FRANKSTON "Panthers" U.7s

TEAM MANAGER Sue Reynolds
TEAM COACH Chris Reynolds
SOCIAL SECRETARY Sharon Allen

TEAM.....

- No.6. LUKE TAYLOR:- Luke is one of our youngest players and is developing very well. After being hurt mid-season Luke lost his confidence a bit, but to his credit he has persevered and has started to play very well. Well done Luke.
- No.9. TRAVIS GRAY:- Travis has had a very good season. He is starting to look very fluent when running with the ball. Like all boys of this age, he tends to stray out of position. Travis will develop into an excellent forward player.
- No.11. BENJAMIN FALLON:- Ben always seems to thoroughly enjoy himself and that is what it is really about at his age. When he learns to concentrate he will be a very competent soccer player.
- No.6. ANDREW SHELDON:- Andrew played for half our season as the Goalkeeper, for young boys who have never played Soccer before, Goalkeeping is very difficult. Andrew played excellently in this position. Andrew is now learning to play as an outfield player. An excellent season Andrew.
- No.4. MICHAEL REYNOLDS:- Michael is developing his skills very well, both as a defensive and attacking player and also plays well in goal. If he continues to practice hard he will be an excellent all round soccer player.
- No.5. IAN MITCHELL:- Ian is our youngest player and has obvious natural ability. If Ian develops at the same rate as he has this year then he could become a very gifted forward player. Well done Ian.
- No.8. NICHOLAS ALLEN:- Nicholas has been one of our most consistent player this year. Nicholas plays very well in a wide forward position. His ball control is very good. Nick always plays for the team.

FRANKSTON 20 FALCONS

No.7. STUART REYNOLDS:- Stuart has been the backbone of our team this year and for a boy in his first year of soccer has developed excellent skills. Stuart with practise will be a very good soccer player. We lose Stuart this year from the U.7s. Good luck for next year with the U.9s.

No.10. RYAN O'MARA:- Ryan is one of our youngest and smallest players but has picked up the basic skills very well. Ryan if he develops as he has this year will be a very competent player next year.

No.2. THOMAS PHILLIPS:- Thomas started late, but for a player of his age his tackling is exceptional. If we continue to develop his ball skills, Thomas will become a top defensive player.

No.15. RAMON GOURLEY:- Ramon like Benjamin always seems to enjoy his soccer and is developing into a very good mid-field player. Again Ramon tends to wander out of position, but this will improve as he develops.

COACHES COMMENTS:-

This was my first year coaching boys of this age and after the first training night I thought "what have I let myself in for!". As the season has developed I realized,

- a) How much the boys were enjoying themselves.
- b) How much they were developing.
- c) How much I was enjoying myself.

Late in the season I attended a Coaching Course and this was a real eye-opener in terms of methods of developing soccer players of all ages. Some of our training routines were great for the boys, some in retrospect were not particularly good. The main thing to me about the year was that although we only won one game, all of the boys have enjoyed themselves, also all of the parents have enjoyed standing in the pouring rain every Saturday and training night. I would personally like to thank all the boys for being excellent pupils, Bruce for helping with training and refereeing and all the parents for supporting us throughout the season.

I would like to organise a once a month training session through the summer, so that the boys can keep in contact. I look forward to training the boys next season.

Thank you,
Chris.

TEAM MANAGERS COMMENTS:-

I would like to take this opportunity to thank all the parents for helping out throughout the season. Special thanks to Sharon who was social secretary and responsible for organising our sponsorship this year and Kerry who helped to organise the Christmas Dinner Dance.

I would like to advise everyone that our A.G.M. this year will be held on 24-10-91 at the Senior Club Rooms in McClelland Drive, starting at 8.00pm. We would like as many people as possible to attend.

Thank you,

Sue.

FRANKSTON UNITED UNDER 8's "THUNDERBIRDS"

Manager : David Poole
Coach : David Cliffe
Assistant Coach : Rodney Naismith
Social Secretary : Linda Walsh

Team : Martin(Marty) Baird, Steven(Bella) Ballerini, Michael Blanch, Adrian(Age) Caminiti, Steven(Cliff "E") Cliffe, Kane(Nugget) Naismith, Caleb(Cay) Nicholes, Adam(Squirt) Poole, Gareth(Gazza) Powell, Andrew Rath, Mark(Skid) Tyas, Nicholas(Nick) Walsh, Leigh(Muster) Walters, Daniel(Dan) Wehner, Brett(BJ) Van Zanden.

The under 8's finished the 1991 home and away season in very good form, having recorded good wins against all opponents.

In addition, they participated in and won five "Gala Day" competitions at Clayton Inter, Cranbourne, Seaford, Sandringham and at our own competition held at Robinson's Road Reserve.

