B.

COACH: DAVID WINSOR

MANAGER: SANDRA WINSOR

The under 7's team this year consists of seventeen very enthusiastic boys, who are all putting a great deal of effort into the basic skills of soccer.

We have had some very promising results from the boys in the last few weeks and we hope this continues.

It is great to see all the parents supporting all the boys on Saturdays and giving them their support.

We hope the success rate continues throughout the season.

UNDER 11'S SPURS

The boys have really lifted their game over the last few weeks after a fairly ordinary start. They had a 6-1 win against Seaford in a "friendly", and a 2-1 win in the league game against Berwick City on

1st June (a good result for our first home game at Robinson's Park).

Troy Gent and Stephen Lukey were the goal scorers against Berwick, but the highlight of the game was the total team effort and improvement in skills. The encouragement award was won by Matthew Ryan who has shown incredible improvement in enthusiasm, speed and ball handling over the last couple of weeks.

The parents were very appreciative of the two hour coaching sessions run by Tom on Tuesday and Thursday of the second week of the school holidays. Not only did the boys learn a lot, but it also gave the parents a few hours peace and quiet! Thanks Tom.

League result: 1/6/86 Spurs def. Berwick City 2-1

PETER LUKEY

MANAGER

UNDER 14B

With the 1986 season well under way I would like to welcome two new boys to our team, Adrian Rowe and Matthew Harwood. They have merged in well with the rest of the lads and filled the gaps left by the boys who decided to go on to other sports instead of socce. this year - is there another sport?

After a gruesome start to the year by losing the Preliminary Cup match against Brighton "B", the boys have picked themselves up to win their first two matches.

The first game was a "bye" as Sandringham was re-allocated to a different division. Our second round was against Brighton "A", resulting in a 5-0 win. Player of the match was our goalkeeper Jason Goss who took some beautiful "saves". Goal scorers were: Lee Hesterman 2, Antony Boliancu 2 and Jamie Selth 1.

Our next match was at home against Beaumaris with a final score of 5-2. Congratulations Adrian Rowe for your hat trick, and Tim Traill and Lee Hesterman for one goal each. Best player award to Adrian.

Hawthorn proved too strong for us, beating us 4-1. Stuart Mills kicked our only goal just into the second half of the game. Defenders Laurence Hall and Paul Carpenter both put in a fantastic effort and certainly helped in keeping Hawthorn's attack under control.

A good effort from the boys each week should certainly give us a good chance at the Premier flag again this year. Go to it boys.

SKY'S GALA DAY CARNIVALS

This year we are having carnivals for each of the Junior and Sub-Junior age groups.

THE U-8 will be the first to kick off on the 20th July.
Their A B C & D sides will combine to make 2 competing teams.

THE U-7 will have their carnival on the 3rd August.

THE U-10 will have their carnival on the 24th August.

THE U-9 will have their carnival on the 7th September.

All the carnivals will be held at the Skye Reserve and on weekends when most other Skye teams are playing away.

If you feel that you would like to assist on the day with the many chores or in advance for the preparation of the games please contact me as we can use the help, on 781 3210.

I hope that this year our carnivals will be as successful as those in the past and look forward to having the support of both parents and boys alike and having a really good time on the days.

Regards,

GLEN CHARLES
