

***** SKYE HIGH *****

Already a third of the season gone and mixed results from most sides.

In the Victorian Junior Cup we have two surviving teams, the Under 12 Jets seeking to emulate their feats of last season, and perhaps go all the way this year. ALAN PARROTT has all but one of last years squad and three new boys - we welcome them and their parents to the club ** ENGELBERT SCHMIDL, GEOFF GILLARD and DAVID McMILLAN ** Incidentally, Engelbert is playing in the State Team.

GRAEME BAULKS Under 11 Magpies are also going strong, he too had all last years squad and ** DAMIEN STENT, PETER ADDICOAT and PAUL WRIGHT ** - welcome all.

Our new Under 7's are really adapting well to the round ball game - most games have been won, and perhaps we might see the Under 7 Carnival Shield won again by a SKYE side on July 15th.

Due to the increase in teams this year, the old Frankston City Ground is now a venue for two of the SKYE sides, PETER LUKEY's Under 9's and BILL DAWSON's Under 12 Hammers. It was a nice gesture by the Frankston committee in allowing us the use of their grounds.

CONGRATULATIONS DUE.

Congratulations to the following boys who represented the Peninsula Region at Under 12 level under coach ALAN PARROT - ** GAVIN SAMBELL, JAMIE BURROWS, TROY MURRELL, STUART DOOLAN, ENGELBERT AND GEOFF **.

COACHING COURSE

A weekend Coaching Course is to be arranged for September. It will be on a Saturday/Sunday and will benefit boys from 9 upwards. Unlike most courses advertised, this one will be free and the coaches have all given their time gratis. An invitation is to be sent to two local clubs, PENINSULA and BAXTER for any boys wishing to attend the course.

** CLUB AWARDS **

Once again this season, Ollies Family Restaurant, and McDonalds Frankston are generously supporting the club, with weekly awards to a player in each of our teams.

GARY LUDLOW is to produce the SKYE magazine this year and further mention of the course, with application forms, will be in this.

LADIES AUXILLARY STALL

After a lapse of a few years, the Ladies Auxillary is to hold two big stalls at the Frankston market. Needless to say, we require any unwanted goods (no clothes please). Could you all have a good sort out and give any bric a brac to NOELENE SPYVE or leave it at the clubrooms. The stall will be in August.

The Seniors are not having the best of seasons, due to the retirement of at least seven of last years first team. The team had to be remoulded, and the younger players now the in side are taking time in settling in. However, FRANK THOMPSON has put his boots on again, and the experience of an "old" hand should reap a reward soon.

LOST SOMETHING?

The lost property room is accumulating its usual amount of lost??? tops and bottoms. If you son has come home without something, please check the clubrooms. The Brotherhood of St.Lawrence do very well from our club at the end of the season.