At Clayton Inter the boys reached the final after a slow start (drawing their first game). However, they went on to win their round robin group and then beat Doveton (5-0) in the semi finals.

In the final the boys played and beat Waverley United 5-0.

At the Cranbourne Gala Day competition, again the boys advanced to the final by winning their round robin group and this time by beating Langwarrin 3-1 in the semi finals.

In the final they played against a strong Springvale City side. The boys dominated this final, and were unfortunate not to win by more than the 1-0 final scoreline.

Our own Gala Day competition proved to be a very successful day all round - with the combination of good weather and good soccer proving to be the ultimate winner.

Teams representing Brighton, Clayton Inter, Mornington, Monbulk, Sherbrook Rangers and Hampton Park Soccer Clubs competed in the competition

The under 8's entered two teams (Blue and White). After putting up three excellent performances against tough opposition, unfortunately Frankston White were knocked out of the competition in the round robin stages. All boys who played in Frankston White should be proud of the way in which they played on the day.

However, Frankston Blue were lucky enough to make it to the final. Playing against Clayton Inter, the boys put together one of the best displays of soccer this season to run out convincing winners (8-0).

More important than the win was the way in which the boys from Frankston White rallied around to support their team mates in the final - a true demonstration of excellent team spirit - well done boys.

All boys from the under 8's would like to thank Gary Naismith who's efforts in organising and supporting the Gala Day ensured that it was a great success for all teams competing.

U 19's END OF SEASON REPORT

At Seaford's "Gala Day", the boys once again met Clayton Inter in the final, this time beating them 5-0.

Our fifth "Gala Day" competition was at Sandringham, whose sub junior soccer facility is amongst the best in Victoria.

The team, yet again, progressed to the final (against Sandringham) by once more beating Clayton Inter in the semi finals.

Following this game, the Clayton Inter coach and parents were heard in the car park, to say that they would be quite happy never to have to play Frankston again.

The final proved to be one of the best games of soccer played this year.

It pitted Sandringham's well versed tactical game against Frankston individual freestyle of play.

This meeting of two different styles of play resulted in a very fast moving game, which at the end of regular time saw the score line locked at 1-1.

Extra time proved to be as close, and the score line read 2-2 when the final whistle blew.

The deciding penalty shoot-out, which had all spectators and players in a nervous frenzy, went Frankston's way (3-1) and the inaugural Sandringham "Castfield Shield", made its way down the Nepean Highway to Frankston.

While the boys have enjoyed great success on the park this year, this has only been brought about by each individuals hard work and dedication to developing their own game and skills at training.

Their continued development and understanding of the game has, by far, been the big winner this year.

Congratulations boys.

Note: A big thrill for the boys this year was the appearance of Australian Under 17's (Joey's) goalkeeper, Steve Wardle who took charge of a training session.

In addition to giving the boys some expert tips on goalkeeping, Steve also provided the boys with proof and the inspiration that someone from the Mornington Peninsula can make it through the tough ranks of Australian junior soccer and play for their country.

UNDER 9'S

- WHAT HAPPENED THIS YEAR -

The start of our season was a time of anticipation, excitement and some disappointment. The squad of 13 boys - 9 from last year and 4 new boys, embarked on their first season on a full sized pitch, unfortunately without a coach.

Thanks must go to Harry Chalkitis and Alan Traynor for giving up their valuable time to train the boys pre-season and for some weeks into the season.

Goals and wins during the year were few and far between. However, this brought out the character in every boy as they persisted and consistently turned up to training and games.

Excitement grew when Paul Smith (formerly the U'16's coach) agreed to take the coaching job on. It wasn't long before Paul's experience and knowledge showed out at training and during the games themselves.

Suddenly, the halfway mark of the season was upon us and we looked forward to return matches with confidence.

Training continued throughout the school holidays, so as to keep the boys on track, and soon after we had our first win, defeating Hastings 4-0. We went on to draw a couple of further matches and of those remaining games which we lost they were all very close games.

Thanks must go to all parents, who supported the boys every week and to the boys themselves:-

U 10's END OF SEASON REPORT

COACH: David JONES

TEAM MANAGER: Matthew PETRUCCI

SOCIAL MANAGERESS: Beth WEERHEIM

The second half of the season turned out to be a long, wet, cold, and moderately successful affair. Melbourne's third-wettest winter on record certainly limited the team's training sessions and thus denied them much needed skill development and practice. Nonetheless, David was able to fashion the boys into a reasonably competitive unit. The team played some really close stirring games against "better equipped" teams.

While the more experienced players in Luke Bardsley, Phillip Jones, Shane Ashurst, John Koot, Nathaniel Roberts and Aaron Petrucci were the driving force behind the team, Aaron Elias, Andrew Kinnaird, Mark Weiss, Adam Hamm, Matthew Parry, Nick Weerheim, Carl Smith and Tim Morrison provided stout support, and each produced some "nitty-gritty" performances on many occasions. The sight of Matthew dashing frantically all over the ground, with an asthma pump in his hand, in hot pursuit of the soccer ball, will remain etched in my memory for a long time. His determination and commitment has been remarkable.

The "linking" play between Shane and Aaron P. was a feature of the team's forward line. Phillip and Luke provided valuable movement across the centre and set up many attacking moves of their own, as well as creating many opportunities for Shane and Aaron P. to score.

The sliding, tackling, crashing, running, screaming, reliable John Koot, was the "back"bone of his team's defence. His courage and desperation stopped many waves of attacking opposition players. Nathaniel, the team's goalkeeper, was superb in goals this year. His natural courage and ability saved his team from what could have been large losing margins. Mark and Aaron E. proved valuable defenders and showed significant improvement throughout the year. Andrew, Adam, Nick, Carl and Tim all made their presence felt when called upon to play their part in the games.

On behalf of the boys and their parents, a sincere THANKYOU TO DAVID, for his time, dedication and loyal efforts in preparing the boys each week, in trying his "darnest" to extract from each boy, their full potential, and for improving the boys' knowledge and skills of soccer. I'm sure David will agree, that all the boys still have a lot to learn...but all in good time!

A HUGE THANKYOU TO BETH WEERHEIM, for her time and untiring efforts as social entrepreneur. She attended to many behind-the-scene tasks: she organised and supervised the canteen roster, planned and organised a successful night out for parents, and planned and oversaw the

U 10's END OF SEASON REPORT

end-of-season BBQ for the team and parents. We greatly appreciated her vigor! A special thankyou to Michael Weiss for his ("unimportant") * involvement on the committee, his assistance during training sessions and for removing nets after the (home) games. Thankyou also, to John Ashurst for his general assistance with the nets. To those parents and children who helped with the cleaning of the clubhouse, when our team was rostered to do so, we thankyou. Thankyou to the parents and children who assisted in the canteen throughout the season.

This was the boys' last year in the sub-junior division. Next year, they will move into the Junior League, and this will see two main changes: they'll play for league points (on a league ladder), and the games will be played on Sunday mornings.

In closing, we hope that all the boys will build on what they have learnt about the game this year, when they come together again to play soccer in season 1992.

Well done this year, everyone; see you all next season.

Matthew Petrucci

U11's END OF YEAR REPORT

Well another successful year has come to an end, and as you can see from the league ladder below we should all be proud of what the boys have achieved. We struggled for the whole year trying to get enough players to make a squad and to their credit they stuck together and the end result was very rewarding. We were extremely fortunate that the boys saw the season out without any big injuries or sickness. Somebody up there likes us. With a bit of luck we could have finished maybe a little higher on the ladder but I believe there's plenty of room in our team for improvement and we'll be right up there with the best again next year. As it is customary in our club to welcome new players, I would like to welcome Cameron Brook and Daniel Rath. They both have a lot to learn about the game, but going by the enthusiasm they have shown since joining us it's not going to take them very long. They're always first out on the training pitch. So congratulations to all the boys for a very good effort. You've done me, yourselves, your parents, and above all your club very proud.

-Thank you Lou and your son David for running the line for us all year.
-Thank you to all the fathers for helping with the ground preparations.
-Thank you to all mums for running the canteen.
-Thank you to everyone who have supported us.
-Thank you Uri for being our team manager. And thank you Uri for sponsoring the boys.

I am sure that you are proud of them just as much as I am.

See you all next year.

And please remember if you hear of any boy who wants to join our squad to give him my phone number.

Thank you
Coach: John Darmakis

FRANKSTON UNITED J.S.C

UNDER 12'S

Well it's arrived – well almost, the end of the season that is!

Apart from one broken arm, we came through the season just about unscathed, trust the Welsh Wizard to let us down. Who else could break an arm whilst going for a header – only joking Barry, it stopped a certain goal.

Its been a season which has seen us finish 5th and have a lot of fun on the way. Who knows what might have been, had we achieved the results we should have achieved against Brighton, who finished second in the league.

However, the main thing that came out of the season was the fact that the lads never ever gave up – even in defeat, which is a credit to them. Over the season I feel that they've done themselves and the club proud and I'm sure that they've built the foundations for a terrific 1992.

Results for the season are as follows:

<i>Played</i>	<i>Won</i>	<i>Drawn</i>	<i>Lost</i>	<i>Goals For</i>	<i>Goals Against</i>
22	14	2	6	56	31

Obviously, over the course of the season we had our highlights. They included:

<i>Daniel Stabb</i>	:	Shouted at someone!
<i>Jamie Bonnefin</i>	:	His header off the line against Benteigh!
<i>Barry Jones</i>	:	Won a sprint at training
<i>Mark Taylor</i>	:	Got through one training night without falling over!
<i>Carl Gray</i>	:	Kept clean during a match – once!
<i>Neil McAvon</i>	:	Had a "Hot Dog" without <u>sauce</u> !
<i>Sean Hunt</i>	:	Taught his Dad what the term "Buff Head" meant!
<i>Kenny Doyle</i>	:	His last tackle of the season!
<i>Joel Malcolm</i>	:	His goal against Sandringham, away!
<i>Cameron Naismith</i>	:	Once trained without his tracksuit bottoms on!
<i>Nicolas Blanch</i>	:	Used his right foot
<i>Nicolas Cimdims</i>	:	Played in just about every position, except goalie!
<i>Scot Philips</i>	:	Made training 2 nights on the run!
<i>Scot Buchanan</i>	:	Scored with his left foot!
<i>Craig Whitlow</i>	:	Called a name after shouting "Leave it"!
<i>Peter Fullwood</i>	:	Scored a goal – at last!
<i>Barry Fullwood</i>	:	Gave us an offside decision!
<i>Steve Gray</i>	:	Enjoyed his Sunday dinner's more times than he didn't

There were no "low lights" to mention

On a more serious note, my thanks go to my team manager Barry Fullwood, who has been a great help to me throughout the season and to the players themselves, for their efforts throughout the year. I would also like to thank the parents for putting up with the travel, training nights and my shouting during the games.

Enjoy the summer, see you next year.

Steve Gray (Team Coach)

P.S. Liverpool for the Cup!

FRANKSTON UNITED UNDER 13'S

SEASON 1991 PLAYERS

GOALKEEPER - DANIEL MAGILL: Affectionately known as Magoo. A very brave, big young fella who will go a long way if he works hard at his keeping. Didn't require his first aid lady this year.

SWEEPER - JED SHEARN: A wonderful season by Jed, showed he will be an excellent player in years to come. Jed didn't need to take away players out this year.

RIGHT BACK - KRISTAN BOYLE: Small stature, big heart, not worried by larger players to mark, more of a challenge to him.

LEFT BACK - STEPHEN STUBBINGS: A new player to the team and also to the sport, good with his head and a fine left foot. Don't forget Steve RED CARD for sending off not YELLOW.

CENTRE BACK - DEAN PHILLIPS: Another new player gained confidence each week, had some tough strikers to cope with and did very well.

LEFT MID FIELD - DANIEL (DAICOS) DARMAKIS: Fluke goal of the year award for Daniel V's Waverly City and used his right foot more than once this year. But as usual a fine season put in by our Captain.

CENTRE MID FIELD - DANNY JAMES: Strong tackling player, more patience required, scored two absolute cracking goals. Well done Danny.

RIGHT MID FIELD - ROBERT WARDLE: Regional player come to us this year with a big reputation as a full back, but the transition to right midfield has enabled him to far more of his talents.

FORWARDS - ANDY BEASLEY: Playing his eighth or maybe ninth season another player with a big heart and plenty of speed controlled himself well. Thanks Andy.

- BOBBY MCMILLAN: Speedy winger Bobby came to us from Baxter, following in his cousins footsteps is the third McMillan to represent Frankston United.

FRANKTON UNITED F.C.

- ADRIAN VANDINTREN: With the departure of last seasons goalscorer Ben to YCW we needed a replacement. Adrian got the job after a couple of practise matches and League games, his first match yielded a hatrick and finished with 13 goals for the season. If he was a more greedy player he could have had a lot more.

- JAMIE SHLOFFER: Another speedy young gun WE WILL have to call him JET SET JAMIE as for the last two seasons has flown overseas half way through the season, but Jamie possesses great skills.

Summarising our season takes in a number of elements, firstly the settling in period of the new players and the old. Changing leagues which as it turned out was the best thing for all concerned. I hope the players and parents all enjoyed season 1991 as much as John and I have.

Unfortunately the last two week ends of League matches saw our team have the Championship snatched from under our nose. With three matches remaining, having only lost 1 game in the first 17 we only had to win 2 out of the 3 remaining games. Springvale (3-3) Last time Lyndale (3-1) and Mitcham (2-1). Struck with the dreaded flu we lost 0-3 Springvale, 0-1 Lyndale and won the last one 4-0 Mitcham. So ending the season in 3rd spot 2 Points from the Championship - nevertheless these things happen in life, there's always next year guys. Congratulations to you all for a fine season.

At this point I would like to thank John & Viv for their help during the season, Kevin for assistance as assistant manager, Len (The Minder) Boyle, Phil (The Flagman) James for their help all season.

Yours sincerely,

GRAHAM BAULK
